

COMMERCIAL WATER USAGE ESTIMATE FORM

ENVIRONMENTAL SERVICES DEPARTMENT

Kevin R. Cooke, P.E., Environmental Services Director

DATE: _____

TO: Spokane County Environmental Services Department

FROM: _____ (Please Print Name)

TITLE: _____

SUBJECT: Water Usage For: _____

Address: _____ Parcel No: _____

The estimated annual non-irrigation water usage for the subject property is _____ cubic feet.

Notes:

1. Sewer connection charges will initially be based upon this estimate
2. The number of Equivalent Residential Units (ERUs) initially assigned to the property will be based upon an allowance of 800 cubic feet per month per ERU.
3. If the actual future non-irrigation water usage exceeds the estimate presented above, additional sewer connection charges will become due.
4. The monthly sewer service fees for the property will be determined based upon the sewer service fee rates in effect, which are subject to change over time.
5. The County will periodically review the water usage for the property to make appropriate billing adjustments.
