Infant Mental Health Conference

Spokane County Community Services, Housing, and Community Development Department: Presents an exciting **two- day** training featuring Connie Lillas, PhD, MFT, RN and co-author of Infant/Child Mental Health, Early Intervention and Relationship Based Therapies, AND Julie Ribaudo, Clinical Assistant Professor at the University of Michigan School of Social Work, with an Endorsement as an Infant Mental Health Therapist and Mentor. Together they will cover:

* The Neuro-Relational Framework (NRF) for assessment, diagnosis, and intervention using video based case studies to understand intervention from the NRF point of view
* Assessment of individual development across multiple domains
* Therapeutic behaviors to treat the impact of neglect and abuse on child development
* The 4 brain systems & The core elements of early brain development
* Forms of attachment that can lead to difficult behavior

Register NOW to reserve your seat! **Seating is limited and will fill quickly.**
