MEET THE WESTCARE FOUNDATION, YOUR COMMUNITY'S AMERICASERVES COORDINATION CENTER.

WestCare's nonprofit family has provided direct services to Veterans and their families since its inception in 1966. Since March of 2017, the WestCare Foundation has served as the coordination center for the WAServes network. The truly world class team members located within the coordination center serve as the conduit between Washington's military connected residents and the networks 80+ service providers and is determined to provide timely and personalized service to our nations veterans and their families, at no cost.

WAServes is the best way to go. The simplicity of sending an email for help and getting a call in one day. I want to give a shout out to Andrea Talmadge from WAServes, who eased my moments of panic and urgency in securing employment. I recommend WAServes to any military connected individual who may be seeking assistance, this is the place to start...
