

COMMUNITY ORGANIZATIONS ACTIVE IN DISASTER

Vision

To create a community resilient from disasters.

Mission

Be prepared by bringing together partners and individuals for greater community resiliency within the greater Spokane area through cooperation, coordination, collaboration and communications.

Purpose

The Spokane County COAD is working to bring together organizations, agencies and businesses to promote mitigation and preparedness activities and to efficiently respond to disasters and recover therefrom. The COAD is a coordinating organization and does not assume direct operational responsibility in any disaster situation.

Building a resilient community.
