A 552-acre conservation area containing seven miles of trail, a property tax on all lands within Spokane County. Enabled by the Washington State Legislature in 1971, Spokane County adopted and began a local program in 1994. The Program levies up to $6.25 cents per $1,000 value (the present levy amount is 44.53 cents per $1,000 value) on all properties within Spokane County. This equates to approximately $1.7 million dollars a year. Spokane County’s Conservation Futures Program is intended to protect, preserve, maintain, enhance, restore, limit the future use of or otherwise conserve selected open space land, farmland, forests, wetlands, wildlife habitats, and other lands having significant recreational, social, scenic or aesthetic values within the boundaries of Spokane County. Please visit www.spokeancounty.org/parks for more information on these properties and the Conservation Futures Program.
