BE IT RESOLVED BY THE BOARD OF DIRECTORS OF CENTRAL VALLEY SCHOOL DISTRICT NO. 356, SPOKANE COUNTY, WASHINGTON, as follows:

WHEREAS, Central Valley School District No. 356, Spokane County, Washington (the "District"), is a first-class school district duly organized and existing under and by virtue of the Constitution and the laws of the state of Washington (the "State") now in effect;

WHEREAS, calendar year 2018 is the last year of collection for the District's current General Fund maintenance and operations levy. A portion of the District's expiring General Fund maintenance and operations tax levy provided funding for the District's school programs and operations;

WHEREAS, the Board of Directors of the District (the "Board") hereby determines that with the expiration of the District's current General Fund maintenance and operations levy, money which will be available for the District's General Fund during the 2018-2019, 2019-2020, 2020-2021 and 2021-2022 school years will be insufficient to provide continued funding for the District's school programs and operations during those school years, and that it is necessary that excess tax levies be made for the District's General Fund to provide funding for approximately the same school programs and operations as the District's expiring General Fund maintenance and operations levy;

WHEREAS, pursuant to RCW 84.52.053, the District may authorize two-year through four-year school programs and operations levies when authorized to do so by a simple majority of the qualified electors of the District;

WHEREAS, to provide properly for school programs and operations funding, the Board hereby deems it necessary and advisable that: (1) an excess tax of approximately \$1.50 per \$1,000 of assessed valuation, to provide an aggregate amount of \$13,646,750, be levied in 2018 as part of the taxes to be collected in 2019; (2) an excess tax of approximately \$1.50 per \$1,000 of assessed valuation, to provide an aggregate amount of \$14,738,500 be levied in 2019 as part of the taxes to be collected in 2020; and (3) an excess tax of approximately \$1.50 per \$1,000 of assessed valuation, to provide an aggregate amount of \$15,915,500, be levied in 2020 as part of

the taxes to be collected in 2021, with such excess taxes to be deposited into the District's General Fund and used for continued funding for the District's school programs and operations. The exact tax levy rate and amount to be collected may be adjusted based on the actual assessed value of the taxable property within the District and the limitations imposed by law at the time of the levy;

WHEREAS, the Constitution and the laws of the State require that the proposition of whether or not such excess taxes may be levied must be submitted to the qualified electors of the District for their approval or rejection; and

WHEREAS, the Board deems it necessary and advisable to place the proposition for such excess tax levies before the qualified electors of the District at an election to be held within the District on February 13, 2018;

NOW, THEREFORE, IT IS HEREBY FOUND, DETERMINED AND ORDERED, as follows:

**Section 1.** The Board hereby determines that the best interests of the students and other residents of the District require the District to place before the qualified electors of the District, for their approval or rejection, the issue of whether excess property taxes should be levied within the District to provide school programs and operations funding for the District.

**Section 2.** To provide money for continued funding for the District's school programs and operations as described in Section 3 below, the following taxes for the District's General Fund shall be levied upon all taxable property within the District in excess of the maximum annual tax levy permitted by law without voter approval.

2020	1.50	14,738,500
2021	1.50	15,915,500

**Section 3.** If the proposition specified in Section 6 below is approved by the qualified electors of the District as required by the Constitution and the laws of the State, the District shall be authorized to use such levy proceeds during the 2018-2019, 2019-2020, 2020-2021 and 2021-2022 school years to provide school programs and operations funding for the District, or such other District eligible activities or enhancements, as may be authorized or allowed by law for the use of such levies and deemed necessary and advisable by the Board.

**Section 4.** Upon approval of such proposition, the District may issue warrants, bonds or other lawful indebtedness against the District's General Fund for such school programs and operations.
