

SPOKANE COUNTY
SHERIFF
SHERIFF OZZIE D. KNEZOVICH

News Release

Deputy Mark Gregory
Office: (509) 477-3287
Cell: (509) 850-6499

Attention: Training Opportunity for Professors, Teachers, Students, Office Staff, Retail and Healthcare Workers

Situational Awareness - Increase Survivability

Spokane County Sheriff's Office Training Unit is hosting this training opportunity where you will learn important information intended to help you increase your situational awareness, decision making and knowledge in human dynamics (biometrics, kinesics, proxemics). These new tools may help you recognize clues and indicators, which could assist in identifying potential problems early, allowing them to be addressed before a critical incident occurs.

This a 4-hour course and we currently have two dates scheduled for your convenience. The cost for this course is \$50 per attendee; however, the first 5 teachers to email Anthony Anderman at anderman@i2solutionllc.com will receive FREE admission.

Situational Awareness - Increase Survivability Course
