North Spokane Mobile Home Fire Under Investigation

Sheriff's Office Major Crimes detectives are assisting Fire District's 4 and 9 with the investigation of a mobile home fire that was reported at approximately 0500 hrs this morning in north Spokane. When emergency personnel arrived on scene the double wide mobile home was fully engulfed. According to occupants of the residence there were 5 people who lived in the home, 3 adults and 2 children. Both children and two of the adults were able to safely exit the residence. An adult female was not able to exit the home.

Due to the fact that the fire resulted in a fatality it is common practice for Sheriff's Office Major Crimes detectives to assist in the investigation. If it is determined that there were no crimes involved with the cause of the fire, the scene will be released to fire personnel. However, if it is determined that the cause of the fire was criminal in nature, Major Crimes detectives will take over as the lead investigators. The investigation is ongoing.
