	Need more parks in North Spokane	Trail system between Medical Lake-W. Medical Lake and Silver Lake	Purchase Waikiki Springs to preserve public use and wildlife corridor	Fish Lake - More grills, more picnic tables. Clean it up.	More splash pads	Preserve private parcels in Beacon Hill
	Need more hiking trails in North Spokane	West Medical Lake Campground	Preserve Little Spokane Corridor	Include Spokane River, Little Spokane, and Hangman in river trails plan.	Solar panels and park shelters	Iller Creek Trailhead Parking improvements
	Expand Bear Lake to include more hiking trails	Public Park on Silver Lake (Picnic Pines Resort)	Restore Holmberg Pool	Amenities for differently abled.	Bear Lake - Limit vehicle access to west side turf, install web and security cameras, parking is adequate, in support of the master plan, increase security presence.	Concerns about transient pop. In Dishman Hills
		Add sprinklers and sod to Fish Lake	No private land along rivers	Love your free parking		Paved bike trail from Children of the Sun to Mount Spokane
		Remove dead trees Fish Lake hillside	Veldrome bike track	Greater educational efforts on where to camp locally		Love the trailhead cameras
		Routine Patrols and Fish Lake	Trees need to be removed that are diseased and bug ridden	More info on where you are in each park (wayfinding signage).		More mountain bike trails (Mt Spokane and other locations)
		Signed wildlife crossing at Fish Lake	Name trails instead of numbers			Partner with non-profits for trail work
		Aquatic Facility at Medical Lake	Add climbing trees			Paralell parking along Upriver Drive
		Blow-up Cheney pool and build new aquatic facility	Outdoor climbing wall			More trail maintenance and development
		Less athletic fields	More historic markers			More splash pads and jungle gyms
			Add environmental educational / smokey thre bear signage			Add first aid stations at trailheads
			More swimming spots along the Little Spokane River			Preserve open space within UGA
			Add disc golf course			Need to add sign at Argonne Bridge to prevent motorized boats from traveling upriver.
