### Washington State Veterinarian's Regulations

All Out-of-State horses are required to have an ownership inspection (brand) from the state of origin prior to entering the fair. All Out-of-State horses are required to obtain a certificate of veterinary inspection except for Idaho and Oregon horses traveling into Washington with their owners in personal vehicles for roundtrip visits of not more than 96 hours provided the fair management provides veterinary inspection on arrival and rejects any unhealthy animals. This exemption does not apply during emergency disease conditions declared by the State Veterinarian or extend to any required testing. All out-of-state horses over 6 months of age are required to have evidence of a negative test for EIA (equine infectious anemia) within **12** months of entry. Horses from Oregon are exempt from the EIA test. Any horses coming from Texas must call 360-902-1878 for special instructions for entry requirements. No animal from a quarantined area or premises may be permitted to enter the Fair. The Out-of-State exhibitor's permit number for the 2010 Fair is 91-WA0951. Your veterinarian need not call the Washington State Department of Agriculture if they use this permit number on health certificates. A new number will be issued each year. The Fair Veterinarian **MUST AND WILL** reject any animal with infectious or a contagious diseases or ectoparasites including, but not limited to, ringworm, warts, pinkeye, strangles, contagious ecthyma, scabies, lice, mites, ticks and fleas. Animals exhibiting disease symptoms during the course of the Fair will be rejected by the Fair veterinarian and removed from the exhibit area. The Fair veterinarian's professional decision as to the health status of an animal will be final and be upheld by Fair Management. Exhibitors needing veterinary services will call their own veterinarian at their own expense.

### HORSE DEPARTMENT INFORMATION

**COMPLETING ENTRY FORMS:** Entries will be limited to a first-come / first-served basis should the Fair run out of room to house the animals. All exhibitors must use entry form found at the conclusion of the book and they must be postmarked on or before August 10, to Fair Entries, 404 N Havana Street Ste 1, Spokane Valley WA 99202-4663. Particular care should be given in the preparation of all entry forms. Full and correct information must be given. Please list affiliated club / group on entry form for housing purposes. Staff will be available in Bay 4 from 4:00 to 7:00 p.m. on August 10 to assist you with your entry form if needed. If housing remains, late entries will be accepted with entry fees doubled. No refund of entry or camping fees

will be made. Department AA exhibitors are encouraged to enter Class 10 or 39 for all registered breeds not specifically listed. Should ten or more animals of the same breed be entered in either Class 7 or 8 – they will be split out from this class and judged as a separate class. A copy of the registration papers must be attached to entry form. Horses that do not have registration papers must be shown as Grade. Exhibitors showing two or more horses are required to pay entry fees on each horse (except mare and foal class which counts as one). All exhibitors must show at least one horse in halter or showmanship to be eligible to compete in riding classes including the O-Mok-See. A horse can only be shown by one exhibitor and only in one department.

**ARRIVING AT THE FAIR:** Please take animals to the livestock gate on Broadway Avenue for check-in. The Horse Superintendent and/or Fair Veterinarian will make the initial inspections for entry into the Fair. The Fair Veterinarian's professional decision as to the health status of an animal will be final and will be upheld by the SCF&EC Advisory Board and Fair Management. Only animals competing at the Fair will be allowed to be stalled on the grounds. Animal exhibits will not be allowed on the grounds until the arrival time as listed prior. Please contact the Superintendent if you are unable to arrive during designated times. Horses arriving, with prior Superintendent approval, outside of check-in hours as stated in their respective departments will need to adhere to current Fair and Expo Center policy including, but not limited to, quarantine, until inspected by the Fair Veterinarian and/or Superintendent. Horses will be unloaded and put into assigned stall and can only be removed for stall cleaning, scheduled showing, and exercising. Tying out on wash rack is permitted only for spot cleaning. Animals may be taken to designated areas only. The Superintendent shall assign stalls to exhibitors and such decisions will be final. Stall cards must be displayed at each area in order to receive prize money. The Fair will furnish bedding. Fresh bedding / shavings will be available in bins or areas near the buildings where exhibits are located. Bedding / shavings will NOT be delivered to each exhibitor's stalling area. Stall cleaning, new bedding, and the cleaning of aisles must be completed prior to 8:00 a.m. Grain shall be furnished by the exhibitor. Hay will be for sale on the grounds. Fans in the barns are prohibited. All horses shall be properly trimmed or shod, groomed, etc., before coming to the Fair. Horseshoeing and trimming are not permitted on the grounds except in the case of an emergency and with prior approval from the Superintendent. A mandatory exhibitors meeting will be held for all exhibitors at 9:00 p.m. on the day of their arrival. Rules regarding exercise and show times will be explained at the mandatory meeting.

**PASSES (YOUTH):** Youth exhibitor will be issued a punch pass for the \$5.00 entry fee allowing the youth exhibitor entrance into the Fair to care for their animal. At the same time, parents or guardians may purchase a \$15.00 attendant pass (as of entry deadline). Attendant passes will be \$20.00 after entry deadline. Attendant passes will be limited to a maximum of two per youth exhibitor. A person must have an animal on the grounds prior to receiving passes from the Livestock Office.

**SHOWING AT THE FAIR:** This year's judge will be \_\_\_\_\_. Show schedules will be posted conspicuously and they will run in the order listed. Deviations from the order may occur due to facility accommodation, however all changes will be communicated in advance (appeal to the judge may be available due to cause). When class is called, it is exhibitor's responsibility to be ready to show. An animal that is not physically fit shall NOT be shown or displayed. At the discretion of the General Livestock Superintendent or Department Superintendent, an exhibit can be excluded from showing if that animal is not fitted or properly prepared for the Fair. Exhibitors entered into the Interstate Fair are required to maintain a level of conduct compatible with the Show Ring Ethics. Violation of Show Ring Ethics and/or violation of Department Rules shall, at the discretion of the Superintendent, forfeit exhibitor's prize money and/or forfeit continued eligibility in Fair competition. Persons found in violation shall be required to immediately leave the barn with their animal(s) and return any / all Fair passes, day tickets, or other competition issued coupons / tickets. The Fair will not be responsible for injury to persons or any property damaged as a result of showing livestock. Exhibitors using unusual / visible animal restraint devices must obtain approval of the Livestock Superintendent. Exhibitor must post a written explanation for the restraint device. Each animal shall be placed according to the decision of the judge and such placing shall be final. Anyone interfering with a judge will forfeit the right of prize money. Any protest regarding the judging shall be made in writing and must be accompanied by a \$25.00 deposit. Such protest must state plainly the cause of the complaint or appeal and must be filed with the Fair Office within 24 hours after the cause of the protest. If the Fair sustains the appeal, the fee will be refunded. The Fair reserves the right to cancel or combine classes as needed, as well as substitute judges. Classes may be combined or cancelled due to number of entries. If there is no competition in a class for two years, the class may be dropped. Unless participating in the on-going show, horses should be kept in the stall at all times except when permission is granted by the Superintendent (in situations such as colic, physical debility, nervousness or a cool-out period after a Western Games event). Horses should be neatly groomed and clean while on display to the public. Sweaty horses shall be brushed out properly. All tack is to be removed from the horse as soon as possible after the completion of classes. Blankets, hoods, and leg wraps must be removed by 10:00 a.m. and may not be put back on until after 8:00 p.m. Whenever the exhibitor is leading the horse from the stall to the arena, they must be followed by a herdsman. ## SHOW RING ETHICS

Exhibitors of animals at livestock shows shall at all times deport themselves with honesty and good sportsmanship. Their conduct in this competitive environment shall always reflect the highest standards of honor and dignity to promote the advancement of agricultural education. This code applies to junior as well as open class exhibitors who compete in structured classes of competition. This code applies to all livestock offered in any event at a livestock show.

All youth leaders working with junior exhibitors are under an affirmative responsibility to do more than avoid improper conduct or questionable acts. Their moral values must be so certain and positive that those younger and more pliable will be influenced by their fine example. Owners, exhibitors, fitters, trainers and absolutely responsible persons who violate the code of ethics will forfeit prize money, awards and auction proceeds and shall be prohibited from future exhibition in accordance with the rules adopted by the respective fairs and livestock shows. Exhibitors who violate this code of ethics demean the integrity of all livestock exhibitors and should be prohibited from competition at all livestock shows in the United States and Canada. The following is a list of guidelines for all exhibitors and all livestock in competitive events.

1. All exhibitors must present, upon request of the Fair and livestock show officials, proof of ownership, length of ownership, and age of all animals entered. Misrepresentation of ownership, age, or any facts relating thereto is prohibited.
2. Owners, exhibitors, fitters, trainers, or absolutely responsible persons shall provide animal health certificates from licensed veterinarians upon request by fair or livestock show officials.
3. Junior exhibitors are expected to care for and groom their animals while at fairs or livestock shows.
4. Animals shall be presented to show events where they will enter the food chain free of violative drug residues. The act of entering an animal in a livestock show is the giving of consent by the owner, exhibitor, fitter, trainer and/or absolutely responsible person for show management to obtain any specimens of urine, saliva, blood, or other substances from the animal to be used in testing. Animals not entered in an event which culminates with the animal entering the food chain shall not be administered drugs other than in accordance with applicable federal, state and provincial statutes, regulations and rules. Livestock shall not be exhibited if the drugs administered in accordance with federal, state and provincial statutes, regulations and rules affect the animal's performance or appearance at the event.  
If the laboratory report on the analysis of saliva, urine, blood, or other sample taken from livestock indicates the presence of forbidden drugs or medication, this shall be prima facie evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample of urine, saliva, blood, or other substance tested by the laboratory to which it is sent is the one taken from the animal in question, its integrity is preserved and all procedures of said collection and preservation, transfer to the laboratory and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the owner, exhibitor, fitter, trainer, or absolutely responsible person to prove otherwise. All treatments involving the use of drugs and/or medications for the sole purpose of protecting the health of the animal shall be administered by a licensed veterinarian any time after an animal arrives on the Fair premises.
5. Any surgical procedure or injection of any foreign substance or drug or the external application of any substance (irritant, counterirritant, or similar substance) which could affect the animal's performance or alter its natural contour, conformation, or appearance, except external applications of substances to the hoofs or horns of animals which affect appearance only and except for surgical procedures performed by a duly licensed veterinarian for the sole purpose of protecting the health of the animal, is prohibited.
6. The use of showing and/or handling practices or devices such as striking animals to cause swelling, using electrical contrivance, or other similar practices are not acceptable and are prohibited.
7. Direct criticism or interference with the judge, fair or livestock show management, other exhibitors, breed representatives, or show officials before, during, or after the competitive event is prohibited. In the furtherance of their official duty, all judges, fair and livestock show management, or other show officials shall be treated with courtesy, cooperation and respect and no person shall direct abusive or threatening conduct toward them.
8. No owner, exhibitor, fitter, trainer, or absolutely responsible person shall conspire with another person or persons to intentionally violate this code of ethics or knowingly contribute or cooperate with another person or persons either by affirmative action or inaction to violate this code of ethics. Violation of this rule shall subject such individual to disciplinary action.
9. The application of this code of ethics provides for absolute responsibility for an animal's condition by an owner, exhibitor, fitter, trainer, or participant whether or not he or she was actually instrumental in or had actual knowledge of the treatment of the animal in contravention of this code of ethics.
10. The act of entering an animal is the giving of consent by the owner, exhibitor, fitter, trainer, or absolutely responsible person to have disciplinary action taken by the fair or livestock show for violation of this Code of Show Ring Ethics and any other rules of competition of the fair or livestock show without recourse against the fair or livestock show. The act of entering an animal is the giving of consent that any proceedings or disciplinary action taken by the fair or livestock show may be published with the name of the violator or violators in any publication of the International Assn of Fairs and Expositions, including Fairs and Expositions and any special notices to members.
11. The act of entering an animal in a fair or livestock show is the giving of verification by the owner, exhibitor, fitter, trainer, or absolutely responsible person that he or she has read the Code of Show Ring Ethics and understands the consequences of and penalties provided for actions prohibited by the code. It is further a consent that any action which contravenes these rules and is also in violation of federal, state, or provincial statutes, regulations, or rules may be released to appropriate law enforcement authorities with jurisdiction over such infractions.
