Minutes not taken during last month's meeting.

Business

Chair Chief Metzger

Members please share your update on last month's assignments:

Check-in with WSP:

- Request weigh-station data from WSP on truck deficiencies and citations given that may affect public safety due to hazmat. Gabe with WSP is checking on data availability and how the LEPC can request this information.
- A proposed Rail Staging area in Spangle may become part of the Commodity Flow Study's concern. An inspection took place by EPA on May 21, 2018.
- In Attendance: Chief Metzger, Chief Rohrbach, FD3 Commissioner Colby, GSEM Dep. Director Fox, LEPC Liaison Bozarth.
- The CFS committee has contacted Spokane Regional Transportation Council (SRTC) to see how their processes, procedures, and data can assist and coordinate with the Subcommittee. Mike Ulrich from SRTC has been too busy to review the CFS. The CFS Subcommittee will take the summer off to coincide with the next two LEPC meetings that have been canceled. Gerry will keep up with progress over the summer with Mike and his recommendations.

New Business

- Gerry will report on the 2018 Tribal LEPC Conference held in Shelton, WA on June 6-8th

- Report on September's Joint LEPC meeting with Kootenai Co. – This may be a different day than our usual Third/Wednesday.

Carry over – Future - Field Trips? – meetings at partner locations in the coming months? Any progress on scheduling for 2018?

Holly Energy – Future/Fall 2018

July and August meetings will be canceled due to Fire Season and vacations of membership.

Sept. minutes reflected: ***Possibilities include: Spokane International Airport, FAFB HazMat Team, BNSF Fueling Depot.***
