

# Trueblood Settlement Phase I: Spokane Regional Service Area

Local Efforts | State Priorities | **Implementation Alignment**

# Spokane Region for Integrated Managed Care

1. Adams County
2. Ferry County
3. Lincoln County
4. Pend Oreille
5. Spokane County
6. Stevens County

# Trueblood versus Department of Social and Health Services (DSHS) aka “Trueblood”

- Contempt Fines
  - Issued as grants prior to settlement
- Settlement (December 2018)
  - Phase I: Spokane, Pierce and Southwest Regions
  - Phase II: King County Region
  - Phase III: TBD
- Fund Available
  - In total approximately \$20 Million
  - Allocations to each region(s) within Phase I still to be determined by DSHS/HCA

# Phase I Priority Categories

- Crisis Triage and Diversion Support
  - Specific reference 16 bed facility for Spokane Region
  - Specific allocation for co-deployed teams
- Education and Training
- Workforce Development

## **Crisis Triage and Diversion Support:**

- *Increase funding for Crisis Triage and Stabilization facilities, including adding 16 beds in Spokane Region.*
- *Assess the need for crisis capacity in King County and develop a plan.*
- *Expand Mobile Crisis and Co-responder Programs in which police and mental health providers work together.*
- *Provide residential supports (such as housing subsidies or emergency shelter vouchers) and case management services for select individuals involved in these systems.*

## **Education and Training:**

- *Expand behavioral health crisis training for emergency dispatchers, jail corrections officers, and patrol officers.*
- *Provide training and assistance to jails on issues affecting class members.*
- *Develop best practices for diversion and stabilization of class members.*

## **Workforce Development:**

- *Develop an enhanced Peer Support Program for individuals with specialized training in criminal justice.*
- *Integrate the use of Peer Support Specialists into systems developed within the agreement.*
- *Assess the need for training, certification, and degree programs to better meet the mental health system's workforce and training needs.*

## By “Trueblood” Priority Category – Local Efforts to Establish and Enhance:

### **Crisis Triage and Diversion Support**

1. Mental Health Crisis Stabilization Facility for Law Enforcement
2. Establishment of a Dedicated, Spokane Diversion Unit (SDU) Co-deployed Team
