This Declaration of Covenants, Conditions and Restrictions is made on the date hereinafter set forth by Paras Construction, Inc. a Washington corporation, (hereinafter referred to as "Declarant").

WITNESSETH:

WHEREAS, Declarant is the Owner of certain Property in the County of Spokane, State of Washington, which is specifically described in Exhibit "A" attached hereto and incorporated herein by this reference, hereinafter referred to as the "Property," and

WHEREAS, Declarant has divided Property into separate Lots and streets, and has constructed certain improvements, including attached residential Dwellings establishing a residential development, and

WHEREAS, the development shall be hereinafter referred to as "North Park West," and each Owner shall receive fee or equitable title to an individual Lot and a Membership in North Park West Maintenance Association, which shall be a Washington nonprofit corporation and which have certain ownership, administrative, and maintenance responsibilities in North Park West, and

WHEREAS, Declarant intends by this document to impose upon the Property mutually beneficial restrictions under a general plan of improvement for the benefit of all of the said Lots and the Owners thereof.

NOW, THEREFORE, Declarant hereby declares that the Property shall be held, conveyed, mortgaged, encumbered, leased, rented, used, occupied, sold and improved, subject to the following Declarations, limitations, covenants, conditions, restrictions, and easements. All of the limitations, covenants, conditions, restrictions, and easements shall constitute covenants which shall run with the land and shall be perpetually binding upon Declarant and its successors-in-interest and assigns, and all parties having or acquiring any rights, title, or interest in or to any part of the Property.

ARTICLE 1
DEFINITIONS

1.1 "Architectural Committee" shall mean and refer to the Declarant or such different, additional or replacement person(s) as the Declarant shall select. At such time as all Lots have been sold by the Declarant, the Declarant may appoint not less than three (3) of the Lot Owners for Membership on the Committee, and Declarant shall have no further responsibility for the Committee or obligations relating thereto. On the first calendar year anniversary of the Declarant relinquishing its position as the Committee, the Members thereof shall be replaced by a vote of not less than a majority of the Lot Owners, with each Lot being entitled to one vote, regardless of the number of individual Owners of such Lot. The Members of the Committee so elected shall have terms of three years, and their successors shall be elected as described herein.

The Common Property for storm water drainage or retention must be maintained in accordance with the approved plans and the Operation and Maintenance Manual on file at the Spokane County Engineers Office.

ARTICLE 3
ASSOCIATION, ADMINISTRATION, MEMBERSHIP
AND VOTING RIGHTS

3.1 Association to Manage North Park West. The Owners of all the Lots covenant and agree that the administration of North Park West shall be in accordance with the provisions of this Declaration and the Articles and Bylaws of the Association, subject to the standards set forth in this Declaration and all applicable laws, regulations, and ordinances of any governmental, or quasi-governmental body, or agency having jurisdiction over North Park West. Notwithstanding the generality of the foregoing, the primary function of the Association shall be the enforcement of the restrictions set forth in this Declaration.

3.2 Conflicts. In the event that there is a conflict between a provision of this Declaration, a mandatory provision of the Articles of Incorporation, a mandatory provision of the laws of the State of Washington, or the Bylaws as amended from time to time, then any conflict shall be resolved by giving priority to the mandatory provision of the laws of the State of Washington, then the Declaration, and finally the mandatory provision of the Articles of Incorporation shall control.

3.3 Membership. The Owner of a Lot shall automatically, upon becoming an Owner, be a Member of the Association, and shall remain a Member thereof until such time as his Ownership ceases for any reason, at which time his Membership in the Association shall automatically cease. Membership shall be in accordance with the Bylaws of the Association.

3.4 Transferred Membership. Membership in the Association shall not be transferred, pledged, or alienated in any way, except upon the transfer of Ownership of the Lot to which it is appurtenant, and then only to the new Owner. Any attempt to make a prohibited transfer is void. In the event the Owner of any Lot should fail or refuse to transfer the Membership registered in his name to the purchaser of his Lot, the Association shall have the right to record the transfer upon its books, and thereupon the old Membership outstanding in the name of the seller be null or void.

3.5 Classes of Membership. The Association shall have two (2) classes of voting Membership established according to the following provisions:

3.5.1 Class A Membership. Class A Membership shall be that held by each Owner of a Lot other than Declarant, and each Class A Member shall be entitled to one (1) vote for each Lot owned upon expiration of Class B Membership. If a Lot is owned by more than one (1) person, each such person shall be a Member of the Association, but there shall be not more than one (1) vote for each Lot.

3.5.2 Class B Membership. Class B Membership shall be that held by Declarant (or its successors-in-interest) who shall be entitled to three (3) votes for each Lot owned by Declarant; provided, that Class B Membership shall be converted to Class A Membership and shall forever cease to exist on the occurrence of whichever of the following is first in time.

3.5.2.1 When the last Lot is sold by Declarant; or

3.5.2.2 On the tenth (10th) anniversary of the recordation of this Declaration, whichever occurs first.

3.6 Voting Requirements. Except where otherwise expressly provided in this Declaration or the Bylaws, any action by the Association which must have the approval of the Association Membership before being undertaken shall require the vote or written assent of the prescribed percentage of the total voting power (both classes) of the Association.

3.7 Commencement of Voting Rights. Voting rights attributable to any Lot shall not vest until that Lot shall also be subject to Assessment obligations to the Association, pursuant to Article 4 below.

3.8 Membership Meetings. Regular and special meetings of Members of the Association shall be held with the frequency, at the time and place, and in accordance with the provisions of the Bylaws of the Association.

3.9 Board of Directors. The affairs of the Association shall be managed by a Board of Directors, which shall be established, and which shall conduct regular and special meetings according to the provisions of the Bylaws of the Association.

ARTICLE 4 MAINTENANCE AND ASSESSMENTS

4.1 Creation of the Lien and Personal Obligation of Assessments. The Declarant, for each Lot owned within North Park West, hereby covenants, and each Owner of any Lot by acceptance of a deed or contract therefore, whether or not it shall be so expressed in such deed or contract, is deemed to covenant and agree to pay to the Association: (1) general annual Assessments or charges, and (2) special Assessments for capital improvements and unexpected expenses, such Assessments to be established and collected as provided herein and in the Bylaws

of the Association. The regular and special Assessments, together with interest, costs, and actual attorneys' fees, shall be a charge and a continuing lien upon the Lot against which each Assessment is made, the lien to become effective upon levy of the Assessment. Each such Assessment, together with interest, costs, and actual attorneys' fees, shall also be the personal obligation of the person who was the Owner of such Lot at the time when the Assessment fell due. No Owner of a Lot may exempt himself from liability for the contribution toward the Common Expenses by waiver of the use or enjoyment of any part of North Park West or by the abandonment of his Lot.

4.2 Purpose of Assessments. The Assessments levied by the Association shall be used exclusively to promote the health, safety, and welfare of all the residents of North Park West, and shall include (as part of the regular periodic Assessments) an adequate reserve for maintenance, repairs, and replacement of those areas and facilities owned and managed by the Association, and which must be replaced on a periodic basis. Specifically, and without limiting the generality of the foregoing, the Assessments shall be used to cover expenses of administering the Association, of enforcing the covenants, conditions, and restrictions of Declaration, of providing for the insurance for the Association, and of providing for the maintenance, repair, and replacement of Common Property. Assessments shall also be used to pay Avista Utilities, or its successor-in-interest, for all electricity charges for the street lights located in the Property.

4.3 Regular Assessment. The Regular Assessment shall be set by the Board within thirty (30) days of the sale of the first Lot. Thereafter, the Board shall determine and fix the amount of the regular Assessment against each Lot at least sixty (60) days in advance of the beginning of each fiscal year.

4.4 Special Assessments. In addition to the Regular Assessments authorized above, the Board may levy, in any fiscal year, a Special Assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair, or replacement of a capital improvement within North Park West, including fixtures and personal Property related thereto, or to defray any unanticipated or underestimated regular Assessment. Special Assessments may also be levied against an individual Lot and its Owner to reimburse the Association for costs incurred in bringing that Owner and his Lot into compliance with the provisions of this Declaration and the Bylaws, including attorneys' fees and costs.

4.5 Allocation of Assessments. Each Lot, including Lots owned by Declarant, shall bear an equal share of each Regular and Special Assessment (except for special Assessments imposed against an individual Lot and its Owner under the preceding subparagraph).

4.6 Date of Commencement of Assessment; Due Dates. The general annual Assessments provided for herein shall commence as to each Lot in North Park West on the first day of the month following closing of the sale of the first Lot in North Park West, provided however, if the amount has not yet been established under Section 4.3, then the general annual Assessments provided for herein shall not commence as to each Lot until the first day of the month following the establishment of the Assessment amount under Section 4.3. Due dates of the Assessments shall be established by the Board of Directors and be set forth in an annual notice, along with the amount of the general annual Assessment.

WITHERSPOON KELLEY DAVENP COV \$56.00

4.7 Transfer of Lot by Sale or Foreclosure. Sale or transfer of any Lot shall not affect the Assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure shall extinguish the liability for and lien of such Assessments as to payments which become due prior to such sale or transfer (except for Assessment liens recorded prior to the mortgage). Such unpaid dues or charges shall be deemed to be Common Expenses collectible from all of the Lots including such mortgagee. In a voluntary conveyance of a Lot, the grantee of the same shall be jointly and severally liable with the grantor for all unpaid Assessments by the Association against the latter for his share of the Common Expenses up to the time of the grant or conveyance, without prejudice to the grantee's right to recover from the grantor the amounts paid by the grantee therefore. However, any such grantee shall be entitled to a statement from the Association setting forth the amount of the unpaid Assessments due the Association, and such grantee shall not be liable for, nor shall the Lot conveyed be subject to a lien for, any excess of the amount set forth in the statement; provided, however, the grantee shall be eligible for any such Assessment becoming due after the date of any such statement.

4.8 Enforcement of Assessment Obligations; Priorities, Discipline. If any part of any Assessment is not paid and received by the Association or its designated agent within thirty (30) days after the due date, an automatic late charge of Ten Dollars (\$10.00) shall be assessed and additional Ten Dollar (\$10.00) sums shall be assessed for each month, or fraction thereof, from the due date until the Assessment and all late charges are paid. Each Assessment shall constitute a lien on each respective Lot prior and superior to all other liens except (1) all taxes, bonds, Assessments, and other levies which, by law, would be superior thereto, and (2) the lien or charge of any mortgage or deed of trust of record made in good faith and for value. Such lien, when delinquent, may be enforced by sale by the Association, its attorney, or other person authorized by this Declaration, or by law to make the sale, after failure of the Owner to pay such Assessment, in accordance with the provisions of Washington law applicable to the exercise of powers of sale in deeds of trust, or by judicial foreclosure as a mortgage, or in any other manner permitted by law. The Association, acting on behalf of the Lot Owners, shall have the power to bid for the Lot at the foreclosure sale, and to acquire and hold, lease, mortgage and convey the same. Suit to recover a money judgment for unpaid Common Expenses, rent, and attorneys' fees shall be maintainable without foreclosing or waiving the lien securing the same. The Board may impose reasonable monetary penalties, including actual attorneys' fees and costs, and may temporarily suspend the Association Membership rights of a Lot Owner who is in default in payment of any Assessment, after notice and hearing according to the Bylaws.

ARTICLE 5
DUTIES AND POWERS OF THE ASSOCIATION

5.1 Duties and Powers. In addition to the duties and powers enumerated in the Bylaws or elsewhere provided for herein, and without limiting the generality thereof, the Association shall:

5.1.1 Expend Association funds to maintain, repair, replace, and manage all Common Property, and all Property that may be acquired by the Association.

5.1.2 Enforce the provisions of this Declaration by appropriate means, including without limitation, the expenditures of funds of the Association, the employment of legal counsel, and the commencement of actions.

5.1.3 Maintain such policy or policies of insurance as are required by this Declaration, or as the Board deems necessary or desirable, in furthering the purposes of and protecting the interests of the Association and its Members.

5.1.4 Have the authority to employ a manager, or other persons, and to contract with independent contractors, or managing agents, to perform all or any part of the duties and responsibilities of the Association, subject to the Bylaws and restrictions imposed by any governmental, or quasi-governmental, body or agency having jurisdiction over North Park West.

5.1.5 Adopt reasonable rules not inconsistent with this Declaration, or the Bylaws relating to the use of particular areas within North Park West, and the conduct of Owners and their tenants and guests with respect to the Property and other Owners.

5.1.6 Establish one or more checking or savings accounts in the name of the Association with any bank, savings Association or credit union doing business in Spokane County, Washington and designate signatories thereon.

ARTICLE 6 UTILITIES

6.1 Owners' Rights and Duties. The rights and duties of the Owners of Lots within North Park West with respect to utilities shall be as follows:

6.1.1 Whenever sanitary sewer, water, electric, gas, television receiving, or telephone lines or connections are located or installed within North Park West, which connections, or any portion thereof, is in or upon Lots owned by other than the Owner of a Lot served by said connections, the Owners of any Lots served by said connections shall have the right and are hereby granted an easement to the full extent necessary therefore, to enter upon the Lots or to have the utility companies enter upon the Lots in or upon which said connections, or any portion thereof lie, to repair, replace and generally maintain said connections as and when necessary.

6.1.2 Whenever sanitary sewer, water, electric, gas, television receiving, or telephone lines or connections are located or installed within North Park West, which connections serve more than one Lot, the Owner of each Lot served by said connection shall be entitled to the full use and enjoyment of such portions of said connections as service his Lot.

6.1.3 In the event of a dispute between Owners with respect to the repair or rebuilding of said connections, or with respect to the sharing of the cost thereof, then, upon written request of one of such Owners addressed to the Association, the matter shall be submitted to the Board, which shall decide the dispute, and the decision of the Board shall be final and conclusive on the parties.

6.2 Easements for Utilities and Maintenance. Easements over and under the Property for the installation, repair, and maintenance of sanitary sewer, water, electric, gas, telephone lines, and drainage facilities, such as may be hereafter reasonably required to service the Property, are hereby reserved by Declarant and its successors-in-interest and assigns, including the Association, together with the right to grant and transfer the same; provided, however, that no such reservation or grant of an easement shall unreasonably interfere with the use or occupation of any Lot by its Owners, or the construction of a Dwelling on any Lot.

6.3 Underground Utilities. In the interest of public health and safety, and in the interest of avoiding the presence of unsightly poles and structures, all utilities to be installed within North Park West shall be buried in accordance with the best standard practices presently in use for the burying of such utilities and as provided by the Architectural Committee.

ARTICLE 7 COVENANTS FOR MAINTENANCE AND CONSTRUCTION

7.1 Lots to be Kept in Good Repair. Each Owner shall keep all Lots owned by him, and all improvements thereon, in good order and repair, including, but not limited to, the painting (or other appropriate external care) of all buildings and other improvements. The Association shall maintain the lawns and yards on Lots, including seeding, watering and mowing of all lawns, the pruning and cutting of all trees and shrubbery. Garage interiors must be maintained in a clean and orderly manner, so as to avoid the danger of fire.

This easement shall be five (5) feet measured horizontally, and sufficient feet measured vertically up all zero set back Dwelling walls, and into the airspace above them, and five (5) feet beyond the front and back of each Dwelling, to provide sufficient access to perform construction, repair and maintenance of said Attached Dwellings.

ARTICLE 8
USE RESTRICTIONS: GENERAL COVENANTS

8.1 North Park West Governmental Regulation: Strictest Standards Control. Restrictions contained herein shall not be construed as permitting any action or thing prohibited by the applicable zoning laws, or the laws, rules or regulations of any governmental authority, or by specific restrictions imposed by any deed or lease. In the event of any conflict, the most restrictive provision of such laws, rules, regulations, deeds, leases or North Park West covenants shall be taken to govern and control.

8.2 Restriction Against Manufacturing or Commercial Enterprise. No trade, craft, business, profession, commercial, or manufacturing enterprise or business or commercial activity of any kind shall be conducted or carried on upon any Lot, or within any building located on a Lot. No goods, equipment, materials, supplies or vehicles (including buses, trucks and trailers of any description) used in connection with any trade, service, or business wherever the same may be conducted, shall be kept, parked, stored, dismantled or repaired outdoors on any Lot or on any street within North Park West. Nothing shall be done on any Lot which may be or become a public or private nuisance. This restriction shall not be construed, however, as preventing the maintenance of a home office such as, but not limited to, insurance, accounting or real estate.

8.3 Land Use and Building Type. No Lot shall be used except for residential purposes. Except as provided herein, no building shall be erected, altered, placed or permitted to remain on any Lot other than a single-family Dwelling for single family residential occupancy only not to exceed the height allowable by the Spokane County Zoning Code, and a private attached garage for not less than two cars. The location and design of any building or structure detached from the Dwelling, for the purpose of storage, housing swimming pool equipment, cabanas, gazebos and similar structures are subject to approval of the Architectural Committee.

8.4 Temporary Structures. No structure of a temporary character, trailer, basement, tent, shack, garage, barn, or other outbuilding shall be used on any Lot at any time as a residence either temporarily or permanently.

8.5 Restriction Against Subdividing. No Lot shall be split, divided, or subdivided for sale, resale, or gift for the purpose of creating another building site.

8.6 Disposable Items. No trash, garbage, rubbish, refuse, or other solid waste of any kind, including, particularly, inoperable automobiles, appliances and furniture, shall be thrown, dumped, stored, disposed of, or otherwise placed on any part of the Property or Common Property. Garbage and similar solid waste shall be kept in sanitary containers well suited for the purpose.

8.7 Signs. No sign of any kind shall be displayed to the public view on any Lot except one professional sign of not more than one square foot or one sign of not more than five square feet advertising the Property for sale or rent, and two large signs used by the Declarant to advertise the Property during the construction and sales period. Monument signs designating the entrance to North Park West, are expressly permitted.

8.8 Animals.

8.8.1 No animals, livestock or poultry of any kind may be raised, bred or kept on any Lot. However, cats, dogs, birds or other household pets may be kept in any lawful manner if they are not kept, bred, or maintained for any commercial purpose. The Owner of any animal shall collect and properly dispose of that animal's waste.

8.8.2 Any animals not restricted shall be properly sheltered and cared for. The Association retains the right to limit the number of non-restricted animals, by a majority vote, should it become apparent the number of animals has become an annoyance or nuisance.

8.8.3 Dogs shall be leashed or penned, and not allowed to run loose. Dog kennels or runs must be approved by the Architectural Control Committee. No dogs with pit bull or wolf breeding may be kept within North Park West.

8.9 Nuisances. No noxious or offensive activity shall be carried on upon any Lot, nor shall anything be done thereon which may be or may become an annoyance or nuisance to the Property.

8.10 Recreational Vehicles and Equipment. Recreational vehicles, including campers, toppers, motor homes, camp trailers, boats, motorcycles, snowmobiles and the like, must be stored in an attached enclosed garage.

Parabolic reflectors (satellite dish antennae and wireless cable receivers) less than 20 inches in diameter may be permitted with prior written approval of the Architectural Committee and obtained in the manner described in Section 9.1.

8.14 Energy Devices. Energy generating and storage facilities, including, but not limited to, solar panels and their appurtenances, fuel tanks, auxiliary generators, heat pumps and air conditioning compressors, shall be designed and placed in aesthetic harmony with the other improvements to which they are appurtenant, as determined by the Architectural Committee, and shall be insulated so as not to produce an unreasonable level of noise.

8.15 Firearms. The discharge of firearms or explosives is prohibited, except as required for construction work duly authorized by the Architectural Committee.

8.16 Clotheslines. No exterior clotheslines shall be erected or maintained, and there shall be no outside laundering or drying clothes.

8.17 Combination of Zero-Lot-Line Single Family Townhouse Lots. Any Owner of two contiguous zero Lot line single family Townhouse Lots may combine them into one Lot with the prior written approval of the Architectural Committee and Spokane County. Any such approval sought by a single family Townhouse Lot Owner shall be at that Owner's sole cost and expense. Any Owner of a zero lot line single family Townhouse Lot may construct a non-zero Lot line single family Townhouse on said Lot with prior approval of the Architectural Committee and Spokane County.

ARTICLE 9
ARCHITECTURAL CONTROL

9.1 Approval of Plans by Architectural Committee. No building, fence, wall or other structure shall be commenced, erected or maintained upon the Property, nor shall any exterior addition to or change or alteration therein or thereto including but not limited to landscaping and replacing of landscaping, reroofing, and repainting of the exterior, be made until the plans and specifications showing the nature, kind, shape, height, materials, color and location of the same shall have been submitted to and approved in writing as to quality of workmanship and materials, and harmony of external design, color and location in relation to surrounding structures and topography by an Architectural Committee composed of the Declarant and other Members to be determined by the Declarant.

9.1.1 There shall be not less than three (3) Members of the Committee.

9.1.2 Declarant will appoint all of the original Members of the Committee until the Declarant has sold the last Lot in North Park West.

9.1.3 After Declarant has sold the last Lot in North Park West, Owners shall have the power to appoint all of the Members of the Committee.

9.1.4 In the event of additional phases or additions of North Park West being platted by Declarant, or its successor in interest, the Architectural Committee shall perform the function of the Architectural Committee in each such phase or addition, and the Membership of the Architectural Committee shall be determined by the Declarant in all phases or additions to North Park West.

9.2 Specification of Reasons of Disapproval. The Architectural Committee shall have the right to disapprove any plans and specifications submitted hereunder because of any of the following:

9.2.1 The failure of such plans or specifications to comply with any of the North Park West restrictions.

9.2.2 Failure to include information in such plans and specifications as may have been reasonably requested.

9.2.3 Objection to the exterior design, appearance, color or materials of any proposed structure.

9.2.4 Incompatibility of any proposed structure or use with existing structures or uses upon other Lots in the Property.

9.2.5 Objection to the location of any proposed structure upon any Lot or with reference to other Lots in the Property.

9.2.6 Objection to the grading plan for any Lot.

9.2.7 Objection to the color scheme, finish, proportions, style of architecture, height, bulk or appropriateness of any proposed structure.

9.2.8 Objection to parking areas proposed for any building on the grounds of

- (a) incompatibility to proposed uses and structures on such Lots, or
- (b) the insufficiency of the size of parking areas in relation to the proposed use of the Lot; or

9.2.9 Objection to the obstruction of views created by the proposed structure.

9.2.10 Any other matter which, in the judgment of the Architectural Committee would render the proposed structure, structures, or uses inharmonious with the general plan of improvement of North Park West.

In any case, where the Architectural Committee shall disapprove any plans and specifications submitted hereunder, or shall approve the same only as modified or upon specified conditions, such disapproval or qualified approval shall be accompanied by a statement of the grounds upon which such action was based. In any such case, the Architectural Committee shall, if requested, make reasonable efforts to assist and advise the applicant in order that an acceptable proposal can be prepared and submitted for approval.

9.3 Submission of Plans. All plans and specifications required to be submitted to the Committee shall be submitted by mail to the address of the Committee in duplicate. The written submission shall contain the name and address of the Owner submitting the plans and specifications, identify the Lot involved, and the following information about the proposed structure.

9.3.1 The location of the structure upon the Lot which shall include staking of the location of the structure upon the Lot;

9.3.2 The elevation of the structure with reference to the existing and finished Lot grade;

9.3.3 The general design;

9.3.4 The interior layout;

9.3.5 The exterior finish materials and color, including roof materials;

9.3.6 Other information which may be required in order to determine whether the structure conforms to the standards articulated in this Declaration and the standards employed by the Committee in evaluating development proposals.

The Committee shall indicate its approval or disapproval on one of the copies of the plans and specifications provided by the applicant and shall return the plans and specifications to the address shown on the plans and specifications. In the event that no disapproval of such plans and specifications is given within fourteen (14) days of submission, copies of plans and specifications shall be delivered to the Owners of adjacent Lots within North Park West, together with a statement to the effect that (1) the plans and specifications have been submitted to the Committee; (2) fourteen (14) days have passed since the date of the submission and no action has been taken on the plans and specifications by the Committee; and (3) unless a legal action by the Owners to enjoin the construction pursuant to the submitted plans and specifications is filed within ten (10) days after receipt of the delivered copies, construction will be commenced pursuant to the plans and specifications. If no legal action to enjoin the construction is commenced within ten (10) days of delivery of the copies of the submitted plans and specifications to adjacent Property Owners, the plans and specifications shall be deemed to be approved by the Committee and construction pursuant to the plans and specifications may be commenced.

9.5 Unapproved Construction; Remedies. If any structure shall be altered, erected, placed or maintained upon any Lot, or any new use commenced on any Lot, otherwise than in accordance with plans and specifications approved by the Architectural Committee pursuant to the provisions of this Article 9, such alteration, erection, maintenance or use shall be deemed to have been undertaken in violation of this Article 9 and without the approval required herein, and upon fifteen (15) days' written notice from the Architectural Committee, any such structure so

9.8 Restriction Against Excavation and Grading. No excavation for stone, gravel, or earth shall be made on any Lot except for walls, basements, or cellars of Dwellings; provided, however, that Declarant reserves the right at any time prior to sale of any Lot to excavate and grade on the conveyed Lot, and to remove material from or deposit material on such Lot in connection with the work of laying out and improving; provided, further, that Declarant may waive this privilege as to any Lot on which a buyer may desire to erect a building before that date.

9.9 Restrictions as to Building Materials - Covering Outside Walls. No residence or structure shall be built on any Lot which shall use materials for siding or roofing which have not been approved by the Architectural Committee. 9.14 Variation. The Committee shall have the authority to approve plans and specifications which do not conform to these restrictions in order to (1) overcome practical difficulties or (2) prevent undue hardship from being imposed on an Owner as a result of applying these restrictions. However, such variations may only be approved in the event that the variation will not (1) detrimentally impact on the overall appearance of the Property, (2) impair the attractive development of the Property or (3) adversely affect the character of nearby Lots. Granting such a variation shall not constitute a waiver of the restrictions articulated in this Declaration. Variation shall only be granted if the Committee determines that the variation would further the purposes and intent of these restrictions. Variations shall only be granted in extraordinary circumstances.
