

SPOKANE COUNTY SUPERIOR COURT  
MANDATORY GUARDIAN TRAINING

Pursuant to LSPR 98.24, effective January 1, 2007, Spokane County Superior Court has developed mandatory guardian training for nonprofessional (family & volunteer) guardians. This rule applies to all guardianship cases including those originating under RCW 11.88 and SPR 98.16W.

1. Purpose: Mandatory guardian training is intended to provide nonprofessional guardians with information on their legal responsibilities, paperwork and reports that are required in serving as a guardian.

2. Training Specifics:

A. The training is mandatory for all nonprofessional guardians prior to their appointment as guardian. Certified Professional Guardians are not required to attend this training as long as the guardian is in good standing with the Certified Professional Guardian Board.

B. The training will be held once a month in the Superior Court Juror Assembly Room, Spokane County Courthouse, third floor annex, promptly beginning at 4:45 p.m. to approximately 6:45p.m.-7:00 p.m. The training schedule will be available at [www.spokanecounty.org/superiorcourt/guardianforms](http://www.spokanecounty.org/superiorcourt/guardianforms)

C. Successful completion of the training shall be evidenced by a certificate issued by the court and filed in the guardianship court file (if a case number is provided) prior to the hearing on the petition for guardianship. Please provide the case number to the Guardianship Monitoring Program as soon as possible, otherwise, proof of training cannot be filed.

D. The court will consider waiver of the training for attorneys, bank trust officers and other professionals who have been appointed as guardians in the past upon a properly noted motion before the court.

E. Initially the training will be limited to guardianship petitions filed after January 1, 2007. Once the training has been refined, current guardians will be encouraged to attend.

F. Each training participant shall pay a fee to Spokane County to cover the cost of the training material.

3. Training Registration: To register and receive training material, a completed registration form and fee (check or money order only, payable to the Spokane County Superior Court) shall be delivered to the Guardianship Monitoring Program, 2<sup>nd</sup> Floor of the Courthouse, Spokane County Courthouse at least five (5) business days prior to the training date. Registration forms will be available at the Guardianship Monitoring Program Office and at [www.spokanecounty.org/superiorcourt/guardianforms](http://www.spokanecounty.org/superiorcourt/guardianforms)
