

Viewing Watershed Boundaries (WRIA) in SCOUT

There are two ways to view the boundaries for a property.

Start by going to <http://maps.spokanecounty.org>.

- 1.) Click on the Layers Menu , then Critical Areas, then there's a checkbox for Watershed Boundaries (WRIA)

See page 2 for alternate option.

2.) Click on any property on the map, then click on the Districts tab, and the bottom row is Watershed Boundary (WRIA) information & a link to the Hirst Decision information page on Spokane County's website.
