### Proposed Number of Beds per Service Type

#### KING COUNTY
- MHCS: 16 beds (35%)
- WM: 14 beds (30%)
- IIP (formerly Diversion Holdover beds): 23 beds (59%)

#### SNOHOMISH COUNTY
- MHCS: 16 beds (100%)

**Diagram Notes:**
- MHCS: Blue
- WM: Orange
- IIP (formerly Diversion Holdover beds): Yellow
Design Progress: Renderings

MULTI-PURPOSE - SLEEPING AREA
Estimated Construction Timeline

- **Fall 2020**: Construction Begins
- **Winter 2021**
  - Construction Continues
  - Programmatic Readiness
- **Spring 2021**
  - Final Site Readiness
  - Facility Opens
<table>
<thead>
<tr>
<th>Goal</th>
<th>Metric</th>
</tr>
</thead>
<tbody>
<tr>
<td>Jail diversion</td>
<td>Number of people who are arrested, needing SUD or MH treatment are diverted from jail (including book and release as well as long term jail stays).</td>
</tr>
<tr>
<td>Reduce recidivism</td>
<td>Significant decrease in the rate of recidivism for patients.</td>
</tr>
<tr>
<td>Address inefficient re-entry</td>
<td>100% of patients are referred to appropriate level of care.</td>
</tr>
<tr>
<td>Lower ER utilization</td>
<td>Number of people arrested needing SUD or MH treatment who were diverted from the ER.</td>
</tr>
</tbody>
</table>
Spokane Current State
Individual in Mental Health Crisis Incident

First Responder – Law Enforcement Incident
- Crisis Intervention (CIT)
- Co-Deployed Unit Referrals

Emergency Room by Law Enforcement Escort (no hospital admittance)

Jail Booking

Pre-Trial & Public Defense
- First Appearance
- Mental Competency (Trueblood Class Member Determinant)

Court Proceedings
- Often includes multiple Failure to Appear (FTA) warrants

Likelihood of Recidivism
- 45%-70% (Still under determination)
- Approx. 20% for Therapeutic Courts & Other Diversion Programs

Spokane Future State with MHCSF
Individual in Mental Health Crisis Incident

First Responder – Law Enforcement Incident
- Crisis Intervention (CIT)
- Co-Deployed Unit Referrals

Mental Health Crisis Stabilization Facility (MHCSF) for First Responders
- Eligible Individual Criteria
- Medical Assessment
- Sobering & Withdrawal Management
- Mental Health Crisis

Diversion/Shelter/Holdover Beds
- Temporary reserved beds until longer term case management resources become available

Likelihood of Recidivism
- 10%
- Often up to 3 repeat visits before life-readiness
### Baseline Metrics

**Booking and Intake**
- Manual Tally All Jail Bookings
  - Feb-Jun 2020
  - Total Bookings: 4356
    - Includes Book & Release and Inmate
- Total Eligible for MHSCF: 1970
  - Percent of Total Bookings 37%

  *Source – Detention Services*

**ADP**
- Point in Time Counts (3x)
- Approximate 150 inmates eligible for MHCSF

  *Source – Detention Services*
Comparatives: Snohomish Diversion Pilot

Pre-Post Comparisons for SDP Participants Enrolled through October 31, 2018

- **Percent of persons placed in Jail** declined significantly from **43%** to **25%**.
  - **Significance:** p < 0.001
- **Average Days in Jail** declined significantly from **7.8 days** to **4.5 days**.
  - **Significance:** p < 0.01
- **Percent with an Inpatient Psych Stay** declined significantly from **5%** to **1%**.
  - **Significance:** p < 0.05
- **Substance Use Disorder Treatment participation** increased significantly from **33%** to **82%**.
  - **Significance:** p < 0.001
- **Percent of Persons Housed** increased from less than **1%** to almost half **45%**.
  - **Significance:** 90 days later
