

Precinct Boundary Descriptions

Effective March 8, 2017, the “Spokane County Precincts with Legislative Districts” (Resolution 17-0242 - Attachment “1”) is the legal document for Precinct Boundaries. That map is available for viewing online at: <https://www.spokanecounty.org/321/Precinct-Maps>

The following Precinct Boundary Descriptions are to be used as an aid in navigating each individual precinct on that map. These descriptions are not the legal definition of the precinct boundaries.

If you have questions or comments about a precinct description, please include the Precinct and page number with your comment or question. Send comments or questions by email to elections@spokanecounty.org or by mail to Spokane County Elections 1033 W Gardner Ave Spokane WA 99260.

Precinct maps in large format are available for sale at the Spokane County Elections Office. Custom maps are also available. Please contact Spokane County Elections at elections@spokanecounty.org or 509-477-2320 for pricing and availability.

Precinct 3000

Beginning at the intersection of the northerly extension of the east line of the Rivercrest Addition filed in Book 2, Page 1 and the ordinary high water mark of the Spokane River in Section 1, Township 25 North, Range 43 East Willamette Meridian; then southwesterly along the ordinary high water mark of the Spokane River to the east-west centerline of said Section 1 the same being the boundary of the City of Spokane and the boundary between Spokane County Commissioner District 1 and District 2; then easterly and northerly along the boundary of the City of Spokane to its intersection with the east line of said Rivercrest Addition then north along the east line of said Rivercrest Addition and continuing north along the northerly extension of the east line of said Rivercrest Addition to its intersection with the ordinary high water mark of the Spokane River and the Point of Beginning.

Precinct 3100

Beginning at the intersection of the centerlines of North Division Street and East Francis Avenue within the corporate limits of the City of Spokane; then east along the centerline of East Francis Avenue to the intersection of the centerline of North Nevada Street; then south along the centerline of North Nevada Street to its intersection with the centerline of East Rowan Avenue; then west along the centerline of East Rowan Avenue to its intersection with the centerline of North Division Street; then north along the centerline of North Division Street to its intersection with the centerline of East Francis Avenue and the Point of Beginning.

Precinct 3101

Beginning at the intersection of the centerlines of North Nevada Street and East Francis Avenue within the corporate limits of the City of Spokane; then east along the centerline of East Francis Avenue to its intersection with the centerline of North Crestline Street; then south along the centerline of North Crestline Street to its intersection with the centerline of East Columbia Avenue; then west along the centerline of East Columbia Avenue to its intersection with the centerline of North Nevada Street; then north along the centerline of North Nevada Street to its intersection with the centerline of East Francis Avenue and the Point of Beginning.

Precinct 3102

Beginning at the intersection of the centerlines of North Crestline Street and East Francis Avenue within the corporate limits of the City of Spokane; then east along the centerline of East Francis Avenue to the point at which East Francis Avenue overpasses the centerline of the Burlington Northern – Santa Fe Railroad; then south along the centerline of the Burlington Northern – Santa Fe Railroad to its intersection with the easterly extension of East Columbia Avenue; then west along the centerline of the easterly extension of East Columbia Avenue and continuing along East Columbia Avenue to its intersection with the centerline of North Crestline Street; then north along the centerline of North Crestline Street to its intersection with the centerline of East Francis Avenue and the Point of Beginning.

Precinct 3103

Beginning at the intersection of the centerlines of the Burlington Northern – Santa Fe Railroad and East Francis Avenue within the corporate limits of the City of Spokane; then east along the centerline of East Francis Avenue to its intersection with the east line of Section 27, Township 26 North, Range 43 East Willamette Meridian; then south along the east line of said Section 27,

to the northeast corner of the southeast quarter of Section 3, T25N, R43EWM; then south along the east line of the southeast quarter of said Section 3 to the east-west centerline of the southeast quarter of said Section 3; then east along the east-west centerline of the southwest quarter of Section 2, T25N, R43EWM for a distance of 330 feet; then south along a line parallel to the west line of Section 2, T25N, R43EWM to the south line of said Section 2, then west along the south line of said Section 2 to the southwest corner of said Section 2 also being the intersection of the centerlines of East Euclid Avenue and North Havana Street, and North Minnehaha Park; then north along the centerline of North Minnehaha Park to its intersection with the centerline of East Minnehaha Park, then westerly along the centerline of East Minnehaha Park to its intersection with the centerline of East Liberty Avenue; then west along the centerline of East Liberty Avenue to its intersection with the centerline of North Freya Street; then south along the centerline of North Freya Street to its intersection with the centerline of East Euclid Avenue; then west along the centerline of East Euclid Avenue to its intersection with the centerline of North Ferrall Street; then north along the centerline of North Ferrall Street to its intersection of the centerline of East Liberty Avenue; then west along the centerline of East Liberty Avenue to its intersection with the centerline of North Thor Street; then north along the centerline of North Thor Street to its intersection with the centerline of East Garnet Avenue; then west along the centerline of East Garnet Avenue to its intersection with the centerline of the Burlington Northern – Santa Fe Railroad; then north along the centerline of the Burlington Northern – Santa Fe Railroad to its intersection with the centerline of East Francis Avenue and the Point of Beginning.

Precinct 3104

Beginning at the intersection of the centerlines of East Rowan Avenue and North Division Street within the corporate limits of the City of Spokane; then east along the centerline of East Rowan Avenue to its intersection with the centerline of North Nevada Street; then south along the centerline of North Nevada Street to its intersection with the centerline of East Wellesley Avenue; then west along the centerline of East Wellesley Avenue to its intersection with the centerline of North Division Street; then north along the centerline of North Division Street to its intersection with the centerline of East Rowan Avenue and the Point of Beginning.

Precinct 3105

Beginning at the intersection of the centerlines of North Nevada Street and East Columbia Avenue within the corporate limits of the City of Spokane; then east along the centerline of East Columbia Avenue to its intersection with the centerline of North Crestline Street; then south along the centerline of North Crestline Street to its intersection with the centerline of East Everett Avenue; then west along the centerline of East Everett Avenue to its intersection with the centerline of North Magnolia Street; then south along the centerline of North Magnolia Street to its intersection with the centerline of East Everett Avenue; then west along the centerline of East Everett Avenue to its intersection with the centerline of North Nevada Street; then north along the centerline of North Nevada Street to its intersection with the centerline of East Columbia Avenue and the Point of Beginning.

Precinct 3106

Beginning at the intersection of the centerlines of North Crestline Street and East Columbia Avenue within the corporate limits of the City of Spokane; then east along the centerline of East

Columbia Avenue and continuing along the easterly extension of East Columbia Avenue to its intersection with the centerline of the Burlington Northern – Santa Fe Railroad; then south along the centerline of the Burlington Northern – Santa Fe Railroad to its intersection with the easterly extension of East Diamond Avenue; then west along the centerline of the easterly extension of East Diamond Avenue and continuing along East Diamond Avenue to its intersection with the centerline of North Crestline Street; then north along the centerline of North Crestline Street to its intersection with the centerline of East Columbia Avenue and the Point of Beginning.

Precinct 3107

Beginning at the intersection of the centerlines of North Nevada Street and East Everett Avenue within the corporate limits of the City of Spokane; then east along the centerline of East Everett Avenue to its intersection with the centerline of North Magnolia Street; then north along the centerline of North Magnolia Street to its intersection with the centerline of East Everett Avenue; then east along the centerline of East Everett Avenue to its intersection with the centerline of North Crestline Street; then south along the centerline of North Crestline Street to its intersection with the centerline of East Wellesley Avenue; then west along the centerline of East Wellesley Avenue to its intersection with the centerline of North Nevada Street; then north along the centerline of North Nevada Street to its intersection with the centerline of East Everett Avenue and the Point of Beginning.

Precinct 3108

Beginning at the intersection of the centerlines of North Crestline Street and East Diamond Avenue within the corporate limits of the City of Spokane; then east along the centerline of East Diamond Avenue and continuing along the easterly extension of East Diamond Avenue to its intersection with the centerline of the Burlington Northern – Santa Fe Railroad; then South along the centerline of the Burlington Northern – Santa Fe Railroad to its intersection with the centerline of East Wellesley Avenue; then west along the centerline of East Wellesley Avenue to its intersection with the centerline of North Crestline Street; then north along the centerline of North Crestline Street to its intersection with the centerline of East Diamond Avenue and the Point of Beginning.

Precinct 3109

Beginning at the intersection of the centerlines of North Division Street and East Wellesley Avenue within the corporate limits of the City of Spokane; then east along the centerline of East Wellesley Avenue to its intersection with the centerline of North Nevada Street; then south along the centerline of North Nevada Street to its intersection with the centerline of East Rockwell Avenue; then west along the centerline of East Rockwell Avenue to its intersection with the centerline of North Division Street; then north along the centerline of North Division Street to its intersection with the centerline of East Wellesley Avenue and the Point of Beginning.

Precinct 3110

Beginning at the intersection of the centerlines of North Nevada Street and East Wellesley Avenue within the corporate limits of the City of Spokane; then east along the centerline of East Wellesley Avenue to its intersection with the centerline of North Crestline Street; then south along the centerline of North Crestline Street to its intersection with the centerline of East Rich Avenue; then west along the centerline of East Rich Avenue to its intersection with the centerline

of North Napa Street; then south along the centerline of North Napa Street to its intersection with the centerline of East Rockwell Avenue; then west along the centerline of East Rockwell Avenue to its intersection with the centerline of North Nevada Street; then north along the centerline of North Nevada Street to its intersection with the centerline of East Wellesley Avenue and the Point of Beginning.

Precinct 3111

Beginning at the intersection of the centerlines of North Crestline Street and East Wellesley Avenue within the corporate limits of the City of Spokane; then east along the centerline of East Wellesley Avenue to its intersection with the centerline of the Burlington Northern – Santa Fe Railroad; then South along the centerline of the Burlington Northern – Santa Fe Railroad to its intersection with the easterly extension of East Garland Avenue; then west along the centerline of the easterly extension of East Garland Avenue and continuing along East Garland Avenue to its intersection with the centerline of North Cook Street; then north along the centerline of North Cook Street to its intersection with the centerline of East Garland Avenue; then west along the centerline of East Garland Avenue to its intersection with the centerline of North Crestline Street; then north along the centerline of North Crestline Street to its intersection with the centerline of East Wellesley Avenue and the Point of Beginning.

Precinct 3112

Beginning at the northwest corner of the Greenfield Estates P.U.D. filed in Book 31, Page 58; then east along the north line of said P.U.D. to the northeast corner of said P.U.D.; then south along the east line of said P.U.D. to the southeast corner of said P.U.D.; then west along the south line of said P.U.D. to the southwest corner of Lot F, Block 3 of said P.U.D.; then west along the south line of the Greenfield Estates 1st Addition P.U.D. filed in Book 33, Page 42 to the southwest corner of said P.U.D.; then west to the west line of Section 35; Township 26 North, Range 43 East Willamette Meridian; then south to the southwest corner of said Section 35; then south along the west line of Section 2, T25N, R43EWM to the east-west centerline of south half of said Section 2; then east along the east-west centerline of the south half of said Section 2 to the north-south centerline of said Section 2; then north along the north-south centerline of said Section 2 to the southwest corner of the northwest quarter of the northwest quarter of the southeast quarter of said Section 2; then east to the southeast corner of the northwest quarter of the northwest quarter of the southeast quarter of said Section 2; then north to the northeast corner of the northwest quarter of the northwest quarter of the southeast quarter of said Section 2; then east to a line parallel to and 200 feet east of the north-south centerline of said Section 2 (said line being the boundary of the City of Spokane); then north along said parallel line to its intersection with the north line of said Section 2; then west along the north line of said Section 2 to its intersection with the centerline of North Custer Street; then north along the centerline of North Custer Street to its intersection with the centerline of East Wabash Avenue; then west along the centerline of East Wabash Avenue to its intersection with the west right of way line of North Morrill Street, the same being the boundary of the City of Spokane; then south along the boundary of the City of Spokane and the east right of way line of North Morrill Street as platted in Berg's Addition (not as constructed) to the north line of said Section 2; then west along the north line of said Section 2 to the southwest corner of Section 35; T26N, R43EWM; then north along the west line of said Section 35 to its intersection with the westerly extension of the north

line of the Greenfield Estates P.U.D. filed in Book 31, Page 58; then east along the extension of the north line of said P.U.D. to the northwest corner of said P.U.D. and the Point of Beginning.

Precinct 3113

Beginning at the intersection of the centerlines of North Division Street and East Rockwell Avenue within the corporate limits of the City of Spokane; then east along the centerline of East Rockwell Avenue to its intersection with the centerline of North Nevada Street; then south along the centerline of North Nevada Street to its intersection with the centerline of East Gordon Avenue; then west along the centerline line of East Gordon Avenue to its intersection with the centerline of North Division Street; then north along the centerline of North Division Street to its intersection with the centerline of East Rockwell Avenue and the Point of Beginning.

Precinct 3114

Beginning at the intersection of the centerlines of North Nevada Street and East Rockwell Avenue within the corporate limits of the City of Spokane; then east along the centerline of East Rockwell Avenue to its intersection with the centerline of North Napa Street; then north along the centerline of North Napa Street to its intersection with the centerline of East Rich Avenue; then east along the centerline of East Rich Avenue to its intersection with the centerline of North Crestline Street; then south along the centerline of North Crestline Street to its intersection with the centerline of East Gordon Avenue; then west along the centerline of East Gordon Avenue to its intersection with centerline of North Helena Street; then south along the centerline of North Helena Street to its intersection with the easterly extension of East Gordon Avenue (extended from the intersection of East Gordon Avenue and North Perry Street); then west along the centerline of the easterly extension of East Gordon Avenue and continuing along East Gordon Avenue to its intersection with the centerline of North Nevada Street; then north along the centerline of North Nevada Street to its intersection with the centerline of East Rockwell Avenue and the Point of Beginning.

Precinct 3115

Beginning at the intersection of the centerlines of North Division Street and East Gordon Avenue within the corporate limits of the City of Spokane; then east along the centerline of East Gordon Avenue to its intersection with the centerline of North Nevada Street; then south along the centerline of North Nevada Street to its intersection with the centerline of East Euclid Avenue; then west along the centerline of East Euclid Avenue to its intersection with the centerline of North Division Street; then north along the centerline of North Division Street to its intersection with the centerline of East Gordon Avenue and the Point of Beginning.

Precinct 3116

Beginning at the intersection of the centerlines of North Nevada Street and East Gordon Avenue within the corporate limits of the City of Spokane; then east along the centerline of East Gordon Avenue and continuing along the easterly extension of East Gordon Avenue (extended from the intersection of East Gordon Avenue and North Perry Street) to its intersection with the centerline of North Helena Street; then north along the centerline of North Helena Street to its intersection with the centerline of East Gordon Avenue; then east along East Gordon Avenue to its intersection with the centerline of North Crestline Street; then south along the centerline of North Crestline Street to its intersection with the centerline of East Euclid Avenue and East North

Foothills Drive; then west along the centerline of East North Foothills Drive to its intersection with the centerline of North Pittsburg Street; then north along the centerline of North Pittsburg Street to its intersection with the south line of Section 4, Township 25 North, Range 43 East Willamette Meridian; then west along the south line of said Section 4 and continuing west along the south line of Section 5, T25N, R43EWM to its intersection with the centerline of East Euclid Avenue; then west along the centerline of East Euclid Avenue to its intersection with the centerline of North Nevada Street; then north along the centerline of North Nevada Street to its intersection with the centerline of East Gordon Ave and the Point of Beginning.

Precinct 3117

Beginning at the intersection of the centerlines of North Crestline Street and East Garland Avenue within the corporate limits of the City of Spokane; then east along the centerline of East Garland Avenue to its intersection with the centerline of North Cook Street; then south along North Cook Street to its intersection with the centerline of East Garland Avenue; then east along the centerline of East Garland Avenue and continuing along the easterly extension of East Garland Avenue to its intersection with the centerline of the Burlington Northern – Santa Fe Railroad; then south along the centerline of the Burlington Northern – Santa Fe Railroad to its intersection with the westerly extension of East Garnet Avenue; then east along the centerline of the westerly extension of East Garnet Avenue and continuing along East Garnet Avenue to its intersection with the centerline of North Thor Street; then south along the centerline of North Thor Street to its intersection with the centerline of East Liberty Avenue; then east along the centerline of East Liberty Avenue to its intersection with the centerline of North Ferrall Street; then south along the centerline of North Ferrall Street to its intersection with the centerline of East Euclid Avenue; then west along the centerline of East Euclid Avenue to its intersection with the centerline of North Crestline Street; then north along the centerline of North Crestline Street to its intersection with the centerline of East Garland Avenue and the Point of Beginning.

Precinct 3118

Beginning at the intersection of the centerlines of North Division Street and East Euclid Avenue within the corporate limits of the City of Spokane; then east along the centerline of East Euclid Avenue to its intersection with the centerline of North Standard Street; then south along the centerline of North Standard Street to its intersection with the centerline of East Carlisle Avenue; then west along the centerline of East Carlisle Avenue to its intersection with the centerline of North Standard Street; then south along the centerline of North Standard Street to its intersection with the centerline of East Indiana Avenue; then east along the centerline of East Indiana Avenue to its intersection with the centerline of North Hamilton Street; then south along the centerline of North Hamilton Street to its intersection with the eastbound centerline of East Mission Avenue; then west along the eastbound centerline of East Mission Avenue to its intersection with the centerline of North Division Street; then north along the centerline of North Division Street to its intersection with the centerline of East Euclid Avenue and the Point of Beginning.

Precinct 3119

Beginning at the intersection of the centerlines of North Standard Street and East Euclid Avenue, also being on the north line of Section 8, Township 25 North, Range 43 East Willamette Meridian within the corporate limits of the City of Spokane; then east the north line of said Section 8 and continuing along the north line of Section 9, T25N, R43EWM to its intersection

with the centerline of North Pittsburg Street; then south along the centerline of North Pittsburg Street to its intersection with the centerline of East North Foothills Drive; then east along the centerline of East North Foothills Drive to its intersection with the centerline of North Crestline Street; then south along the centerline of North Crestline Street to its intersection with the centerline of East Illinois Avenue; then southwest along the centerline of East Illinois Avenue to its intersection with the centerline of North Perry Street; then north along the centerline of North Perry Street to its intersection with the centerline of East Montgomery Avenue; then west along the centerline of East Montgomery Avenue to its intersection with the centerline of North Standard Street; then north along the centerline of North Standard Avenue to its intersection with the centerline of East Carlisle Avenue; then east along the centerline of East Carlisle Avenue to its intersection with the centerline of North Standard Street; then north along the centerline of North Standard Street to its intersection with the centerline of East Jackson Avenue; then north along the centerline of the northerly extension of the centerline of North Standard Street to its intersection with the centerline of East Buckeye Avenue; then North along the centerline of North Standard Street to its intersection with the centerline of East Euclid Avenue and the Point of Beginning.

Precinct 3120

Beginning at the intersection of the centerlines of North Crestline Street and East Euclid Avenue within the corporate limits of the City of Spokane; then east along the centerline of East Euclid Avenue to its intersection with the centerline of North Greene Street; then south along the centerline of North Greene Street to its intersection with the centerline of East Cleveland Avenue; then east along the centerline of East Cleveland Avenue to its intersection with the centerline of North Greene Street; then south along the centerline of North Greene Street to its intersection with the centerline of East Grace Avenue; then east along the centerline of East Grace Avenue to its intersection with the centerline of East Illinois Avenue; then southwest along the centerline of East Illinois Avenue to its intersection with the centerline of North Greene Street; then south along the centerline of North Green Street to its intersection with the centerline of the Spokane River; then westerly along the centerline of the Spokane River to its intersection with the centerline of the southerly extension of North Crestline Street; then north along the southerly extension of the centerline of North Crestline Street and continuing north along North Crestline Street to its intersection with the centerline of East North Crescent Avenue; then north along the northerly extension of North Crestline Street to its intersection with the centerline of East Illinois Avenue; then north along the centerline of North Crestline Street to its intersection with the centerline of East Euclid Avenue and the Point of Beginning.

Precinct 3121

Beginning at the intersection of the centerlines of East Euclid Avenue and North Greene Street within the corporate limits of the City of Spokane; then east along the centerline of East Euclid Avenue to its intersection with the centerline of North Freya Street; then north along the centerline of North Freya Street to its intersection with the centerline of East Liberty Avenue; then east along the centerline of East Liberty Avenue to its intersection with the centerline of East Minnehaha Park; then east along the centerline of East Minnehaha Park to its intersection with the centerline of North Havana Street; then south along the centerline of North Havana Street to its intersection with the centerline of East Marietta Avenue; then west along the centerline of East Marietta Avenue to its intersection with the centerline of North Greene Street;

then north along the centerline of North Greene Street to its intersection with the centerline of East Illinois Avenue; then northeast along the centerline of East Illinois Avenue to its intersection with the centerline of East Grace Avenue; then west along the centerline of East Grace Avenue to its intersection with the centerline of North Greene Street; then north along the centerline of North Greene Street to its intersection with the centerline of East Cleveland Avenue; then west along the centerline of East Cleveland Avenue to its intersection with the centerline of North Greene Street; then north along the centerline of North Green Street to its intersection with the center line of East Euclid Avenue and the Point of Beginning.

Precinct 3122

Beginning at the intersection of North Standard Street and East Montgomery Avenue within the corporate limits of the City of Spokane; then east along the centerline of East Montgomery Avenue to its intersection with the centerline of North Perry Street; then south along the centerline of North Perry Street to its intersection with the centerline of East Illinois Avenue; then northeasterly along the centerline of East Illinois Avenue to its intersection with the centerline of North Crestline Street (North Crestline Street continues to the north only at this intersection); then south along the southerly extension of the centerline of North Crestline Street to its intersection with the centerline of North Crestline Street and East North Crescent Avenue; then south along the centerline of North Crestline Street and continuing along the southerly extension of North Crestline Street to its intersection with the centerline of the Spokane River; then southwesterly along the centerline of the Spokane River to the point at which the centerline of the Spokane River is crossed over by East Mission Avenue (Mission Avenue Bridge); then west along the centerline of East Mission Avenue to its intersection with the centerline of North Perry Street; then west along the eastbound centerline of East Mission Avenue to its intersection with the centerline of North Hamilton Street; then north along the centerline of North Hamilton Street to its intersection with the centerline of East Indiana Avenue; then west along the centerline of East Indiana Avenue to its intersection with the centerline of North Standard Street; then north along the centerline of North Standard Street to its intersection with the centerline of East Montgomery Avenue and the Point of Beginning.

Precinct 3123

Beginning at the intersection of the centerlines of North Greene Street and East Marietta Avenue within the corporate limits of the City of Spokane; then east along the centerline of East Marietta Avenue to its intersection with the centerline of North Havana Street; then south along the centerline of North Havana Street and continuing along the southerly extension of North Havana Street to its intersection with the centerline of the Spokane River; then westerly along the centerline of the Spokane River to the point where it is crosses over by the centerline of North Greene Street and the Greene Street Bridge; then north along the centerline of North Greene Street to its intersection with the centerline of East Marietta Avenue and the Point of Beginning.

Precinct 3124

Beginning at the intersection of the centerline of the Spokane River and the northwesterly extension of North Cook Street within the corporate limits of the city of Spokane; then southeasterly along the northwesterly extension of the centerline of North Cook Street and continuing along the centerline North Cook Street to its intersection with the centerline of East Marshall Avenue; then northeasterly along the centerline of East Marshall Avenue to its

intersection with the centerline of North Smith Street; then southeasterly along the centerline of North Smith Street to its intersection with the centerline of East South Crescent Avenue; then northeasterly along the centerline of East South Crescent Avenue to its intersection with the centerline of North Smith Street; then south along the centerline of North Smith Street to its intersection with the centerline of East Mission Avenue; then west along the centerline of East Mission Avenue to its intersection with the centerline of North Cook Street; then south along the centerline of North Cook Street to its intersection with the centerline of East Sinto Avenue; then east along the centerline of East Sinto Avenue to its intersection with the centerline of North Smith Street; then south along the centerline of North Smith Street to its intersection with the centerline of East Sharp Avenue; then west along the centerline of East Sharp Avenue and continuing along the westerly extension of East Sharp Avenue to its intersection with the centerline of the Spokane River; then northeasterly along the centerline of the Spokane River to its intersection with the northwesterly extension of North Cook Street and the Point of Beginning.

Precinct 3125

Beginning at the intersection of the centerline of the Spokane River and the northwesterly extension of North Cook Street within the corporate limits of the City of Spokane; then east along the centerline of the Spokane River to its intersection with the east line of Section 10, Township 25 North, Range 43 East Willamette Meridian; then south along the east line of said Section 10 to its intersection with the westbound centerline of Interstate 90; then west along the westbound centerline of Interstate 90 to its intersection with the west line of Section 22, T25N, R43EWM; then north along the west line of said section 22 and continuing north along the west line of Section 15, T25N, R43EWM to its intersection with the centerline East Sharp Avenue; then west along the centerline of East Sharp Avenue to its intersection with the centerline of North Smith Street; then north along the centerline of North Smith Street to its intersection with the centerline of East Sinto Avenue; then west along the centerline of East Sinto Avenue to its intersection with the centerline of North Cook Street; then north along the centerline of North Cook Street to its intersection with the centerline of East Mission Avenue; then east along the centerline of East Mission Avenue to the centerline of North Smith Street; then north along the centerline of North Smith Street to its intersection with the centerline of East South Crescent Avenue; then southwest along the centerline of East South Crescent Avenue to its intersection with the centerline of North Smith Street; then northwest along the centerline of North Smith Street to its intersection with the centerline of East Marshall Avenue; then southwesterly along the centerline of East Marshall Avenue to its intersection with North Cook Street; then northwesterly along the centerline of North Cook Street and continuing along the northwesterly extension of North Cook Street to its intersection with the centerline of the Spokane River and the Point of Beginning.

Precinct 3126

Beginning at the intersection with the centerline of Spokane River and the west line of Section 11, Township 25 North, Range 43 East Willamette Meridian; said point also being on the City of Spokane corporate limits boundary; then northeasterly along the centerline of the Spokane River to its intersection with the easterly extension of the centerline of East Buckeye Avenue; then west along the easterly extension of the centerline of East Buckeye Avenue to its intersection with the centerline of East Upriver Drive; then northeasterly along the centerline of East Upriver

Drive to its intersection with a line parallel to and 396 feet east of the east line of Section 2, T25N, R43EWM; then north along said parallel line to the east-west centerline of the south half of said Section 2; then east to the west line of said Section 2 and continuing east along the east-west centerline of the south half of Section 1, T25N, R45EWM to the north-south centerline of the southwest quarter of said Section 1; then north to the east-west centerline of the northeast quarter of the southwest quarter of said Section 1; then east to its intersection with the centerline of East Upriver Drive; then northeasterly along the centerline of East Upriver Drive to its intersection with the east-west centerline of said Section 1; then east along said east-west centerline of Section 1 to its intersection with the west line of Parcel 35014.0301 (also described as follows: Rivercrest Addition (Tax Purposes Only) Portion of Lot 8, Block 1 in Tax District 0410), then southeasterly and northeasterly along the west and east boundaries of said parcel (also being the boundary of the City of Spokane) to its intersection with the east-west centerline of said Section 1, then continuing east along the east-west centerline to a point 318 feet west of the east line of said Section 1 the same point being on the boundary of the City of Spokane Corporate Limits, then northerly, easterly, southerly, and easterly along the boundary of the City of Spokane Corporate Limits to its intersection with the east line of Section 1, T25N, R43EWM; then south along the east line of said Section 1 to its intersection with the centerline of East Bridgeport Avenue; then west along the centerline of East Bridgeport Avenue to its intersection with the centerline of North Coleman Road; then south along the centerline of North Coleman Road to its intersection with the centerline of East Euclid Avenue; then west along the centerline of East Euclid Avenue to its intersection with the City of Spokane Boundary; then east and south along the City of Spokane Boundary and continuing along the southerly extension of the City of Spokane boundary to its intersection with the centerline of East Rutter Avenue; then southwest along the centerline of East Rutter Avenue to its intersection with the centerline of North Fancher Way; then south along the centerline of North Fancher Way to the point where North Fancher Way overpasses the centerline of the Burlington Northern – Santa Fe Railroad; then southwesterly along the Burlington Northern – Santa Fe Railroad to its intersection with the west line of Section 14, T25N, R43EWM; then north along the west line of said Section 14 and continuing along the west line of Section 11, T25N, R43EWM to its intersection with the centerline of the Spokane River and the Point of Beginning.

Precinct 3127

Beginning at the intersection of the centerline of North Division Street and the eastbound centerline of East Mission Avenue within the corporate limits of the City of Spokane; then east along the eastbound centerline of East Mission Avenue to its intersection with the centerline of North Perry Street; then east along the centerline of East Mission Avenue to the point at which East Mission Avenue (Mission Avenue Bridge) crosses over the centerline of the Spokane River; then southwesterly along the centerline of the Spokane River to the point at which it is crossed over by the South Interstate 90 East 282 On Ramp/Overpass (Hamilton Avenue On Ramp); then southerly along the South Interstate 90 East 282 On Ramp/Overpass (Hamilton Avenue On Ramp) to the point at which the South Interstate 90 East 282 On Ramp/Overpass crosses over the East 3rd Avenue-East Sprague Avenue overpass/access ramp where it connects to East Sprague Avenue; then southwesterly along the centerline of East 3rd Avenue-East Sprague Avenue overpass/access ramp (also called South Sprague Way) to the point where the East 3rd Avenue-East Sprague Avenue overpass/access ramp (also called South Sprague Way) crosses over East 2nd Avenue; then easterly along the centerline of East 2nd Avenue to its intersection with the

centerline of South Arthur Street; then south along the centerline of South Arthur Street to the point at which Interstate 90 is overpassed by the centerline of South Arthur Street; then westerly along the westbound centerline of Interstate 90 to the point at which the westbound centerline of Interstate 90 overpasses the centerline of South Division Street; then north along the centerline of South Division Street to its intersection with West Sprague Avenue; then north along the centerline of North Division Street to its intersection with the eastbound centerline of East Mission Avenue and the Point of Beginning.

Precinct 3128

Beginning at the intersection of the westerly extension of the centerline of East Sharp Avenue and the centerline of the Spokane River within the corporate limits of the City of Spokane; then east along the westerly extension of the centerline of East Sharp Avenue and continuing east along East Sharp Avenue to its intersection with the east line of Section 16, Township 25 North, Range 43 East Willamette Meridian; then south along the east line of said Section 16 to its intersection with the westbound centerline of Interstate 90; then westerly along the westbound centerline of Interstate 90 to the point at which Interstate 90 is overpassed by the centerline of South Arthur Street; then north along the centerline of South Arthur Street to its intersection with the centerline of East 2nd Avenue; then west along East 2nd Avenue to the point where the East 3rd Avenue-East Sprague Avenue overpass/access ramp (also called South Sprague Way) crosses over East 2nd Avenue; then northeasterly along the East 3rd Avenue-East Sprague Avenue overpass/access ramp to the point where the South Interstate 90 East 282 On Ramp/Overpass (Hamilton Avenue On Ramp) crosses over the East 3rd Avenue-East Sprague Avenue overpass/access ramp where it connects to East Sprague Avenue; then north along the South Interstate 90 East 282 On Ramp/Overpass (Hamilton Avenue On Ramp) to the point where it crosses over the centerline of the Spokane River; then northeasterly along the centerline of the Spokane River to its intersection with the westerly extension of East Sharp Avenue and the Point of Beginning.

Precinct 3200

Beginning at the intersection of the centerline of the Spokane River and a line extended north from the intersection of the centerlines of North Elm Street and West Clarke Avenue within the corporate limits of the City of Spokane; then south to the intersection of the centerlines of North Elm Street and West Clarke Avenue; then east along the centerline of West Clarke Avenue to its intersection with the northerly extension of the east line of Lot 9, Block 5 of West Riverside 1st Addition; then south along the northerly extension of the east line of said Lot 9 to its intersection with the northeast corner of said Lot 9, then south along the east line of Lot 9, Block 5 of West Riverside 1st Addition to its intersection with the northeast corner of Lot 5, Block 1 of West Riverside Addition; then south along the east line of Lot 5, Block 1 of West Riverside Addition and continuing south along the southerly extension of the east line of Lot 5, Block 1 of West Riverside Addition to its intersection with the centerline of West Riverside Avenue; then west along the centerline of West Riverside Avenue to its intersection with the centerline of South Elm Street; then south along the centerline of South Elm Street to its intersection with the centerline of West Pacific Avenue; then west along the centerline of West Pacific Avenue to its intersection with the centerline of South Poplar Street; then south along the centerline of South Poplar Street to its intersection with the centerline of West 3rd Avenue; then west along the centerline of West 3rd Avenue to its intersection with the centerline of South Coeur d'Alene

Street; then west along the westerly extension of the centerline of West 3rd Avenue to its intersection with the centerline of Latah (Hangman) Creek; then northwesterly and northeasterly along the centerline of Latah (Hangman) Creek to its intersection with the centerline of the Spokane River; then southerly, northeasterly, and easterly along the centerline of the Spokane River to its intersection and a line extended north from the intersection of the centerlines of North Elm Street and West Clarke Avenue and the Point of Beginning.

Precinct 3201

Beginning at the intersection of the centerline of the Spokane River and a line extended north from the intersection of the centerlines of North Elm Street and West Clarke Avenue within the corporate limits of the City of Spokane; then northeasterly and easterly along the centerline of the Spokane River to the point where the centerline of the Spokane River is crossed over by the centerline of North Monroe Street at the Monroe Street Bridge; then south along the centerline of North Monroe Street to its intersection with the centerline of West Sprague Avenue and South Monroe Street; then south along South Monroe Street to the point at which the centerline of North Monroe Street is overpassed by the westbound centerline of Interstate 90; then westerly and southwesterly along the westbound centerline of Interstate 90 to its intersection with the southerly extension of the centerline of South Elm Street: then north along the southerly extension of South Elm Street and continuing north along the centerline of South Elm Street to its intersection with the centerline of West 5th Avenue; then north along the centerline of South Elm Street and continuing along the northerly extension of South Elm Street to its intersection with the centerline of West 4th Avenue; then west along the centerline of West 4th Avenue to its intersection with the centerline of West Sunset Boulevard; then northeasterly along the centerline of West Sunset Boulevard to its intersection with the centerline of South Elm Street; then north along the centerline of South Elm Street to its intersection with the centerline of West Riverside Avenue; then east along the centerline of West Riverside Avenue to its intersection with the southerly extension of the east line of Lot 5, Block 1 of the West Riverside Addition; then north along the southerly extension of the east line of Lot 5, Block 1 of the West Riverside Addition and continuing along the east line Lot 5, Block 1 of the West Riverside Addition to its intersection with the southeast corner of Lot 9, Block 5 of West Riverside 1st Addition; then north along the east line of Lot 9, Block 5 West Riverside 1st Addition and continuing along the northerly extension of the east line of Lot 9, Block 5 West Riverside 1st Addition to its intersection with the centerline of West Clarke Avenue; then west along the centerline of West Clarke Avenue to its intersection with the centerline of North Elm Street; then north along a line extended north from the intersection of the centerlines of North Elm Street and West Clarke Avenue to its intersection with the centerline of the Spokane River and the Point of Beginning.

Precinct 3202

Beginning at the point at which the westbound centerline of Interstate 90 overpasses the centerline of South Division Street; then westerly along the westbound centerline of Interstate 90 to the point at which the westbound centerline of Interstate 90 overpasses the centerline of South Monroe Street; then north along the centerline of South Monroe Street to its intersection with the centerline of West Sprague Avenue; then north along the centerline of North Monroe Street to the point at which the centerline of North Monroe Street (Monroe Street Bridge) crosses over the centerline of the Spokane River; then northeasterly and southeasterly along the centerline of the Spokane River to the point at which the centerline of North Division Street (Division Street Bridge) crosses over the centerline of the Spokane River; then south along the centerline of

North Division Street to its intersection with the centerline of West Sprague Avenue; then south along the centerline of South Division Street to the point at which the westbound centerline of Interstate 90 overpasses the centerline of South Division Street and the Point of Beginning.

Precinct 3203

Beginning at the intersection of the centerlines of West 7th Avenue and South Inland Empire Way within the corporate limits of the City of Spokane; then north along the centerline of South Inland Empire Way to the point at which it is overpassed by the westbound centerline of Interstate 90; then easterly along the westbound centerline of the Interstate 90 to its intersection with the centerline of South Monroe Street; then south along the centerline of South Monroe Street to its intersection with the centerline of West 8th Avenue; then west along the centerline of West 8th Avenue to its intersection with centerline of South Cedar Street; then north along South Cedar Street to its intersection with the centerline of West 8th Avenue; then west along West 8th Avenue to its intersection with the centerline of South Walnut Street; then south along the centerline of South Walnut Street to its intersection with the centerline of West 10th Avenue; then west along the centerline of West 10th Avenue to its intersection with the centerline of South Cannon Street; then north along the centerline of South Cannon Street to its intersection with the centerline of West 9th Avenue; then west along the centerline of West 9th Avenue and continuing along the westerly extension of West 9th Avenue to its intersection with the west line of the southeast quarter of Section 24, Township 25 North, Range 42 East Willamette Meridian; then north along the west line of the southeast quarter of said Section 24 to its intersection with the centerline of West 7th Avenue; then west along West 7th Avenue to its intersection with the centerline of South Inland Empire Way and the Point of Beginning.

Precinct 3204

Beginning at the point at which the centerline of South Monroe Street is overpassed by the westbound centerline of Interstate 90 within the corporate limits of the City of Spokane; then east along the westbound centerline of Interstate 90 to the point at which the westbound centerline of Interstate 90 overpasses the centerline of South Division Street; then south along the centerline of South Division Street to its intersection with the centerline of West 8th Avenue; then south along the southerly extension of South Division Street to its intersection with the centerline of West 9th Avenue; then westerly along the centerline of West 9th Avenue to its intersection with the centerline of East Rockwood Boulevard; then southeasterly along the centerline of East Rockwood Boulevard to its intersection with the northerly extension of the centerline of North Division Street; then south along the northerly extension of South Division Street to its intersection with the centerline of South Grand Boulevard; then northwesterly along the centerline of South Grand Boulevard to its intersection with the centerline of West Cliff Avenue; then westerly and southerly along the centerline of West Cliff Avenue to its intersection with South Lincoln Street; then northwesterly along the centerline of South Lincoln Street to its intersection with the centerline of West 9th Avenue; then west along the centerline of West 9th Avenue to its intersection with the centerline of South Monroe Street; then north along the centerline of South Monroe Street to the point at which the centerline of South Monroe Street is overpassed by the westbound centerline of Interstate 90 and the Point of Beginning.

Precinct 3205

Beginning at the point at which the centerline of South Division Street is overpassed by the

westbound centerline of Interstate 90 within the corporate limits of the City of Spokane; then east along the westbound centerline of Interstate 90 to the point at which the westbound centerline of Interstate 90 is overpassed by the centerline of South Arthur Street; then south along the centerline of South Arthur Street to its intersection with the centerline of East Hartson Avenue; then west along the centerline of East Hartson Avenue to its intersection with the centerline of South Hatch Street; then south along the centerline of South Hatch Street to its intersection with the centerline of South Southeast Boulevard and East 10th Avenue; then southeasterly along the centerline of South Southeast Boulevard to its intersection with the centerline of South Ballou Road; then southwesterly along the centerline of South Ballou Road to its intersection with the centerline of East Rockwood Boulevard; then northwesterly along the centerline of East Rockwood Boulevard to its intersection with the centerline of West 9th Avenue and West Rockwood Boulevard; then northeasterly along the centerline of West 9th Avenue to its intersection with southerly extension of the centerline of South Division Street; then north along the southerly extension of South Division Street and continuing north along the centerline of South Division Street to the point at which the centerline of South Division Street is overpassed by the westbound centerline of Interstate 90 and the Point of Beginning.

Precinct 3206

Beginning at the point at which the centerline of South Arthur Street overpasses the westbound centerline of Interstate 90 within the corporate limits of the City of Spokane; then easterly along the centerline of Interstate 90 to its intersection with the east line of Section 20, Township 25 North, Range 43 East Willamette Meridian; then south along the east line of said Section 20 to its intersection with the centerline of East 7th Avenue; then southwesterly along the centerline of East 7th Avenue to its intersection with the centerline of East Newark Avenue; then southeasterly along the centerline of East Newark Avenue to its intersection with the centerline of South Perry Street; then south along the centerline of South Perry Street to its intersection with the centerline of East 13th Avenue; then west along the centerline of East 13th Avenue to its intersection with the centerline of South Southeast Boulevard; then southeasterly along the centerline of South Southeast Boulevard to its intersection with the centerline of East 14th Avenue; then westerly along the centerline of East 14th Avenue and continuing along East 14th Avenue extended to its intersection with the centerline of South Vista Lane; then west along the centerline of East 14th Avenue to its intersection with the centerline of South Ballou Rd; then northeasterly along the centerline of South Ballou Rd to its intersection with the centerline of South Garfield Street; then north along the centerline of South Garfield Street to its intersection with the centerline of South Hatch Street; then north along the centerline of South Hatch Street to its intersection with the centerline of East Hartson Avenue; then east along the centerline of East Hartson Avenue to its intersection with the centerline of South Arthur Street; then north along the centerline of Arthur Street to the point at which the centerline of South Arthur Street overpasses the westbound centerline of Interstate 90 Point of Beginning.

Precinct 3207

Beginning at the intersection of the west line of Section 21, Township 25 North, Range 43 East Willamette Meridian and the westbound centerline of Interstate 90 within the corporate limits of the City of Spokane; then east along the westbound centerline of Interstate 90 to the point at which the westbound centerline of Interstate 90 overpasses the centerline of South Altamont Street; then south along the centerline of South Altamont Street to its intersection with the

centerline of the Ben Burr Trail (formerly the centerline of the Great Northern Railroad); then northwesterly along the centerline of the Ben Burr Trail to its intersection with the north-south centerline of Section 21, T25N, R43EWM; then south along the north-south centerline of said Section 21 to its intersection with the centerline of East 9th Avenue; then west along the centerline of East 9th Avenue to its intersection with the centerline of South Perry Street; then north along the centerline of South Perry Street to its intersection with the centerline of East Newark Avenue; then northwesterly along the centerline of East Newark Avenue to its intersection with the centerline of East 7th Avenue; then northeasterly along the centerline of East 7th Avenue to its intersection with the west line of said Section 21; then north along the west line of said Section 21 to its intersection with the westbound centerline of Interstate 90 and the Point of Beginning.

Precinct 3208

Beginning at the point at which the centerline of South Altamont Street is overpassed by the westbound centerline of Interstate 90 within the corporate limits of the City of Spokane; then east along the westbound centerline of Interstate 90 to the point at which the centerline of South Freya Street overpasses the westbound centerline of Interstate 90; then south along the centerline of South Freya Street to its intersection with the centerline of South Ferrall Street; then southwestly along the centerline of South Ferrall Street to its intersection with the centerline of East Ben Burr Boulevard; then northwesterly along the centerline of East Ben Burr Boulevard to its intersection with the centerline of East 14th Avenue; then west along the centerline of East 14th Avenue to its intersection with the centerline of South Ray Street; then north along the centerline of South Ray Street and continuing along the northerly extension of South Ray Street to its intersection with the centerline of the Ben Burr Trail (formerly the centerline of the Great Northern Railroad); then westerly along the centerline of the Ben Burr Trail to its intersection with the centerline of South Altamont Street; then north along the centerline of South Altamont Street to the point at which the centerline of South Altamont Street is overpassed by the westbound centerline of Interstate 90 and the Point of Beginning.

Precinct 3209

Beginning at the point at which the centerline of South Freya Street overpasses the westbound centerline of Interstate 90 within the corporate limits of the City of Spokane; then east along the westbound centerline of Interstate 90 to its intersection with the east line of Section 22, Township 25 North, Range 43 East Willamette Meridian; then south along the east line of said Section 22 to the southeast corner of said Section 22; then west along the south line of said Section 22 to its intersection with the north-south centerline of said Section 22 (also being the intersection of the centerlines of East 14th Avenue and South Freya Street); then north along the centerline of South Freya Street to the point at which the centerline of South Freya Street overpasses the westbound centerline of Interstate 90 and the Point of Beginning.

Precinct 3210

Beginning at the intersection of the centerlines of South Walnut Street and West 8th Avenue within the corporate limits of the City of Spokane; thence east along the centerline of West 8th Avenue to its intersection with the centerline of South Monroe Street; then south along the centerline of South Monroe Street to its intersection with the centerline of West 9th Avenue; then west along the centerline of West 9th Avenue to its intersection with the centerline of South Madison Street; then south along the centerline of South Madison Street to its intersection with

the centerline of West 14th Avenue; then east along the centerline of West 14th Avenue to its intersection with the centerline of South Monroe Street; then south along the centerline of South Monroe Street to its intersection with the centerline of West 17th Avenue; then west along the centerline of West 17th Avenue to its intersection with the centerline of South Cedar Street; then south along the centerline of South Cedar Street to its intersection with the centerline West 17th Avenue; then west along the centerline of West 17th Avenue to its intersection with the centerline of South Walnut Street; then north along the centerline of South Walnut Street to its intersection with the centerline of West 11th Avenue; then northeasterly along the centerline of West 11th Avenue to its intersection with the northbound centerline of South Walnut Place; then north along the northbound centerline of South Walnut Place to its intersection with West 10th Avenue; then east along the centerline of West 10th Avenue to its intersection with the centerline of South Walnut Street; then North along the centerline of South Walnut Street to its intersection with the centerline of West 8th Avenue to the Point of Beginning.

Precinct 3211

Beginning at the intersection of the centerlines of South Madison Street and West 9th Avenue within the corporate limits of the City of Spokane; then east along the centerline of West 9th Avenue to its intersection with the centerline of South Lincoln Street; then southeasterly along the centerline of South Lincoln Street to its intersection with the centerline of West Cliff Drive; then northeasterly along the centerline of West Cliff Drive to its intersection with the centerline of West Sumner Avenue; then east along the centerline of West Sumner Avenue to its intersection with the centerline of South Wall Street; then southerly along the centerline of South Wall Street to its intersection with the centerline of West 14th Avenue; thence east along the centerline of West 14th Avenue to its intersection with the centerline of South Bernard Street; then south along the centerline of South Bernard Street to its intersection with the centerline of West 17th Avenue; then west along the centerline of West 17th Avenue to its intersection with the centerline of South Lincoln Street; then south along the centerline of South Lincoln Street to its intersection with the centerline of West 17th Avenue; then west along the centerline of West 17th Avenue to its intersection with the centerline of South Monroe Street; then north along the centerline of South Monroe Street to its intersection with the centerline of West 14th Avenue; then west along the centerline of West 14th Avenue to its intersection with the centerline of South Madison Street; then north along the centerline of South Madison Street to its intersection with the centerline of West 9th Avenue and the Point of Beginning.

Precinct 3212

Beginning at the intersection of the centerlines of West Cliff Avenue and West Summer Avenue within the corporate limits of the City of Spokane; then northeasterly and southeasterly along the centerline of West Cliff Avenue to its intersection with the centerline of South Grand Boulevard; then southeasterly along the centerline of South Grand Boulevard to its intersection with the northerly extension of the centerline of South Division Street; then south along the northerly extension of the centerline of South Division Street and continuing south along the centerline of South Division Street to its intersection with the centerline of West 17th Avenue; then west along the centerline of West 17th Avenue to its intersection with the centerline of South Bernard Street; then north along the centerline of South Bernard Street to its intersection with the centerline of West 14th Avenue and South Grove Street; then west along the centerline of West 14th Avenue to its intersection with the centerline of South Wall Street; then northerly along the centerline of

South Wall Street to its intersection with the centerline of West Sumner Avenue; then west along the centerline of West Sumner Avenue to its intersection with the centerline of West Cliff Avenue and the Point of Beginning.

Precinct 3213

Beginning at the intersection of the northerly extension of South Division Street and the centerline of East Rockwood Boulevard within the corporate limits of the City of Spokane; then southeasterly along then centerline of East Rockwood Boulevard and continuing southeasterly along the centerline of South Rockwood Boulevard to its intersection with the centerline of East Upper Terrace Road; then southeasterly along the centerline of the northbound centerline of South Rockwood Boulevard to its intersection with the westbound centerline of East Highland Boulevard; then westerly along the westbound centerline of East Highland Boulevard to its intersection with the centerline of South Hatch Street; then south along the centerline of South Hatch Street to its intersection with the centerline of East 21st Avenue; then west along the centerline of East 21st Avenue to its intersection with the centerline of South Grand Boulevard; then north along the centerline of South Grand Boulevard to its intersection with the centerline of East 17th Avenue; then west along the centerline of East 17th Avenue to its intersection with the centerline of South Division Street; then north along the centerline of South Division Street and the northerly extension of South Division Street to its intersection with the centerline of East Rockwood Boulevard and the Point of Beginning.

Precinct 3214

Beginning at the intersection of the centerlines of South Ballou Road and East 14th Avenue within the Corporate limits of the City of Spokane; then east along the centerline of East 14th Avenue and continuing east along East 14th Avenue extended to its intersection with South Garfield Street; then east along the centerline of East 14th Avenue to its intersection with the centerline of South Southeast Blvd; then northwest along the centerline of South Southeast Blvd to its intersection with the centerline of East 13th Ave; then east along the centerline of East 13th Ave to its intersection with the centerline of South Perry Street; then south along the centerline of South Perry Street and continuing south along South Perry Street extended to its intersection with the centerline of East Overbluff Road; then south along the centerline of South Perry Street to its intersection with the centerline of East Rockwood Boulevard; then westerly along the centerline of East Rockwood Boulevard to its intersection with the centerline of South Arthur Street and South Rockwood Boulevard; then northwesterly and northerly along the westbound centerline of South Rockwood Boulevard to its intersection with the centerline of South Conklin Street and East Rockwood Boulevard; then westerly along the centerline of East Rockwood Boulevard to its intersection with the centerline of South Ballou Road; then north along the centerline of South Ballou Road to its intersection with the centerline of East 14th Avenue and the Point of Beginning.

Precinct 3215

Beginning at the intersection of the centerlines of South Perry Street and East 14th Avenue within the corporate limits of the City of Spokane; then east along the centerline of East 14th Avenue to its intersection with the centerline of South Crestline Street; then south along the centerline of South Crestline Street to its intersection with the centerline of East 15th Avenue; then west along the centerline of East 15th Avenue to its intersection with the centerline of South Martin Street;

then south along the centerline of South Martin Street to its intersection with the centerline of East 18th Avenue; then east along the centerline of East 18th Avenue to its intersection with the east line of the northwest quarter of Section 28, Township 25 North, Range 43 East Willamette Meridian; then south along the east line of said quarter section to its intersection with the centerline of East Southeast Boulevard; then westerly along the centerline of East Southeast Boulevard to its intersection with the centerline of South Madelia Street; then south along the centerline of South Madelia Street to its intersection with the centerline of East 19th Avenue; then west along the centerline of East 19th Avenue to its intersection with the centerline of South Hogan Street; then south along the centerline of South Hogan Street to its intersection with the centerline of East 20th Avenue; then west along the centerline of East 20th Avenue to its intersection with the centerline of South Perry Street; then north along the centerline of South Perry Street to its intersection with the centerline of East 14th Avenue and the Point of Beginning.

Precinct 3216

Beginning at the intersection of the northerly extension of the centerline of South Crestline Street and the centerline of the Ben Burr Trail (formerly the centerline of the Great Northern Railroad); then easterly along the centerline of the Ben Burr Trail to its intersection with the northerly extension of the centerline of South Ray Street; then south along the northerly extension of South Ray Street and continuing along the centerline of South Ray Street to its intersection with the centerline of East 19th Avenue; then west along the centerline of East 19th Avenue to its intersection with the centerline of South Mount Vernon Street; then north along the centerline of South Mount Vernon Street to its intersection with the centerline of East 17th Avenue; then west along the centerline of East 17th Avenue to its intersection with the centerline of South Martin Street; then north along the centerline of South Martin Street to its intersection with the centerline of East 15th Avenue; then east along the centerline of East 15th Avenue to its intersection with the centerline of South Crestline Street; then north along the centerline of South Crestline Street to its intersection with the centerline of East 11th Avenue; then east along the centerline of East 11th Avenue to its intersection with the north-south centerline of Section 21, Township 25 North, Range 43 East Willamette Meridian, then north along the north-south centerline of said Section 21 to its intersection with the centerline of the Ben Burr Trail and the Point of Beginning.

Precinct 3217

Beginning at the intersection with the centerlines of South Ray Street and East 14th Avenue within the corporate limits of the City of Spokane; then east along the centerline of East 14th Avenue to its intersection with the centerline of South Ben Burr Boulevard; then southeasterly along the centerline of South Ben Burr Boulevard to its intersection with the centerline of South Ferrell Street; then northeasterly along the centerline of South Ferrell Street to its intersection with the centerline of South Freya Street; then south along the centerline of South Freya Street to its intersection with the northwest corner of the northeast quarter of Section 27, Township 25 North, Range 43 East Willamette Meridian also being the intersection of the centerlines of South Freya Street and East 14th Avenue; then east along the north line of the northeast quarter of said Section 27 to the northeast corner of the northeast quarter of said Section 27; then south along the east line of the northeast quarter of said Section 27 to its intersection with the easterly extension of the centerline of East 21st Avenue; then west along the easterly extension of the

centerline of East 21st Avenue and continuing east along the centerline of East 21st Avenue to its intersection with the centerline of South Ray Street; then north along the centerline of South Ray Street to its intersection with the centerline of East 14th Avenue and the Point of Beginning.

Precinct 3218

Beginning at the intersection of the centerlines of East Rockwood Boulevard and South Perry Street within the corporate limits of the City of Spokane; then south along the centerline of South Perry Street and continuing along the southerly extension of South Perry Street to its intersection with the centerline of South Perry Street; then south along the centerline of South Perry Street to its intersection with the centerline of East 27th Avenue; then west along the centerline of East 27th Avenue to its intersection with the centerline of South Ivory Street; then south along the centerline of South Ivory Street to its intersection with the centerline of East 29th Avenue; then west along the centerline of East 29th Avenue to its intersection with the centerline of South Hatch Road; then north along the centerline of South Hatch Road to its intersection with the centerline of East 25th Avenue; then west along the centerline of East 25th Avenue to its intersection with the centerline of South Grand Boulevard; then northwesterly along the centerline of South Grand Boulevard to its intersection with the centerline of East 21st Avenue; then east along the centerline of East 21st Avenue to its intersection with the north centerline of East Highland Boulevard; then east along the north centerline of East Highland Boulevard to its intersection with the centerline of South Rockwood Boulevard; then southeast along the centerline of South Rockwood Boulevard and continuing east along the centerline of East Rockwood Boulevard to its intersection with the centerline of South Perry Street and the Point of Beginning.

Precinct 3219

Beginning at the intersection of the centerlines of East Southeast Boulevard and north-south centerline of Section 28, Township 25 North, Range 43 East Willamette Meridian within the corporate limits of the City of Spokane; the south along the north-south centerline of said Section 28 to its intersection with the south line of said Section 28, also being the intersection with East 29th Avenue; then west along the centerline of East 29th Avenue to its intersection with the centerline of South Ivory Street; then north along the centerline of South Ivory Street to its intersection with the centerline of East 27th Avenue; then east along the centerline of East 27th Avenue to its intersection with the centerline of South Perry Street; then north along South Perry Street to its intersection with the centerline of East 20th Avenue; then east along the centerline of East 20th Avenue to its intersection with the southerly extension of the centerline of South Hogan Street; then north along the southerly extension of South Hogan Street and continuing along the centerline of South Hogan Street to its intersection with the centerline of East 19th Avenue; then east along the centerline of East 19th Avenue to its intersection with the centerline of South Madelia Street; then north along the centerline of South Madelia Street to its intersection with the centerline of East Southeast Boulevard; then easterly along the centerline of East Southeast Boulevard to its intersection with the north-south centerline of Section 28, T25N, R43EWM and the Point of Beginning.

Precinct 3220

Beginning at the intersection of the centerlines of East 19th Avenue and South Ray Street within the corporate limits of the City of Spokane; then south along the centerline of South Ray Street

to its intersection with the centerline of East 27th Avenue; then west along the centerline of East 27th Avenue to its intersection with the north-south centerline of Section 28, Township 25 North, Range 43 East Willamette Meridian; then north along the north-south centerline of said Section 28 to its intersection with the centerline of East 18th Avenue; then west along the centerline of East 18th Avenue to its intersection with the centerline of South Martin Street; then north along the centerline of South Martin Street to its intersection with the centerline of East 17th Avenue; then east along the centerline of East 17th Avenue to its intersection with the centerline of South Mount Vernon Street; then south along the centerline of South Mount Vernon Street to its intersection with the centerline of East 19th Avenue; then east along the centerline of East 19th Avenue to its intersection with the centerline of South Ray Street and the Point of Beginning.

Precinct 3221

Beginning at the intersection with the centerlines of South Ray Street and East 21st Avenue within the corporate limits of the City of Spokane; then east along the centerline of East 21st Avenue to its intersection with the centerline of South Cuba Street; then east along the easterly extension of the centerline of East 21st Avenue to its intersection with the northerly extension of the centerline of South Havana Street; then south along the northerly extension of the centerline of South Havana Street and continuing south along the centerline of South Havana Street to its intersection with the centerline of East 29th Avenue; then west along the centerline of East 29th Avenue to its intersection with the centerline of South Thor Street; then north along the centerline of South Thor Street to its intersection with the centerline of East 28th Avenue; then west along the centerline of East 28th Avenue to its intersection with the centerline of South Ray Street; then north along the centerline of South Ray Street to its intersection with the centerline of East 21st Avenue and the Point of Beginning.

Precinct 3222

Beginning at the intersection of the centerlines of South Elm Street and West Pacific Avenue within the corporate limits of the city of Spokane; then south along the centerline of South Elm Street to its intersection with the centerline of West Sunset Boulevard; then southwesterly along the centerline of West Sunset Boulevard to its intersection with the centerline of West 4th Avenue; then east along the centerline of West 4th Avenue to its intersection with the northerly extension of the centerline of South Elm Street; then south along the northerly extension of South Elm Street and continuing south along South Elm Street to its intersection with West 5th Avenue; then south along the centerline of South Elm Street and continuing along the southerly extension of the centerline of South Elm Street to its intersection with the westbound centerline of Interstate 90; then southwesterly along the westbound centerline of Interstate 90 to the point at which the westbound centerline of Interstate 90 crosses over the centerline of Latah (Hangman) Creek; then northwesterly along the centerline of Latah (Hangman) Creek to its intersection with the westerly extension of the centerline of West 3rd Avenue; then east along said westerly extension to its intersection with the centerline of South Coeur d'Alene Street and the centerline of West 3rd Avenue; then east along the centerline of West 3rd Avenue to its intersection with the centerline of South Poplar St; then north along the centerline of South Poplar Street to its intersection with the centerline of West Pacific Avenue; then east along the centerline of West Pacific Avenue to its intersection with South Elm Street and the Point of Beginning.

Precinct 3223

Beginning at the intersection of the centerline of East 9th Avenue and the north-south centerline of Section 21, Township 25 North, Range 43 East Willamette Meridian; then south along the north-south centerline of said Section 21 to its intersection with the centerline of East 11th Avenue; then west along the centerline of East 11th Avenue to its intersection with the centerline of South Crestline Street; then south along the centerline of South Crestline Street to its intersection with the centerline of East 14th Avenue; then west along the centerline of East 14th Avenue to its intersection with the centerline of South Perry Street; then north along the centerline of South Perry Street to its intersection with the centerline of East 9th Avenue; then east along the centerline of East 9th Avenue to its intersection with the north-south centerline of Section 21, T25N, R43EWM and the Point of Beginning.

Precinct 3300

Beginning at the intersection of the centerlines of North Five Mile Road and West Saint Thomas More Way; then easterly along the centerline of Saint Thomas More Way to its intersection with the centerline of North Quamish Drive; then southerly along the centerline of North Quamish Drive to its intersection with the centerline of West Cascade Way; then northeasterly along the centerline of West Cascade Way to its intersection with the centerline of North Meghan Street; then northerly along the centerline of Meghan Street to its intersection with the centerline of West Saint Thomas More Way; then east along the centerline of West Saint Thomas More Way to its intersection with the centerline of North Hemlock Street; then north along the centerline of North Hemlock Street to its intersection with the centerline of West Stonewall Avenue; then east along the centerline of West Stonewall Avenue to its intersection with the centerline of North Austin Road; then southerly along the centerline of North Austin Road to its intersection with the east-west centerline of Section 25, Township 26 North Range 42 East Willamette Meridian; then west along the east-west centerline of said Section 25 to its intersection with the centerline of North Five Mile Road; then northwesterly and north along the centerline of North Five Mile Road to its intersection with the centerline of West Saint Thomas More Way and the Point of Beginning.

Precinct 3301

Beginning at the intersection of the centerline of North Country Homes Boulevard and North Cedar Street, then south North Cedar Street to its intersection with the centerline of West Francis Avenue; then west along the centerline of West Francis Avenue to its intersection with the centerline of North "A" Street, also being the southwest corner of Section 25, Township 26 North, Range 42 East Willamette Meridian; then north along the west line of said section 25 to its intersection with the east-west centerline of said Section 25; then east along said east-west centerline of said Section 25 to its intersection with the centerline of North Cedar Road; then southerly along the centerline of North Cedar Road to its intersection with the centerline of North Country Homes Boulevard; then northeasterly along the centerline of North Country Homes Boulevard to its intersection with the centerline of North Cedar Street and the Point of Beginning.

Precinct 3302

Beginning at the intersection of the centerlines of West Francis Avenue and North "A" Street within the corporate limits of the City of Spokane; then south along the centerline of North "A"

Street to its intersection with the centerline of West Rowan Avenue; then west along the centerline of West Rowan Avenue to its intersection with the centerline of North Sutherlin Street; then north along the centerline of North Sutherlin Street to its intersection with the southwesterly extension of the centerline of West Central Avenue; then northeast along the southwesterly extension of West Central Avenue and continuing along the centerline of West Central Avenue to its intersection with the centerline of North Fotheringham Street; then north along the centerline of North Fotheringham Street to its intersection with the centerline of West Francis Avenue; then east along the centerline of West Francis Avenue to its intersection with the centerline of North “A” Street and the Point of Beginning.

Precinct 3303

Beginning at the intersection of the centerlines of West Francis Avenue and North Belt Street within the corporate limits of the City of Spokane; then south along the centerline of North Belt Street to its intersection with the centerline of West Everett Avenue; then west along the centerline of West Everett Avenue to its intersection with the centerline of North “A” Street; then north along the centerline of North “A” Street to its intersection with the centerline of West Francis Avenue; then east along the centerline of West Francis Avenue to its intersection with the centerline of North Belt Street and the Point of Beginning.

Precinct 3304

Beginning at the intersection of the centerlines of West Francis Avenue and North Ash Street within the corporate limits of the City of Spokane; then south along the centerline of North Ash Street to its intersection with the centerline of West Queen Avenue; then west along the centerline of West Queen Avenue to its intersection with the centerline of North Belt Street; then north along the centerline of North Belt Street to its intersection with the centerline of West Francis Avenue; then east along the centerline of West Francis Avenue to its intersection with the centerline of North Ash Street and the Point of Beginning.

Precinct 3305

Beginning at the intersection of the centerlines of North Ash Street and West Francis Avenue within the corporate limits of the City of Spokane; then east along the centerline of West Francis Avenue to its intersection with the centerline of North Monroe Street; then south along the centerline of North Monroe Street to its intersection with the centerline of West Rowan Avenue; then west along the centerline of West Rowan Avenue to its intersection with the centerline of North Ash Street; then north along the centerline of North Ash Street to its intersection with the centerline of West Francis Avenue and the Point of Beginning.

Precinct 3306

Beginning at the intersection of the centerlines of North Monroe Street and West Francis Avenue within the corporate limits of the City of Spokane; then east along the centerline of West Francis Avenue to its intersection with the centerline of North Division Street; then south along the centerline of North Division Street to its intersection with the centerline of West Nebraska Avenue; then west along the centerline of West Nebraska Avenue to its intersection with the centerline of North Whitehouse Street; then south along the centerline of North Whitehouse Street to its intersection with the centerline of West Rowan Avenue; then west along the centerline of West Rowan Avenue to its intersection with the centerline of North Monroe Street;

then north along the centerline of North Monroe Street to its intersection with the centerline of West Francis Avenue and the Point of Beginning.

Precinct 3307

Beginning at the intersection of the centerlines of West Rowan Avenue and North “A” Street within the corporate limits of the City of Spokane; then south along the centerline of North “A” Street to its intersection with the centerline of West Wellesley Avenue; then west along the centerline of West Wellesley Avenue to its intersection with the centerline of North Greenwood Boulevard; then northwest along the centerline of North Greenwood Boulevard to its intersection with the centerline of West Rowan Avenue; then east along the centerline of West Rowan Avenue to its intersection with the centerline of North “A” Street and the Point of Beginning.

Precinct 3308

Beginning at the intersection of the centerlines of West Queen Avenue and North Ash Street within the corporate limits of the City of Spokane; then south along the centerline of North Ash Street to its intersection with the centerline of West Wellesley Avenue; then west along the centerline of West Wellesley Avenue to its intersection with the centerline of North “A” Street; then north along the centerline of North “A” Street to its intersection with the centerline of West Everett Avenue; then east along the centerline of West Everett Avenue to its intersection with the centerline of North Belt Street; then south along the centerline of North Belt Street to its intersection with the centerline of West Queen Avenue; then east along the centerline of West Queen Avenue to its intersection with the centerline of North Ash Street and the Point of Beginning.

Precinct 3309

Beginning at the intersection of the centerlines of North Ash Street and West Rowan Avenue within the corporate limits of the City of Spokane; then east along the centerline of West Rowan Avenue to its intersection with the centerline of North Monroe Street; then south along the centerline of North Monroe Street to its intersection with the centerline of West Wellesley Avenue; then west along the centerline of West Wellesley Avenue to its intersection with the centerline of North Ash Street; then north along the centerline of North Ash Street to its intersection with the centerline of West Rowan Avenue and the Point of Beginning.

Precinct 3310

Beginning at the intersection of the centerlines of North Monroe Street and West Rowan Avenue within the corporate limits of the City of Spokane; then east along the centerline of West Rowan Avenue to its intersection with the centerline of North Whitehouse Street; then north along the centerline of North Whitehouse Street to its intersection with the centerline of West Nebraska Avenue; then east along the centerline of West Nebraska Avenue to its intersection with the centerline of North Division Street; then south along the centerline of North Division Street to its intersection with the centerline of West Wellesley Avenue; then west along the centerline of West Wellesley Avenue to its intersection with the centerline of North Monroe Street; then north along the centerline of North Monroe Street to its intersection with the centerline of West Rowan Avenue and the Point of Beginning.

Precinct 3311

Beginning at the intersection of the centerlines of West Wellesley Avenue and North “I” Street within the corporate limits of the City of Spokane; Then South along the centerline of North “I” Street to its intersection with the centerline of West Providence Avenue; then west along the centerline of West Providence Avenue to its intersection with the centerline of West Northwest Boulevard; then northwesterly along the centerline of West Northwest Boulevard to its intersection with the centerline of North Assembly Street; then northerly along the centerline of North Assembly Street to its intersection with the centerline of West Wellesley Avenue; then east along the centerline of West Wellesley Avenue to its intersection with the centerline of North “I” Street and the Point of Beginning.

Precinct 3312

Beginning at the intersection of the centerlines of West Wellesley Avenue and North “A” Street within the corporate limits of the City of Spokane; then south along the centerline of North “A” Street to its intersection with the centerline of West Providence Avenue; then west along the centerline of West Providence Avenue to its intersection with the centerline of North “I” Street; then north along the centerline of North “I” Street to its intersection with the centerline of West Wellesley Avenue; then east along the centerline of Wellesley Avenue to its intersection with the centerline of North “A” Street and the Point of Beginning.

Precinct 3313

Beginning at the intersection of the centerlines of West Wellesley Avenue and North Ash Street within the corporate limits of the City of Spokane; then south along the centerline of North Ash Street to its intersection with the centerline of West Garland Avenue; then west along the centerline of West Garland Avenue to its intersection with the centerline of North Oak Street; then south along North Oak Street to its intersection with the centerline of West Kiernan Avenue; then westerly along the centerline of West Kiernan Avenue to its intersection with the centerline of North Cannon Street; then north along the centerline of North Cannon Street to its intersection with the centerline of West Providence Avenue; then west along the centerline of West Providence Avenue to its intersection with the centerline of North “A” Street; then north along the centerline of North “A” Street to its intersection with the centerline of West Wellesley Avenue; then east along the centerline of West Wellesley Avenue to its intersection with the centerline of North Ash Street and the Point of Beginning.

Precinct 3314

Beginning at the intersection of the centerlines of North Ash Street and West Wellesley Avenue within the corporate limits of the City of Spokane; then east along the centerline of West Wellesley Avenue to its intersection with the centerline of North Monroe Street; then south along the centerline of North Monroe Street to its intersection with the centerline of West Garland Avenue; then west along the centerline of West Garland Avenue to its intersection with the centerline of North Ash Street; then north along the centerline of North Ash Street to its intersection with the centerline of West Wellesley Avenue and the Point of Beginning.

Precinct 3315

Beginning at the intersection of the centerlines of North Monroe Street and West Wellesley Ave

within the corporate limits of the City of Spokane; then east along the centerline of West Wellesley Avenue to its intersection with the centerline of North Division Street; then south along the centerline of North Division Street to its intersection with the centerline of West Garland Avenue; then west along the centerline of West Garland Avenue to its intersection with the centerline of North Monroe Street; then north along the centerline of North Monroe Street to its intersection with the centerline of West Wellesley Avenue and the Point of Beginning.

Precinct 3316

Beginning at the intersection of the centerline of the Spokane River and the north-south centerline of the northeast quarter of Section 3, Township 25 North, Range 42 East Willamette Meridian; then north along the north-south centerline of the northeast quarter of said Section 3 to its intersection with the centerline of North Aubrey L White Parkway; then easterly along the centerline of North Aubrey L White Parkway to its intersection with the east line of said Section 3; then north along the east line of said Section 3 to its intersection with the centerline of West Northwest Boulevard; then southeasterly along the centerline of West Northwest Boulevard to its intersection with the centerline of West Providence Avenue; then east along the centerline of West Providence Avenue to its intersection with the centerline of North "C" Street; then south along the centerline of North "C" Street and continuing along the southerly extension of North "C" Street to its intersection with the centerline of the Spokane River; then westerly, northwesterly, easterly, northerly, and northwesterly along the centerline of the Spokane River to its intersection with the north-south centerline of the northeast quarter of Section 3, T25N, R42EWM and the Point of Beginning.

Precinct 3317

Beginning at the intersection of the centerlines of North "C" Street and West Providence Avenue within the corporate limits of the City of Spokane; then east along the centerline of West Providence Avenue to its intersection with the centerline of North Cannon Street; then southerly along the centerline of North Cannon Street to its intersection with the centerline of West Kiernan Avenue; then east along the centerline of West Kiernan Avenue to its intersection with the centerline of North Oak Street; then south along the centerline of North Oak Street and continuing along the southern extension of North Oak Street to its intersection with the centerline of the not yet constructed West Dalton Avenue as platted in the Spring Hill Addition; then east along the centerline of the not yet constructed West Dalton Avenue to its intersection with the centerline of North Ash Place; then south along the centerline of North Ash Place to its intersection with the south line of Section 1, Township 25 North, Range 42 East Willamette Meridian; then east along the south line of said Section 1 to its intersection with centerline of North Ash Street; then southerly along the centerline of North Ash Street to its intersection with the centerline of West Fairview Avenue; then west along the centerline of West Fairview Avenue to its intersection with the centerline of West Northwest Boulevard; then northwest along the centerline of West Northwest Boulevard to its intersection with the centerline of North Alberta Street; then north along the centerline of North Alberta Street to its intersection with the centerline of West Euclid Avenue; then west along the centerline of West Euclid Avenue to its intersection with the centerline of North "C" Street; then north along the centerline of North "C" Street to its intersection with the centerline of West Providence Avenue and the Point of Beginning.

Precinct 3318

Beginning at the intersection of the centerlines of North Oak Street and West Garland Avenue within the corporate limits of the City of Spokane; then east along the centerline of West Garland Avenue to the intersection of the centerline of North Monroe Street; then south along the centerline of North Monroe Street to its intersection with the centerline of West Fairview Avenue; then west along the centerline of West Fairview Avenue to its intersection with the centerline of North Cedar Street; then north along the centerline of North Cedar Street to its intersection with the centerline of West Fairview Avenue; then west along the centerline of West Fairview Avenue to its intersection with the centerline of North Ash Street; then Northerly along the centerline of Ash Street to its intersection with the south line of Section 1, Township 25 North, Range 42 East Willamette Meridian; then west only the south line of said Section 1 to its intersection with the centerline of North Ash Place; then north along the centerline of North Ash Place to its intersection with the not yet constructed West Dalton Avenue as platted in the Spring Hill Addition; then west along the centerline of the not yet constructed West Dalton Avenue to its intersection with the southerly extension of North Oak Street; then north along the southerly extension of North Oak Street and continuing along North Oak Street to its intersection with the centerline of West Garland Avenue and the Point of Beginning.

Precinct 3319

Beginning at the intersection of the centerlines of West Garland Avenue and North Monroe Street within the corporate limits of the City of Spokane; then east along the centerline of West Garland Avenue to its intersection with the centerline of North Division Street; then south along the centerline of North Division Street to its intersection with the centerline of West Euclid Avenue; then west along the centerline of West Euclid Avenue to its intersection with the centerline of West Cora Avenue; then northwesterly along the centerline of West Cora Avenue to its intersection with the centerline of North Monroe Street; then north along the centerline of North Monroe Street to its intersection with the centerline of West Garland Avenue and the Point of Beginning.

Precinct 3320

Beginning at the intersection of the centerlines of North Monroe Street and West Cora Avenue within the corporate limits of the City of Spokane; then southeast along the centerline of West Cora Avenue to its intersection with the centerline of West Euclid Avenue; then east along the centerline of West Euclid Avenue to its intersection with the centerline of North Division Street; then south along the centerline of North Division Street to its intersection with the centerline of West Cleveland Avenue; then west along the centerline of West Cleveland Avenue to its intersection with the centerline of North Post Street; then north along the centerline of North Post Street to its intersection with the centerline of West Cleveland Avenue; then west along the centerline of West Cleveland Avenue to its intersection with the centerline of North Monroe Street; then north along the centerline of North Monroe Street to its intersection with the centerline of West Cora Avenue and the Point of Beginning.

Precinct 3321

Beginning at the intersection of the centerlines of North “C” Street and West Euclid Avenue within the corporate limits of the City of Spokane; then east along the centerline of West Euclid Avenue to its intersection with the centerline of North Alberta Street; then south along the

centerline of North Alberta Street to its intersection with the centerline of West Northwest Boulevard; then southeast along the centerline of West Northwest Boulevard to its intersection with the centerline of West Fairview Avenue; then east along the centerline of West Fairview Avenue to its intersection with the centerline of North Cannon Street; then south along the centerline of North Cannon Street to its intersection with the centerline of West Buckeye Avenue; then west along the centerline of West Buckeye Avenue to its intersection with the centerline of North Cannon Street; then south along the centerline of North Cannon Street to its intersection with the centerline of West Northwest Boulevard; then southeasterly along the centerline of West Northwest Boulevard to its intersection with the centerline of West York Avenue; then southwesterly along the centerline of West York Avenue to its intersection with the centerline of North Cannon Street; then south along the centerline of North Cannon Street to its intersection with the centerline of West Jackson Avenue; then west along the centerline of West Jackson Avenue to its intersection with the centerline of North Belt Street; then south along the centerline of North Belt Street to its intersection with the centerline of West Carlisle Avenue; then east along the centerline of West Carlisle Avenue to its intersection with the centerline of North Cannon Street; then south along the centerline of North Cannon Street to its intersection with the centerline of West Nora Avenue; then west along the centerline of West Nora Avenue and continuing along the westerly extension of the centerline of West Nora Avenue to its intersection with the centerline of the Spokane River; then northwesterly along the centerline of the Spokane River to its intersection with the southerly extension of the centerline of North "C" Street; then northerly along the southerly extension of North "C" Street and continuing along the centerline of North "C" Street to its intersection with the centerline of West Euclid Avenue and the Point of Beginning.

Precinct 3322

Beginning at the intersection of the centerlines of North Cannon Street and the not yet constructed West Fairview Avenue as platted in the Bellevue Addition within the corporate limits of the City of Spokane; then east along the centerline of the not yet constructed West Fairview Avenue and continuing along the constructed portion of West Fairview Avenue to its intersection with the centerline of North Cedar Street; then south along the centerline of North Cedar Street to its intersection with the centerline of West Nora Avenue; then west along the centerline of West Nora Avenue to its intersection with the centerline of North Cannon Street; then north along the centerline of North Cannon Street to its intersection with the centerline of West Carlisle Avenue; then west along the centerline of West Carlisle Avenue to its intersection with the centerline of North Belt Street; then north along the centerline of North Belt Street to its intersection with the centerline of West Jackson Avenue; then east along the centerline of West Jackson Avenue to its intersection with the centerline of North Cannon Street; then north along the centerline of North Cannon Street to its intersection with the centerline of West York Avenue; then east along the centerline of West York Avenue to its intersection with the centerline of West Northwest Boulevard; then northwesterly along the centerline of West Northwest Boulevard to its intersection with the centerline of North Cannon Street; then north along the centerline of North Cannon Street to its intersection with the centerline of West Buckeye Avenue; then east along the centerline of West Buckeye Avenue to its intersection with the centerline of North Cannon Street; then north along the centerline of North Cannon Street to its intersection with the centerline of the not yet constructed West Fairview Avenue as platted in the Bellevue Addition and the Point of Beginning.

Precinct 3323

Beginning at the intersection of the centerlines of North Cedar Street and West Fairview Avenue within the corporate limits of the City of Spokane; then east along the centerline of West Fairview Avenue to its intersection with the centerline of North Monroe Street; then south along the centerline of North Monroe Street to its intersection with the centerline of West Cleveland Avenue; then east along the centerline of West Cleveland Avenue to its intersection with the centerline of North Post Street; then south along the centerline of North Post Street to its intersection with the centerline of West Cleveland Avenue; then east along the centerline of West Cleveland Avenue to its intersection of North Wall Street; then south along the centerline of North Wall Street to its intersection with the centerline of West Nora Avenue; then west along the centerline of West Nora Avenue to its intersection with the centerline of North Cedar Street; then north along the centerline of North Cedar Street to its intersection with the centerline of West Shannon Avenue; then north along the northerly extension of North Cedar Avenue to its intersection with the centerline of West Knox Avenue; then north along the centerline of North Cedar Avenue to its intersection with the centerline of West Fairview Avenue and the Point of Beginning.

Precinct 3324

Beginning at the intersection of the centerlines of West Cleveland Avenue and North Wall Street within the corporate limits of the City of Spokane; then east along the centerline of West Cleveland Avenue to its intersection with the centerline of North Division Street; then south along the centerline of North Division Street to its intersection with the centerline of West Nora Avenue; then west along the centerline of West Nora Avenue to its intersection with the centerline of North Washington Street; then west along the westerly extension of West Nora Avenue to its intersection with the centerline of North Howard Street; then west along the centerline of West Nora Avenue to its intersection with the centerline of North Wall Street; then north along the centerline of North Wall Street to its intersection with the centerline of West Cleveland Avenue and the Point of Beginning.

Precinct 3325

Beginning at the intersection of the centerlines of North Belt Street and West Nora Avenue within the corporate limits of the City of Spokane; then south and southwest along the centerline of North Belt Street to its intersection with the centerline of North Pettet Drive; then southeast along the centerline of North Pettet Drive to its intersection with the centerline of North Belt Street; then south along the centerline of North Belt Street to its intersection with the centerline of West Boone Avenue; then west and northwest along the centerline of West Boone Avenue to its intersection with the centerline of North Evergreen Street; then west to the west line of North Evergreen Street; then southerly along the west line of North Evergreen Street to its intersection with the southeasternmost point of the San Souci mobile home park (the same point being described as: beginning at the intersection of the west line of North Evergreen Street with the south line of Government Lot 1 in the northeast quarter of Section 14, Township 25 North, Range 42 East Willamette Meridian; then North 50° 42' East for a distance of 96.82 feet; then North 49° 31' East for a distance of 33.78 feet); then North 39° 18' West for a distance of 85 feet; then west to the west line of said Government Lot 1 and continuing west to the centerline of the Spokane River; then northeasterly along the centerline of the Spokane River to its intersection with the westerly extension of the centerline of West Nora Avenue; then east along

the westerly extension of the centerline of West Nora Avenue and continuing along the centerline of West Nora Avenue to its intersection with the centerline of North Belt Street and the Point of Beginning.

Precinct 3326

Beginning at the intersection of the centerlines of West Nora Avenue and North Belt Street within the corporate limits of the City of Spokane; then east along the centerline of West Nora Avenue to its intersection with the centerline of North Cedar Street; then south along the centerline of North Cedar Street to its intersection with the westbound centerline of West Sinto Avenue; then south along the southerly extension of North Cedar Street to its intersection with the eastbound centerline of West Sinto Avenue; then south along North Cedar Street to its intersection with the centerline of West Boone Avenue; then west along the centerline of West Boone Street to its intersection with the centerline of North Belt Street; then north along the centerline of North Belt Street to its intersection with the centerline of North Pettet Drive; then northwest along the centerline of North Pettet Drive to its intersection with the centerline of North Belt Street; then northeast and north along the centerline of North Belt Street to its intersection with the centerline of West Nora Avenue and the Point of Beginning.

Precinct 3327

Beginning at the intersection of the centerlines of West Nora Avenue and North Cedar Street within the corporate limits of the City of Spokane; then east along the centerline of West Nora Avenue to its intersection with the centerline of North Monroe Street; then south along the centerline of North Monroe Street to the point at which North Monroe Street (Monroe Street Bridge) crosses over the centerline of the Spokane River; then westerly along the centerline of the Spokane River to its intersection with the southerly extension of the centerline of North Cedar Street; then north along the southerly extension of the centerline of North Cedar Street to its intersection with the centerline of West Summit Parkway; then north along the centerline of North Cedar Street to its intersection with the eastbound centerline of West Sinto Avenue; then north along the northerly extension of North Cedar Street to its intersection with the westbound centerline of West Sinto Avenue; then north along the centerline of North Cedar Street to its intersection with the centerline of West Nora Avenue and the Point of Beginning.

Precinct 3328

Beginning at the intersection of the centerlines of West Boone Avenue and North Chestnut Street within the corporate limits of the City of Spokane; then west and northwest along the centerline of West Boone Avenue to its intersection with the centerline of North Evergreen Street; then west to the west line of North Evergreen Street; then southerly along the west line of North Evergreen Street to its intersection with the southeasternmost point of the San Souci mobile home park (the same point being described as: beginning at the intersection of the west line of North Evergreen Street with the south line of Government Lot 1 in the northeast quarter of Section 14, Township 25 North, Range 42 East Willamette Meridian; then North 50° 42' East for a distance of 96.82 feet; then North 49° 31' East for a distance of 33.78 feet); then North 39° 18' West for a distance of 85 feet; then west to the west line of said Government Lot 1 and continuing west to the centerline of the Spokane River; then southeasterly along the centerline of the Spokane River to its intersection with the west line of the south east quarter of Section 13, T25N, R42EWM; then north along the west line of the south east quarter of said Section 13 to its

intersection with the centerline of West Bridge Avenue; then west along the centerline of West Bridge Avenue to its intersection with the centerline of North Chestnut Street; then north along the centerline of North Chestnut Street to its intersection with the centerline of West Boone Avenue and the Point of Beginning.

Precinct 3329

Beginning at the intersection of the centerlines of West Boone Avenue and North Cedar Street within the corporate limits of the City of Spokane; then south along the centerline of North Cedar Street to its intersection with the centerline of West Summit Parkway; then south along the southerly extension of North Cedar Street to its intersection with the centerline of the Spokane River; then westerly along the centerline of the Spokane River to its intersection with the west line of the southeast quarter of Section 13, Township 25 North, Range 42 East Willamette Meridian; then north along the west line of the southeast quarter of said Section 13 to its intersection with the centerline of West Bridge Avenue; then west along the centerline of West Bridge Avenue to its intersection with the centerline of North Chestnut Street; then north along the centerline of North Chestnut Street to its intersection with the centerline of West Boone Avenue; then east along the centerline of West Boone Avenue to its intersection with the centerline of North Cedar Street and its Point of Beginning.

Precinct 3330

Beginning at the intersection of the centerlines of West Nora Avenue and North Monroe Street within the corporate limits of the City of Spokane; then east along the centerline of West Nora Avenue to its intersection with the centerline of North Howard Street; then east along the easterly extension of the centerline of West Nora Avenue to its intersection with the centerline of North Washington Street; then east along the centerline of West Nora Ave to its intersection with the centerline of North Division Street; then south along the centerline of North Division Street to the point at which North Division Street (Division Street Bridge) crosses over the centerline of the Spokane River; then westerly along the centerline of the Spokane River to the point at which the centerline of North Monroe Street (Monroe Street Bridge) crosses over the centerline of the Spokane River; then north along the centerline of North Monroe Street to its intersection with the centerline of West Nora Avenue and the Point of Beginning.
