Purpose of Addendum

This document is an addendum issued under the Washington State Environmental Policy Act (SEPA), WAC 197-11-600(4)(c) and 625. This document adds to the environmental checklist submitted for (3) 2 story townhouse buildings totaling (27) units and (1) garage building totaling (10) units to be located at 3916 N Argonne Rd, parcel number 45055.2106. This addendum does not identify any new significant environmental impacts beyond what was disclosed in the previous document.

Description of Project Modification

The modification under consideration is an additional (2) 2 story townhouse buildings with (3) units in each building. This modification increases the number of townhouses to a total of (33) units.

Environmental Impact

This modification will not result in any significant impacts that were not previously analyzed in the environmental checklist.
