Is there Wi-Fi service available here at the Fair? If so, how do I access it?

One of the most frequent questions we get at the Fair is "How do I access the Wi-Fi"? The Fair and Expo Center has FREE Wi-Fi on two separate networks. One is open to the public and the other is open to you as vendors.

1. **Fair Public Wi-Fi** – No password required.
2. **Fair Vendor Wi-Fi** – **Login:** vendor
Password: SpocoF@ir404!

Are parking tickets still available for us as vendors to purchase?

Parking on the grounds this year requires one of three things; a hanging parking pass, a prepaid parking ticket (\$2.00), or \$5.00 cash. Hanging parking passes allow you come and go privileges; parking tickets are a one-time entrance. Orange passes are accepted through the Red Gate off Broadway on the east end. Green, Purple, or Red passes are accepted from Havana entrances. Parking Passes and Parking Tickets are available in the office through tomorrow night at closing. After Monday at 6:00 p.m., those without prepaid passes or tickets will need to pay \$5.00 per entrance to the lot. Don't miss this opportunity to buy now!

VENDOR SPLENDOR

Congratulations to this year's "Best of the Fair Food" contest! These dishes truly were spectacular and we can't wait to share these beautiful dishes with our friends on social media and with the press.

- Best Signature Dish – Azar's Gyro Fries
- Best Dessert – Big Bear's Ultimate Turtle Fudge
- Best Deep Fried – Mary Lou's Huckleberry Elephant Ear
- Best Creative Dish – Raspados' Jarrito Loco

Honorary mentions went to VFV's P51 Meal and MacDaddy's Pulled Pork Mac.

DOING OUR PART...MASKING UP

The Fair Office has fielded several complaints from our fair guests regarding mask wearing by our vendors. Currently, the Governor's mandate states that masks are to be worn inside the buildings. Beginning tomorrow (Monday), the mandate has been amended to read "inside and outside at all events larger than 500 people". First and foremost, those coming to the fair have expectations of safety and compliance by all of us doing our part. We have masks available for the guests at each of the gates and signage is up stating the guidelines. Although we cannot necessarily remind each and every individual of the mandate that attends the fair, we can monitor "our own". Some fairs across the State are imposing fines on vendors that are not wearing their masks while others have closed down booths that would not adhere. At the Interstate Fair, we want to believe that we are all in this together and that we all understand the importance of keeping our community safe, abiding by the mandate, and working together to keep the fair open in 2021 for those that want to shop, eat, ride the rides, visit the animals, see the exhibits, take in the entertainment, and enjoy their annual tradition of time with their family and friends. We can do this, together.
