Welcome! Thanks to our wonderful staff, superintendents and volunteers, we have an exciting year planned for our upcoming 60th Diamond Anniversary at this location. We strive every year to make annual improvements to our fair and it's not too late to share your ideas on how we can make this year's fair the best yet! If you have an idea or would like to volunteer, please contact us at fairexpo@spokanecounty.org.

Mark your calendar for September 9-18! Once again this year, we will be hosting a number of great acts in the Grandstand. Remember to check out the ever popular PRCA Rodeo – two nights only (Sept. 9-10), Compact Car Demolition Derby (Sept. 11), Monster Truck Shows (Sept. 17), Traditional Demolition Derby (Sept. 18), and great musical acts including Neal McCoy (Sept. 12), the Osmond Brothers (Sept. 13), the ever popular Weird "Al" Yankovic (Sept. 14), and Switchfoot (Sept. 16). Join us on September 11th as we honor the 10th Anniversary of 9/11 with a commemorative event and parade. While attending our 60th Fair be sure to make time to see the Mutton Bustin', Kids Pedal Tractor Races, and Pig Racing performances each day (see our website / daily program for exact times and locations).

CLASS 5 / LOT 35 – PAPIER MACHE LIVESTOCK SHOW

The Spokane County Interstate Fair invites children to participate in the 8th annual papier-mâché livestock show. This is an opportunity for children to create and to showcase their own animal. This is a wonderful way to get children involved in the Fair's activities and to learn about the animals.

The Livestock Show also gives us an opportunity to learn about recycling paper. Items will be submitted to Bay 3 (Home Arts) and shown in Bay 4.

Special Awards: Two tickets to the Fair will be given to Best in Show, Runner-Up in Show, and Most Creative.

Use entry form included at the end of the booth. All entry forms must be submitted on or before August 9. Choose one of the 9 animals showcased at the Fair as a model for your papier-mâché project. They include Chicken, Cow, Goat, Horse, Pig, Pigeon, Rabbit, Sheep, or Turkey. Crumple some newspaper to create the desired shape. Use masking tape to help the paper keep desired shape and to attach the different parts of the animal's body. The animal that is submitted has a maximum size limit. Each animal can only be 24" tall (from feet to head), 18" long (from nose to tail), and 12" wide.

How to papier-mâché:

Tear newspaper into approximately 2" x 8" strips. Dip strips of newspaper into cooled glue mixture. Squeeze off excess glue with fingers. Place strips one at a time over the mold and smooth out air bubbles. Cover mold with 2-3 layers of paper strips at a time. Allow these layers to dry before adding more. Note: The thicker the layers, the longer it will take to dry. For best drying results, place project in a warm area, outside in the breeze or near an electric fan. You can apply as many layers as you like until you reach your desired thickness.

Glue Recipe: Boil 5 cups of water in a saucepan. In a bowl, mix ¼ cup of flour with a cup of cold water. Mix until consistency is smooth. When completely free of lumps, add the mixture to the boiling water in the saucepan. Stir the mixture for two to three minutes, gently boiling until the mixture thickens. Allow mixture to cool before using.

Recycling Ideas – What do I do with my used newspaper?

- Newspaper is a great odor absorber. Stuff crumpled newspaper into your shoes or boots overnight to get rid of nasty foot odor. If your plastic containers smell bad, fill them with crumpled paper and seal overnight to remove the stink.
- Spreading flat or shredded newspaper around the base of, or between rows of, your outdoor plants and then giving everything a thorough watering will help discourage weed growth and act as garden mulch.
- After you clean your glass surfaces with paper towels and glass cleaner, use wadded-up newspaper for a final once-over. Bye-bye, streaks!
- Newspaper cut into even strips makes the perfect papier-mâché material – just ask the thousands of kids who have made papier-mâché animals for the Fair during the past six years.
