Greetings to everyone,

Happy Father’s Day weekend to each of you! I hope that you are able to take moment and reach out to your Dad and let him know some of the top things that you remember and appreciate about him from your childhood, and even beyond. We all have things (maybe a smell/place/meal/activity) that remind us, and can even take us all the way back to a specific time that we hold onto, of a memory that we can gratefully attribute to our Dad. For me, these memories are connected to the many camping trips we took as a family, and even though my Dad is now in heaven, I pause and fondly recall these camping/fishing/hiking memories often. As each of us think about our “Dad memories”, we can see that so many good Dads truly serve their families, and that ties directly into our message today on being servants to all. I hope and pray you enjoy it and share with others.

Chaplain Message; “SERVANTS OF ALL”

In the following quotes and verses, we see the truth that serving others stems from a heart of love; and includes self-sacrifice.

Mark 9:35 “And he sat down and called the twelve. And he said to them, “If anyone would be first, he must be last of all and servant of all.”

It is a privilege to serve alongside each of you; and to see the loving impact you are having in our community and with each other. Never forget the lasting impact for good we are having day in and day out. With everything that is in us, we get the honorable obligation to bear with the those who are struggling in our community, because we are called and strong.

Romans 15:1 We who are strong have an obligation to bear with the failings of the weak, and not to please ourselves.

If God has called us to this opportunity to serve, then He is not surprised in the slightest on how it is going so far. Stay the course, let The Lord breathe new life and energy and strength into you again.

“Nothing you have ever done has shocked God for He knew what He was getting when He called you.” -Bob Gass

Keeping you all, and our service in Spokane County, lifted up in earnest prayers.

Blessings from Above, Chaplain Robert Kinnune
