WE Fair’s Department Superintendents are indeed the best in the State and we are extremely grateful for all that they do! DOING OUR PART…MASKING UP

Yesterday, the Fair and Expo Center Director received a call from the Washington State Department of Health following up on complaints filed regarding those at the fair (vendors, exhibitors, etc.) not adhering to the Governor’s mask mandate. We really have to have everyone doing their part!

The Governor’s mandate (effective 9/13/21) states that masks must be worn by those inside and outside at all events larger than 500 people.

As a reminder, you (or your company head) signed an agreement with the Fair that states in Section 15 (commercial vendors) or Section 16 (food vendors) that the “Licensee is fully aware of risks and hazards connected with the activity, including potential exposure to the COVID-19 virus and hereby agrees to comply with all Federal, State, and Spokane Regional Health District requirements.”

Failure to abide by the Governor’s mandate is a breach of your agreement and may result in a fine and/or closure of your booth. We have all worked very hard to open the Fair this year and we need your help to keep it open. Please do your part and mask up.
