Take our survey & make your vote count!

Take your dots and make your opinions known. Mark which direction you’d like to see your County Parks, Recreation and Open Spaces take.

Here’s your chance—now take it!

Let’s Hear It!

Input gathered from workshops, displays and surveys will be used in the creation of the Spokane County Parks, Recreation and Open Space Plan. This guide will be used in the development, maintenance and acquisition of park land and programs for the next 5 years!

Watch It Happen

Your role is instrumental in the future of your parks, recreation and open space!
