

SPOKANE COUNTY SUPERIOR COURT - RESPONSE TO COVID-19

NOVEMBER 5, 2020

Spokane Superior Court is committed to providing access to the courts while acknowledging the severity of the public health crisis we are currently experiencing. It is our duty to minimize all in-person contact as much as we can to slow the spread of COVID-19 and to protect the public, court staff, attorneys, and parties. We ask for your help to slow the spread of COVID-19 by limiting your court contact to those matters that are essential at this time. Please see below for reduced hours and access during this crisis.
