Crime Prevention Video Identification Program

Do You Have a Video Surveillance System and Want to Help Solve Crimes? Become a Voluntary VIP (Video Identification Program)

Spokane County Sheriff's Office and Spokane Valley Police would like to join with you to potentially solve crimes or locate evidence of crimes, faster and more effectively. We are asking business and private residences to advise us if they have recorded surveillance systems and whom we would contact if a significant incident occurred in their area.

The Video Identification Program (VIP) is a voluntary program where businesses or private residences can let us know where camera surveillance systems are located, the direction the cameras are facing, how long the recordings are stored and whom to contact if the cameras are suspected of possibly recording anything of evidentiary value.

This type of information would help investigators know where to start first, possibly leading to suspect information, vehicle description or other needed information that could immediately aid in the investigation. We will continue to go door to door and make contact to ensure we have all the evidence possible, but with the VIP Program, we would know where video might be within minutes instead of hours.

We are appreciative and thankful for our community's support and with your help, the VIP Program could be an extremely valuable asset to investigators and/or first responders, providing them with exact locations and contact information of possible video locations immediately while they work to keep our community safe.

To sign up, go to the Spokane County Sheriff's Office website and click on the [VIP icon](#), enter your information and voilà, you're a VIP.

Distracted driving is against the law

There are many things that \$136.00 can buy, don't let a traffic ticket for distracted driving be one of them.

If you are behind the wheel DON'T:

- Hold your phone while driving even if you are stopped at a traffic light.
- Type messages on devices; cell phones, laptops
- Watch movies or videos

If you are behind the wheel DO:

- Use hands free devices or speaker phone
- Pay attention to the road.
- Pull over if you need to make a call or text.
- Focus, drive and stay alive!

Free National Night Out Community Events!!

If you are not having a party, consider attending one!

National Night Out parties happening on August 6th

- Molina Healthcare

And more!

The Spokane County Sheriff's Office, Spokane Valley Police Department, and SCOPE invite you to **National Night Out!** You're invited to turn on your porch lights, lock your doors and spend the evening with neighbors and public safety officials to join forces with thousands of other communities nationwide for the **36th** annual National Night Out against Crime on Tuesday, August 6th, 2019. Bring your neighbors in to collaborate ideas for fun activities for children and adults. You can have live bands, bake off parties, BBQ's, Ice Cream Socials, bounce houses or whatever else you can think of to keep your party fun and lively. Remember, this is a great time to get educated about crime prevention and to think about starting a Neighborhood Watch! There will be over 38 million neighborhood participating this year, will you be one of them?

Party Planning Idea list

National Night Out Planning guide and tips to help you get started.

Keep it simple!

Order bounce houses for the kids, rent a movie screen or have a potluck where everyone brings a dish. Spend as much or as little as you want.

Get people involved.

- Talk to your neighbors about having a block party.
- Find out if anyone has any special skills or has items that they would like to share (back-yard pool, large grill, ice cream or ice cone maker)
- Ask local businesses to donate to your party

Plan early

- At 8 weeks, start sending out information about your event.
- Meet often to stay on track
- Send out reminders at 6, 4, 2 and 1 week prior to the event

Host a party with a theme.

- Luau's
 - 50's, 80's or roaring 20's theme
 - Western themed (red and white plaid table cloths, hay stacks to sit on, lemonade, cowboy hats, boots and shirts, etc.)
 - Fiesta
 - Beach party
 - Dessert only (cookies, make your own sundae, etc.), or best baked pie or dessert
 - Coordinate something that can be distinct for your neighborhood (everyone on the block use blue porch lights or dress the house in red, white and blue streamers
 - Have a parade and dress up your animals or the kids and adults.
 - Water Balloon Fights
 - Pie Eating Contest
 - Talent Show
 - Bingo
 - Scavenger Hunt
 - Cake Walk
 - Invite a band
 - Have an evening campout and roast hot dogs and make smore's
 - Have a battle of the grills to see who can make the best burgers or the tastiest bbq chicken
- *Have everyone dress up in red, white and blue in honor of National Night Out

Do something for your community.

- Invite a band
- Organize a community clean-up
- Donate time to SCRAPS, food kitchen's or the Union Gospel Mission.
- Exchange items that are not being used
- Help a neighbor (home that needs painting or yard clean-up).
- Collect items to donate to charity

Please remember to get your registration form in to be able to receive visitors. And, don't forget to have your form in by July 19th, 2019 for your chance to win a hot dog dinner for 25 guest!

We Want Your Help!

National Night Out is an event that supports law enforcement, businesses and the community in the fight against drugs and crime. We are looking for businesses that are interested in participating in one of the many parties that will be happening in and around the county this year on August 6th.

If you are interested in supporting a local party by donating a product, space, food or would like to take part, or would like more information, please contact:

**The Neighborhood Watch Coordinator,
Venus Delcambre-Morris @ 509-477-3055, or
Vdelcambremorris@spokanesherriff.org.**

A must read for all residential block parties

Must register your party with the Neighborhood Watch coordinator to receive visitors from the County and City of Spokane Valley.

◆ **Consider registering your party on the <https://natw.org> registration website. Registration is free.**

◆ Coordinate with your neighbors about coming together for the event, or what you would like to do and let them know that their may be some noise involved the evening of the gathering.

◆ If you do not live on an arterial street you can close the street to traffic **HOWEVER**, please do not close intersections and do **NOT** use cars to block off your street.

◆ Remember that not all neighbors will want to participate, so please be courteous.

◆ Your neighbors need to be able to drive in and out of the area with ease.

◆ Please allow access for emergency vehicles to enter and exit the block freely.

◆ Keep tables and other set up on one side of the street to keep street open for residents that need to pass.

◆ Lastly, **you will not need a permit to have a neighborhood party.** NNO out parties that are located on public property will need to pay a \$50.00 permit fee. Call the NW Coordinator to if you need more information.

**Have questions? Contact :
Neighborhood Watch Coordinator
@ 509-477-3055**

E-mail vdelcambremorris@spokanesherriff.org

Police-Community Partnerships
August 6th, 2019

Are you having a party? Get your registration in by July 19th and have your name entered into a drawing for a party package for 25 which include a hot dog dinner (hot dogs, chips and fixings), a cake and a National Night Out banner, table cloth and name tags.

Registration Form

You will receive a confirmation e-mail for your submitted registration

Crime Prevention information hand outs for your party attendees available on request. Including children's packets.

Spokane Valley, WA 99216 or,
Fax to: 509-893-3906 or e-mail Vdelcambremorris@spokanesherriff.org
If you have any questions, please contact the Neighborhood Watch Coordinator at 509-477-3055

*****Note: Parties in the City of Spokane need to contact Maurece Vulcano with Spokane COPS 509-625-3301*****

Please look on page 3 for residential party guidelines.

Vehicle Prowlings

Deputy David Morris

Vehicle prowling: When a car is illegally entered and many times items get stolen and sometimes damaged.

Spring is in full swing and many people are heading out to enjoy the beautiful outdoors! People are hiking, biking, fishing, rock climbing, riding motorcycles and more; it is easy to understand why this is the favorite time of year for many people. However, while you are going out and enjoying your leisure and or fitness activities and don't forget that thieves are also out! More thieves are out stealing this time of year than in the winter months. One of their easiest targets are motor vehicles (cars, vans, sport utility vehicles, pickups

etc.). Thieves will get out to not only enjoy the weather, but to also break into your car and steal your stuff! They particularly will target trailhead parking lots, and parking lots at businesses. Basically, anywhere people leave their car for a few minutes or a few hours, thieves will come by and look for things to steal.

The first thing they might do is to jiggle the door handle to see if your vehicle is locked. If it isn't, then they get inside and look in your glove box, center console, under the seats and of course look at your bags and containers inside. If your car is locked, the next thing they will do is look through the windows for something to take. If they see something with potential value, they will smash your window and get at it. Whether it might be an empty backpack or one stuffed with dirty gym clothes, it's worth it to the thief to smash the window and see if you left something valuable inside. Thieves will smash your window for pocket change, a car charger, or sunglasses... even very inexpensive sunglasses. Just because you think it is cheap, doesn't mean a thief won't break your car window to get it.

Your best defense is to 1) Lock your vehicle, and 2) Keep valuables out of sight. Put your valuables in the trunk, or better yet, carry them with you. Don't leave backpacks, diaper bags, gym bags or purses in sight inside your empty vehicle. During times of darkness, park in well-lighted areas so would-be thieves don't have a good hiding spot to do their dirty work.

Car alarms are highly recommended. Also, when you hear a car alarm go off, I hope you will stop what you are doing and look. If it appears a crime is occurring, or just occurred, please call **911**. You might want to consider carrying your vehicle registration paperwork and proof of insurance on you. If a thief prowls your car, they can get those documents and then they would have your home address. You must have those documents on-hand to present to a law enforcement officer if you get stopped, but you don't need to leave them unattended in your car. Also, please don't ever leave your car running, "just for a second" while you go into a store, business, or back into your house. It creates an opportunity for a thief to steal your whole car!

Car prowlings can happen in any neighborhood or area, so be mindful while you are out having fun and be watchful of your surroundings. If you see suspicious activity call 911 or Crime Check at 509-456-2233. In fact, just about any time you need help from law enforcement anywhere in Spokane, or Spokane County you should start by calling Crime Check at 509-456-2233.

If you have questions, feel free to reach out to a crime prevention deputy for more information. dwmorris@spokanesherriff.org.

Please, don't be a victim of SCAMS

Scams are happening by phone, internet and mail.

There are lottery scams, IRS/ Government scams, Data Breach/ Bank scams, Jury Duty scams, Debt collection scams, Grandparent scams and many more. The most common theme in these scams are:

High pressure for payment

Payment has to be made right away, they want money now!

Threats of arrest

Threats of immediate arrest if payment is not made at that time.

No face to face interaction

Payment over the phone.

Constant contact

The scammers want you to stay on the phone while you go to buy an I-Tunes card, prepaid Visa or Master card, money order or some other form of payment or gift card. Once you have card, they will ask you to reveal the number on the back of the card and give it to them. They don't want to lose the contact so as to not give you a moment to think about what is happening.

STOP! Think before you act. Scammers want to keep you confused and in fear. Look for these common themes in your interaction with the scammer and never call a number that they give you. Instead, hang up and call the company that they say they are calling you from using the Yellow pages.

Contact the Crime Prevention Unit for more information.

Unincorporated Spokane County
Deputy David Morris
509-477-6044

Or,

Spokane City of the Valley
Deputy Chris Johnston
509-389-2771

Reflective Address Sign

A reflective address sign or marker helps emergency responders find you quickly and easily. Address numbers on curbs can erode and can get covered up with snow in winter, and address numbers on homes are often not easy to find- day or night. These signs have reflective material on both sides and are highly reflective day or night. They are preferred by responders, especially if placed right by the street at the entrance to your home.

The signs are 6” x 18” and have 3” numbers on one or both sides of the sign. In addition, they have pre-drilled holes that make them easy to mount.

Signs are \$15 and help support S.C.O.P.E. (Sheriff Community Oriented Policing Effort).

If you’d like to order a sign, please contact S.C.O.P.E. East at (509) 922-3150.

Signs are available 2 weeks after purchase.

Help Us find You Reflective Address Markers

Order your reflective address marker today!

Features: Green and white reflective numbers, 6”x18”, pre-drilled, highly visible during the day and at night, and reflective on both sides (on request), with 3-inch letters. \$15.00 per sign.

Reflective address sign order form Date ordered _____

KNOW YOUR LOCATION

Spokane County 9-1-1 is conducting a “Know Your Location” campaign to educate and remind the community to be aware of their surroundings at all times as you may need emergency attention.

Spokane County 911 is reminding everyone how important it is to KNOW YOUR LOCATION. Today people rely on their mobile devices and vehicles more than ever to identify their location and assist with directions. These advances are helpful for communicating location information, however they are not fool proof. No matter what, if you call 911 for help, the call receiver is going to ask you where you are located. It is necessary and best practice to confirm your location with the data that is being transmitted. Our job is to provide the most accurate information to those dispatching first- responders to they can get to you as quickly as possible.

“If Uber can find me, why can’t you?”

We hear this question often. When you use smart phone apps (like Uber) that can find your location, you are “opting in” or giving permission for your phone to send your location. Cellular services have significantly advanced in location information. However, your cell carrier is the one who provides the technology to do this (most do) and your phone must be able to accept and transmit the information. Location accuracy can range from hundreds of yards or within feet. Taking the time to be observant and proactive with identifying where you are can save valuable time in an emergency. This is why it’s important to,

“KNOW YOUR LOCATION”

Quick TIPS:

TIP: Know the address of your workplace, including suite or room number.

TIP: Know the address or locations of places you frequent often such as friends and relatives homes, the gym or church.

TIP: When enjoying the outdoors, know the general area of where you are going and share your location such as a trailhead or landmark with someone. Include your expected time of return.

TIP: Pay attention to mile marker indicators on the highways and rural areas when traveling.

TIP: Take note of cross streets and intersections, especially if you are new to the area.

TIP: Know your directions – North, South, East and West!

TIP: Kids as young as 4 years old can learn important addresses. Have fun with teaching them by making up a fun sing-a-long that they can remember. Draw a neighborhood map adding Grandma and Grandpas and the babysitters information.

TIP: Quiz each other on addresses and locations to keep your memory fresh.

Help first responders to find you!
