The Board shall have the power to enforce the provision of this Declaration, the Articles, the Bylaws, and the Rules and Regulations of the Association, as the same may be lawfully amended from time to time, for the benefit of the Association. ARTICLE XVIII  
DECLARANT'S SPECIAL PROVISIONS

Section 18.1. Limitation of Restriction. Declarant is undertaking the work of developing the Project. The completion of the work and the sale, rental, and other disposal of said Lots is essential to the establishment and welfare of the project as a thriving planned unit development. In order that said work may be completed as rapidly as possible, nothing in this Declaration shall be understood or construed to:

18.1.1. Prevent Declarant, its contractors, or subcontractors from going on the Project or any Lot, what is reasonably necessary or advisable in connection with the completion of the Project; or

18.1.2. Prevent Declarant or its representatives from erecting, constructing and maintaining on any part or parts of the Project, such structures as may be reasonable and necessary for the conduct of its business of completing said work and establishing said Project as a community and disposing of the same parcels by sale, lease or otherwise; or

18.1.3. Prevent Declarant from conducting on any part of the Project its business of completing the work and establishing a plan of Ownership and of disposing of said Lots by sale, lease or otherwise; or

So long as Declarant owns one or more of the Lots established and described in this Declaration and except as otherwise specifically provided herein, Declarant shall be subject to the provisions of this Declaration. However, nothing in this Declaration shall be construed to require Declarant to fulfill all the requirements of this Declaration on its Lot or Lots, where said Lot or Lots are without buildings and are being held for sale or lease. If the Declarant shall develop and construct a building for its own use rather than for lease or sale, then the Lot will be subject to all restrictions.

Section 18.2. Non-Warranty of Compliance and Enforcement. The Declarant does not, by the execution of this document or the continuing participation directly or indirectly in or on the Board, warranty or guaranty enforcement and/or binding effect of these Declarations nor does the Declarant warrant that all owners' use of the Property are in compliance with this Declaration. Each purchaser of Property does hereby agree to accept all responsibility for enforcement of these Declarations individually and to release the Declarant from any lack of enforcement or nonconformity of any structure or use of Property.

Section 18.3. Release and Indemnification of Declarant. The Declarant has created common areas for the use of Owners and to be managed by the Association consistent with the Declarant's transfer of Declarant's interest in the common area. The Association agrees to hold the Declarant harmless from any liability to the common area. Furthermore, the Association agrees to indemnify Declarant from any and all loss and cost related to the common area.

#### ARTICLE XIX ADDITIONS TO DECLARATION

Section 19.1. Declarant's Annexation. Declarant intends to develop the Property described on Page One and may, in Declarant's sole discretion, deem it desirable to annex additional real property to the Property covered by this Declaration. Additional real property may be annexed to the Property and brought within the provisions of this Declaration as provided herein by Declarant, its successors or assigns, at any time, and from time to time, without the approval of any Owner or the Association. Provided, however, the use and development of such additional real property shall conform to all applicable land use regulations.

Section 19.2. Annexation by Association. In addition to the provisions concerning annexation by Declarant specified in Section 19.1 above, additional real property may be annexed to the Property, subject to the same conditions by the Association upon the affirmative vote of two-thirds (2/3rds) of the votes of the Association.

Section 19.3. Rights and obligations of Owners of Annexed Property. Subject to the provisions hereof, upon recording of a Supplemental Declaration as to any additional real property,

all provisions contained in this Declaration shall apply to the additional real property in the same manner as if it were originally covered by this Declaration, subject to such modifications, changes and deletions as are specifically provided for in such Supplemental Declaration. Upon annexation, the Owners of Building Lots located in the additional real property shall be Members of the Association, and liable for their appropriate share of Assessments under the same conditions and to the same extent as Members owning Building Lots within the initial Property. Title to the Common Areas which are to be owned and managed by the Association within said additional real property shall be conveyed to the Association, free and clear of any and all encumbrances and liens, and subject to reservations, easements, covenants, conditions and restrictions then of record including those set forth in this Declaration or any Supplemental Declaration applicable to such additional real property.

Section 19.4. Method of Annexation. The annexation of additional real property to the Property authorized under Sections 19.1 and 19.2 above shall be made by filing and recording a Declaration of Annexation and Supplemental Declaration with respect to the annexed property, which shall be executed by the Declarant or Association, as applicable, and the owner thereof, and which shall annex such property to the Property. Thereupon such annexed real property shall be a part of the Property and shall be subject to this Declaration and encompassed within the general plan and scheme hereof.

Section 19.5. De-Annexation. Declarant may delete all or a portion of the real property described on Page one, from the Property and from coverage of this Declaration and jurisdiction of the Association, so long as Declarant has an interest in such property to be deleted, and provided that a Supplemental Declaration of Deletion of Property is recorded in the Office of the Spokane County Auditor in the same manner as a Supplemental Declaration and Declaration of Annexation. Members other than Declarant as described above shall not be entitled to de-annex all or any portion of the Property except upon the affirmative vote of seventy-five (75%) percent of the votes of the Association and written approval of Declarant so long as Declarant owns any portion of the property described on Page One which is then part of the Property.

and State regulations or guidelines, then Declarant may unilaterally, at Declarant's sole option, amend the conflicting provision in order to eliminate the conflict.
