ARTICLE VII
ASSESSMENTS

Section 1. Agreement to Assessments. Each Owner of any Lot, by acceptance of a deed therefor, whether it shall be so expressed in each deed, is deemed to covenant and agree to pay to the Association (1) annual assessments or charges and (2) special assessments for capital improvements. If the Owner fails to timely pay assessments within thirty (30) days of the date specified by the Association, the annual and special assessments, together with any interest, costs and any reasonable attorneys fees incurred to collect such assessments, shall be a lien on the land and shall be a continuing lien upon the property against which such assessment is made. Each such assessment, together with any interest, costs and reasonable attorneys fees incurred in attempting to collect the assessment, shall also be the personal obligation of the person who is the Owner of such property at the time when the assessment fell due. The personal obligation for delinquent
assessments shall not pass to successors in title unless expressly assumed by them. The Association shall record such liens in the office of the Spokane County Auditor.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety and welfare of the residents of the Properties and for the improvement and maintenance of the Common Areas and Common Maintenance of Easement Areas.

Section 3. Annual Assessment. The initial annual assessment shall be $180.00 per Lot. In addition, Declarant may charge a reasonable fee which shall be allocated and paid to the Declarant/Association for Plat management services provided by the Declarant. This fee shall be $100.00, and shall be paid only once by the initial purchaser on a residence within the plat. Such allocation of funds to the Declarant as the Association shall cease when the Development Period expires and the homeowner controlled Association assumes collection costs, bookkeeping, and other management responsibilities which are particularly described within the By-Laws of the Association.

The annual assessment may be increased during the Development Period to reflect increased (1) maintenance costs, (2) repair costs, (3) plat management costs or (4) entry way or other common area improvements. All increases in the annual assessment during the Development Period must directly reflect increases in the above recited costs.

(a) After the Development Period expires, the maximum annual assessment may be increased each year not more than ten percent (10%) above the maximum annual assessment for the previous year without a vote of the membership.

(b) After the Development Period expires, the maximum annual assessment may be increased by more than ten percent (10%) only if two-thirds of the members of the Association, who are voting in person or by proxy at a meeting duly called for this purpose, consent to such an increase.

(c) After the Development Period expires, but not later than eight years from the date of recording this Declaration, in addition to the above, there shall be set up through the Association a reserve account for accumulating funds, prorated to all of the Lot Owners in an amount sufficient to pay for replacement and/or maintenance of the commonly owned aspects of the Plat.

(d) After the Development Period expires, the Board of Directors shall fix the annual assessment in accord with the above recited standards.

Section 4. Special Assessments for Capital Improvement.

A). In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a common assessment, applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Maintenance or Easement Areas or any improvements upon the Common Areas not prohibited by this Declaration, including fixtures and personal property related thereto, provided that any such assessment shall have the assent of two-thirds of
the members of the Association who are voting in person or by proxy at a meeting duly called for this purpose.

Section 5. Notice and Quorum for Any Action Authorized Under Section 3 and 4. Written notice of any meeting called for the purpose of taking any action authorized under Sections 3 and 4 of this Article shall be sent to all members not less than thirty (30) days in advance of the meeting. At the first meeting called, the presence of sixty percent (60%) of the members of the Association or of proxies entitled to cast sixty percent of the votes of the Association shall constitute a quorum. If the required Quorum is not present, another meeting may be called subject to the same notice requirement; the required quorum at the subsequent meeting shall be one-half of the required quorum at the preceding meeting.

Section 6. Uniform Rate of Assessment. Annual, Reserve and Special assessments must be fixed at a uniform rate for all Lots (except as is provided in Article I, Section 4 hereinabove and below) and must be collected on an annual basis. Provided, however, that any unimproved Lot (ie. Lot owned by the Declarant) shall not be subject to any assessment or charge herein described. Lots owned by any home builder or contractor having purchased from Declarant or Declarant’s successor, before or during construction of a home thereon, but not to exceed two (2) years from the date of purchase, shall be responsible for each said Lot’s share of the following listed expenses only: Snow plowing, street cleaning and landscaping and entryway maintenance.

Section 7. Date of Commencement of Annual Assessment; Due Dates. The annual assessments described in this Article shall commence on January 1, 2008. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. Thereafter payments shall be made on January 1 of each year for that coming year. After the Development Period expires, the Board of Directors shall fix the annual assessment. Written notice of the annual assessment shall be sent to every Owner subject to such assessments. The Association shall, upon demand and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessment on a specified Lot has been paid. A properly executed certificate of the Association as to the status of assessments on a Lot is binding upon the Association as of the date of its issuance.

Section 8. Effect of Non-Payment of Assessments; Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall bear interest at the rate of four percent (4%) over prime. Each Owner hereby expressly vests in the Association or its agents the right and power to bring all actions against such Owner personally for the collection of such assessments as debts and to enforce lien rights of the Association by all methods available for the enforcement of such liens, including foreclosure by an action brought in the name of the Owner hereby expressly grants to the Association the power of sale in connection with such liens. The liens provided for in this section shall be in favor of the Association and shall be for the benefit of the Association. The Association shall have the power to bid in an interest at foreclosure sale and to acquire, hold, lease, mortgage and convey the same. The Owner is responsible for payment of all attorneys fees incurred in collecting past due assessments or enforcing the terms of assessment liens. No Owner may waive or otherwise escape liability for the assessments provided herein by non-use of their Common Areas or abandonment of their Lot.

The Association shall have the right to suspend the voting rights of an Owner for any period during which any assessment against the Lot remains unpaid and for a period not to exceed sixty (60) days for any infraction of the terms of either this Declaration, the Article or the By-Laws of the Association.

Section 9. Subordination of the Lien to Mortgage. The lien for assessments, provided for in this Article, shall be subordinate to the lien of any first mortgage. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to a mortgage foreclosure, or any proceeding in lieu thereof, shall extinguish the lien created pursuant to this Article as to payments which become due prior to such sale or transfer.
