3 .4 .1 Class A Membership. Class A Membership shall be that held by each owner of a Lot other than Declarant, and Builders, and each class A Member shall be entitled to one (1) vote for each Lot owned. 3 .4 .3 .1 When the total outstanding votes held by Class A Members (all phases) equals the total outstanding votes held by Class B Member (all phases) and Class C Member (all phases). 3 .4 .3 .2 On the tenth anniversary of recordation of this Declaration.

3 .5 VOTING REQUIREMENT. ARTICLE 4

MAINTENANCE AND ASSESSMENTS

4 .1 CREATION OF THE LIEN AND PERSONAL OBLIGATION OF ASSESSMENTS. The Declarant for each Lot owned within the Project

hereby covenants and each Owner of any Lot by acceptance of a deed or contract therefore, whether or not it shall be so expressed in such deed or contract, is deemed to covenant and agree to pay to the Association: (regular assessment charges, and special assessments) for capital improvements and unexpected expenses, such assessments to be established and collected as provided herein and in the Bylaws of the Association. The regular and special assessments, together with interest, costs, and actual attorneys' fees, shall be a charge and a continuing lien upon the Lot against which each assessment is made, the lien to become effective upon levy of the assessment. Each such assessment, together with interest, costs, and actual attorneys' fees shall also be the personal obligation of the person who was the Owner of such Lot at the time when the assessment fell due. No Owner of a Lot may exempt himself from liability for his contribution toward the common expenses by waiver of the use or enjoyment of any part of the Project or by the abandonment of his Lot.

4.2 PURPOSE OF ASSESSMENTS. The assessments levied by the Association shall be used exclusively to promote the Project, and shall include (as part of the regular periodic assessments) an adequate reserve for maintenance, repairs and replacement of those areas owned and managed by the Association, and which must be replaced on a periodic basis. Specifically, and without limiting the generality of the foregoing, the assessments shall be used to cover expenses of administering the Association, of enforcing the covenants, conditions and restrictions of the Declaration, of providing for the insurance for the Association, and of providing for the maintenance of landscaped areas of the Project, and of roadways, stormwater system, medians and dividers, located within the project and any and all of storm water facilities.

4.3 REGULAR ASSESSMENTS. Until the first day of the fiscal year immediately following the closing of the sale of the first Lot in the Project, the regular annual assessment per Lot shall be such amount as is set forth in the Project budget prepared by Declarant, payable in periodic installments as determined by the Board. Each Lot's share for the first Association fiscal year shall be prorated based on the number of months remaining in that fiscal year. Thereafter, the Board shall determine and fix the amount of the annual assessment against each Lot at least sixty (60) days in advance of the beginning of each fiscal year. All lots with address's on Orchard Road or uses access for driveway from Orchard Road will have a reduced annual road maintenance fee due to the fact that Orchard Road will be maintained by Spokane County. This reduction will be 25% less than those lots that are adjacent to the private roadways shown on final plat. All other Association fees will apply. Example: 2005 Association fees are \$140.00. A 25% reduction of \$35.00 would equal an amount of \$105.00 annual fees for said lots. Specifically Lots 1 thru 15 Block 1, Lots 12 thru 17 Block 3 and Lot 1 Block 4.

4.4 SPECIAL ASSESSMENTS. In addition to the regular assessments authorized above, the Board may levy, in any fiscal year, a special assessment

applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement within the Project or part of the Project including offsite drainage facilities, including fixtures and personal property related thereto, or to defray any unanticipated or underestimated regular assessment. Special assessments may also be levied against an individual Lot and its Owner to reimburse the Association for costs incurred in bringing that Owner and his Lot into compliance with the provisions of this Declaration and the Bylaws including attorneys' fees and costs.

4 .5 ALLOCATION OF ASSESSMENTS. Each lot, including Lots owned by Builder Contractor and Declarant, shall bear an equal share of each regular and special assessment (except for special assessments imposed against an individual Lot and its owner under the preceding Subparagraph). The equal allocation of assessments shall not affect the obligation of any limited Common Property Owner to pay his or her share of expenses relating to such Common Property, all as provided in Article 2 above. At such a time that the entire project is 70% sold out to individuals or building contractors, the Declarant shall pay only the deficit of actual costs to maintain entire project. That deficit would be the difference between actual costs and revenue received from individual lot owners or builders or their assigns. If Declarant still owns any lots after 70% of plat sell out, than all fees shall be paid annually by Declarant the same as any lot owner.

4 .6 DATE OF COMMENCEMENT OF ASSESSMENT. Due dates. The regular assessments provided for herein shall commence as to all Lots in the Project or any phase thereof on the first day of the month following closing of the sale of the first Lot in the Project or phase thereof Due dates of assessments shall be annual.

4 .7 TRANSFER OF LOT BY SALE OF FORECLOSURE. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure shall extinguish the liability for and lien of such assessments as to payments which become due prior to such sale or transfer (except for assessment liens recorded prior to the mortgage). Such unpaid dues or charges shall be deemed to be common expenses collectible from all of the Lots including such mortgages. In a voluntary conveyance of the Lot the grantee of the same shall be jointly and severally liable with the grantor for all unpaid assessments by the Association against the latter for his share of the common expenses up to the time of the grant or conveyance, without prejudice to the grantee's right to recover from the grantor the amounts paid by the grantee therefore. However, any such grantee shall be entitled to a statement from the Association setting forth the amount of the unpaid assessments due the Association and such grantee shall not be liable for, nor shall the Lot conveyed by subject to a lien for, any excess of the amount set forth in the statement; provided, however, the grantee shall be liable for any such assessment becoming due after the date of any such statement.

4 .8 ENFORCEMENT OF ASSESSMENT, OBLIGATION, PRIORITIES, DISCIPLINE. If any part of any assessment is not paid and received by the Association or its designated agent within ten (10) days after the due date an automatic late charge of Five Dollars (\$5.00) shall be assessed and additional Five Dollar (\$5.00) sums shall be assessed for each month or fraction thereof from the due date until the assessment and all late charges are paid. Each assessment shall constitute a lien on each respective Lot prior and superior to all other liens except (1) all taxes, bonds, assessments and levies which, by law, would be superior thereto, and (2) the lien or charge of any mortgage or deed of trust of record made in good faith and for value. Such lien, when delinquent, may be enforced by sale by the Association, its attorney or other person authorized by this Declaration or by law to make the sale, after failure of the Owner to pay such assessment in accordance with the provisions of Washington law applicable to the exercise of powers of sale in deeds of trust, or by judicial foreclosure as a mortgage, or in any other manner permitted by law. The Association, acting on behalf of the Lot shall have the power to bid for the Lot at the foreclosure sale and to acquire and hold, lease, mortgage and convey the same. Suit to recover a money judgment for unpaid common expenses, rent and attorneys' fees shall be maintainable without foreclosing or waiving the lien securing the same. The Board may impose reasonable monetary penalties including actual attorneys' fees and costs and may temporarily suspend the Association membership rights of a Lot Owner who is in default in payment of any assessment, after notice and hearing according to the Bylaws.
