Cancellation Fees / Refund policy:

Event Denial: If for any reason Spokane County is unable to accommodate a special event (issue conditional approval) at a location within the County's network of parks and facilities, a full refund shall be provided.

Spokane County Cancellation: Spokane County reserves the right to cancel an event at any time, for any reason. If this should occur, a full refund shall be provided. Factors that might trigger a County Cancellation may include but are not limited to: "acts of god," natural disasters, vandalism, or facility breakdowns. When feasible, Spokane County will work with Event Sponsor to find an alternate location to offer as an alternative to cancellation. If an alternate location is offered by the County, and accepted by the Event Sponsor, no refund will be provided.

Event Sponsor Cancellation: Should an Event Sponsor choose to cancel an event for any reason, 50% of the applicable permit fee shall be refunded, provided that the County has received written notification of cancellation from event sponsor not less than 24hrs prior to scheduled event. If an event is cancelled because the Event Sponsor is unable to fulfill the terms

and conditions of approval, (i.e. provide proof of insurance) this shall be deemed an "Event Sponsor Cancellation".

PLEASE NOTE

The Parks Director shall utilize her/his discretion as to determining whether or not a specific Special Event is an appropriate match for a specific Spokane County Park Property/Facility.

If food and/or beverage is planned to be served or sold at the event, sponsor shall obtain all necessary permits and provide Spokane County Parks copies of such permits **not less than fourteen (14) days prior to the event**.

Unless otherwise directed by the Board of Spokane County Commissioners, additional fees above and beyond the Level I-III permit fees shall be charged on a case by case basis in an amount that will recoup actual costs associated with accommodating said special event as determined by the Parks Director. Sponsors of special events may be asked to provide additional support services, proof of acceptable liability insurance, and proof of additional permits/approvals as required by law and determined appropriate by the Parks Director and/or the Risk Manager.

TANGIBLE BENEFIT

The Parks Director may utilize his/her discretion to reduce or waive special event fees for events that benefit a Parks facility in a direct, tangible way (e.g. "Spokane River Clean Up" benefitting the Centennial Trail).
