Mike,

Please note that I will be away from the area this coming Monday and cannot attend the meeting for second approval.

Please register my vote/expression of concensus as affirmative. This is both for myself and for the Palisades neighborhood organization, Palisades Northwest.

Again, I would like the record to note that I and we (Palisades) are disappointed that the City of Spokane has forced us into dropping an important provision of the plan as it has been developed to date.

Thanks very much.

Craig
