PRESS RELEASE
SPOKANE COUNTY MEDICAL EXAMINERS' OFFICE
FEBRUARY 1, 2021

The Spokane County Medical Examiners' Office is seeking the help of the public in identifying a male who died outdoors on 11/28/20 at 1406 E. Front Street, Spokane. The death is still being investigated, and a cause of death has not been determined. The body was partially burned, obscuring the examination and identification.

Pertinent physical features:

Male, slight build, approximately 5'7", estimated 115-135 pounds. Pants are size 32/32.

Light-skinned, short hair. Probably transient. Poor dentition. Estimated age 35-60 years.

Attached is a photograph of what are believed to be the shoes of the unidentified male. Shoe size is 9.

Also attached is a drawing depicting the unidentified male's facial characteristics. The drawing was prepared by volunteer Forensic Artist, Carl Koppelman, based on the autopsy appearance of the unknown man.

If any member of the public has information about the possible identification of this man, please contact the Spokane County Medical Examiner's Office at 509-477-2296.

This is an approximation of the appearance of an unidentified person based on charred remains. This is not intended to be an exact likeness.
