RESOLUTION

WHEREAS, the Board of County Commissioners of Spokane County, Washington, pursuant to Revised Code of Washington, Section 36.32.120(6), has the care of county property and the management of county funds and business; and

WHEREAS, pursuant to Revised Code of Washington, Section 71.24, the legislature has established a policy authorizing the State to cooperate with communities to establish and develop behavioral health treatment services through regional programs; and

WHEREAS, prior to implementation of the new Washington State Integrated Managed Care (IMC) system on January 1, 2019, the Board of County Commissioners of Spokane County formed the Spokane County Regional Interlocal Leadership Structure (SCRILS) charter on behalf of the Spokane Regional Service Area (RSA) which is governed by the Spokane Board of County Commissioners, led by the six-county region's county authorities, and invites the following entities to participate: the Washington State Health Care Authority (HCA), Apple Health managed care organizations (MCO), Behavioral Health-Administrative Service Organization (BH-ASO), the Governor's Office, physical and behavioral health providers, regional tribal authorities, and other entities serving the Spokane RSA, effective September 1, 2018; and

WHEREAS, on August 20, 2018, via resolution 2018-0611 and in accordance with Second Engrossed SHB1388, the SCRILS was formed and the charter adopted for the purpose of providing regional oversight to the plan, design, and implementation of the integrated managed care model for the Spokane RSA to assure behavioral health clients are at the center of care delivery and the system supports integrated delivery of physical and behavioral health care at the provider level; and

WHEREAS, in accordance with Second Engrossed SHB 1388, last provision of Section 4062 on page 119, the SCRILS and its existing charter is scheduled to expire on December 1, 2021, unless approved for continuation by the local leadership for the Spokane RSA; and

WHEREAS, as a result of feedback from behavioral health providers in the community and

other local authorities, the Board of County Commissioners of Spokane County on behalf of the Spokane RSA is adopting the amended SCRILS charter to continue through December 31, 2024.

NOW, THEREFORE, BE IT RESOLVED by the Board of County Commissioners of Spokane County that the SCRILS charter amendment is approved as noted above and in the attached agreement.

BE IT FURTHER RESOLVED that this resolution constitutes authority for the Chair of the Board, or a majority of the Board of Spokane County Commissioners, the Chief Operating Officer, the Chief Budget Officer, or the Chief Executive Officer, in other than an open meeting, to sign and enter into the above noted Amendment, attached to this Resolution.

PASSED AND ADOPTED this 2nd day of November, 2021.

CS 18 SCRILS(1)
**Spokane County Regional Interlocal Leadership Structure (SCRILS)
Charter
Revised October 19, 2021**

1. PURPOSE

- a. To provide a leadership structure for the Spokane County Region chaired by the County Authorities, jointly administered by the County Authorities of the six-county region, the state Health Care Authority (HCA), the Apple Health Managed Care Organizations (MCOs), and the Behavioral Health-Administrative Services Organization (BH-ASO), regarding the vision for integrated health care in the region, which includes Medicaid purchasing for physical health, mental health, and substance use disorder treatment, to ensure the full continuum of care. The six counties include: Adams, Ferry, Lincoln, Pend Oreille, Spokane, and Stevens.
- b. The interlocal leadership structure will include representation from physical and behavioral health care providers, tribes, and other entities serving the Regional Service Area (RSA) as necessary.
- c. To provide a structure for the Spokane County Regional Authorities, Spokane County Regional Behavioral Health Administrative Services Organization (SCRBH-ASO), the region's selected MCOs, and the HCA to plan, design and implement the integrated managed care model for the Spokane County RSA to assure clients are at the center of care delivery and the system supports integrated delivery of physical and behavioral health care at the provider level.
- d. The Spokane County Regional Interlocal Leadership Structure (SCRILS) will include advisory representatives from the Governor's Office, the Spokane Regional Area's Accountable Community of Health (Better Health Together – BHT), the Spokane County Region's tribes and Recognized American Indian Organizations (RAIOs), the Division of Social and Health Services (state hospitals), and the critical access and community hospitals. The Governor's Office liaison will work with the SCRILS to ensure a smooth transition.
- e. The SCRILS will also create a structure and process to actively engage and receive feedback from other key stakeholders, including physical and behavioral health care providers, state, critical access and community hospitals, as well as the Spokane Regional Area's Accountable Community of Health (Better Health Together – BHT), the region's selected Apple Health Managed Care Organizations (MCOs), the region's Behavioral Health – Administrative Service Organization (BH-ASO), the Health Care Authority (HCA), the Governor's Office, and the Department of Social and Health Services (DSHS) for the purposes of strategic planning for both the transition and the evolution of the integrated managed care model in the region.
- f. Key considerations of the Spokane Regional Service Area (RSA):
 - i. Facilitate and develop community-based systems of care to ensure quality services are available and accessible to individuals and families in all counties, including rural and frontier rural areas.

CS 18 SCRILS(1)
**Spokane County Regional Interlocal Leadership Structure (SCRILS)
Charter
Revised October 19, 2021**

- ii. Overcome barriers to access (rural and/or population health disparities, transportation, employment, housing)
- iii. Incorporate goals of the local law and justice council into behavioral health system expectations
- iv. Collaborate with the Criminal Justice System – specialty courts, prosecuting attorneys representing the actions of Designated Crisis Responders (DCRs), public defenders representing individuals detained under the Involuntary Treatment Act (ITA), law enforcement and diversion programs, jail and juvenile detention
- v. Connect fully integrated managed care and the Foundational Community Supports into homeless housing efforts
- vi. Collaborate with emergency management systems and hospital emergency departments
- vii. Perform shared planning across all counties within the Spokane RSA

2. COMPOSITION

- a. Chair: Spokane County Board of County Commissioners Chairperson [with other counties' commissioners as designees allowed]
- b. Counties – All County Commissioners from each county [with designees allowed]
- c. Governor's Office Liaison
- d. Health Care Authority (HCA) Representative(s)
- e. Division of Social and Health Services (DSHS) Representative(s) – state hospitals
- f. Behavioral Health-Administrative Service Organization (BH-ASO) – Spokane County CSHCD Director and Assistant Director [with designees allowed]
- g. Managed Care Organizations (MCO) – One Representative from each of the four MCOs [with designees allowed]
- h. Accountable Community of Health (ACH) – Better Health Together Executive Director
- i. Tribal Authority – One Representative from each tribe and RAIO (five total)
- j. Behavioral Health Provider Representatives for the six counties:
 - i. Pend Oreille County Counseling Services
 - ii. Adams County Counseling Services
 - iii. NEW Alliance Counseling Services (Ferry, Lincoln, Stevens Counties)
 - iv. Spokane County – 3 separate behavioral health provider agencies' representatives (to be determined)
- k. Primary Health Care Provider Representative (to be determined)
- l. Note: This will be one representative self-selected from among the following:

CS 18 SCRILS(1)
Spokane County Regional Interlocal Leadership Structure (SCRILS)
Charter
Revised October 19, 2021

- i. Community Health Association of Spokane (CHAS Health)
 - ii. NATIVE Project, Spokane, WA
 - iii. North East Washington Health Programs, Colville, WA
 - iv. Lake Roosevelt Community Health Centers, Ferry County, WA
 - v. Columbia Basin Health Association, Othello, WA
- m. Critical Access and Community Hospital Representatives from the six counties:

 - ii. Memorial Hospital - Ferry County
 - iii. Lincoln Hospital – Lincoln County
 - iv. Odessa Hospital – Lincoln County
 - v. Newport Hospital - Pend Oreille County
 - vi. MultiCare Health System and PSHMC – Spokane County
 - vii. Providence Health & Services Mt. Carmel – Stevens County

3. KEY DELIVERABLES

- a. Establish a vision for the Spokane Regional Service Area (RSA) integrated care model;
- b. Provide oversight for regional resources to ensure integrated system of care is working effectively for all counties and communities in the region;
- c. Discuss and identify region's performance gaps and capacity/access/growth planning needs.
- d. Discuss and identify integrated managed care resource priorities among regional stakeholders.
- e. Discuss how to address integrated managed care resource priorities.
- f. Discuss policy change ideas, if needed, to address the region's priorities and collaborate on how to communicate and implement the policy changes at various levels within the system of care.
- g. Act as a collective regional voice regarding the region's integrated managed care resource priorities and needs.
- h. Provide oversight for the regional integrated system of care design and ensuring an optimal transition. Spokane RSA has the following measurable milestones for transitioning to fully integrated managed care:
 - 1. Fully Integrated Managed Care model was integrated and implemented with the MCOs and BH-ASO by January 1, 2019.
 - 2. SCRBHO ended contracts on December 31, 2018, performed close out activities through June 30, 2019.
 - 3. Spokane County Region's BH-ASO was implemented and effective by January 1, 2019.
 - 4. Support the efforts of the BHT proposed model for "bi-directional" integration of care.

Spokane County Regional Interlocal Leadership Structure (SCRILS)
Charter
Revised October 19, 2021

5. Spokane RSA integrated care model and plan does not necessarily include a “braided funding” model involving local funding from any of the counties in the Spokane RSA. It may include braided funding from among the MCOs, BH-ASO, and possibly BHT.
 - i. Establish stakeholder engagement;
 - j. Identify and eliminate service gaps in the system of care, collaborate to responsibly address and close service gaps.
 - k. Oversight and ongoing monitoring of the fully integrated managed care model including:
 - 1) Alignment, contracting, administrative functions, and other processes to minimize administrative burden at the provider level to achieve outcomes;
 - 2) Implementation of fully integrated managed care in the regional service area, including design of an early warning system to monitor ongoing success to achieve better outcomes and to make adjustments to the system as necessary;
 - 3) Development of regional coordination processes for capital infrastructure/information technology (and other “soft” capital infrastructure) requests, local/regional capacity building, work force adequacy, health information and exchange technology and other community investments related to behavioral health (and integration with Primary Care);
 - 4) Identify, use, share, monitor and build on measures and data consistent with, but not limited to, RCW 70.320.030 and 41.05.690, for tracking and maintaining regional accountability for delivery system performance; and
 - 5) Collaboration with regional stakeholders to determine which value-add services will best support a bidirectional system of care among the MCOs and BH-ASO.

4. MEETING STRUCTURE

- a. The chairman of the Spokane Board of County Commissioners (BoCC) will be the Chair of the SCRILS; another County Authority from the Spokane RSA may act as the SCRILS chair in the BoCC chairman’s absence.
- b. The Spokane County Regional Interlocal Leadership Structure (SCRILS) will meet at least quarterly with additional meetings scheduled as necessary to meet deliverable timeframes.
- c. The SCRILS will create ad-hoc subgroups as necessary to develop specific proposals and will also rely on the Spokane County Region’s Accountable Community Health (BHT) and its workgroups when appropriate, and in order to avoid duplication of efforts.
- d. Representatives of the SCRILS will also attend ad-hoc subgroup meetings as requested.
- e. Time will be set aside during the regular SCRILS meetings for stakeholder input and dialogue.

5. DECISION MAKING

- a. Consensus is the preferred model for decision making.
- b. If voting is necessary:
 - i. Counties – One vote from each of the six counties;
 - ii. MCOs – All MCOs will share one vote between them. In the event that the MCOs are unable to come to consensus, the MCOs will abstain from voting;
 - iii. BH-ASO – One vote;
 - iv. Governor's Office Liaison – Advisory vote only;
 - v. HCA – Advisory vote only;
 - vi. DSHS – Advisory vote only;
 - vii. ACH – Advisory vote only;
 - viii. Tribal Authorities – Advisory vote only; and
 - ix. Behavioral Health Provider Representatives – Advisory vote only;
 - x. Primary Health Care Provider Representative - Advisory vote only; and
 - xi. Critical Access and Community Hospitals – Advisory vote only.

6. REVISIONS TO CHARTER

This Charter will be reviewed and revised as necessary by a simple majority of all voting members, including at transition points.

7. EXPIRATION

The local leadership for the Spokane County Region Interlocal Leadership Structure (SCRILS) has approved the continuation of the SCRILS in accordance with [1388-S.PL.pdf \(wa.gov\)](#). The local leadership has determined the new expiration date for the SCRILS to be December 31, 2024.

CS 18 SCRILS(1) BETWEEN ADAMS, FERRY, LINCOLN, PEND OREILLE, SPOKANE, AND STEVENS COUNTIES, AS WELL AS THE CONTINUED INVITATION OF THE FOLLOWING ENTITIES TO PARTICIPATE: THE WASHINGTON STATE HEALTH CARE AUTHORITY (HCA), APPLE HEALTH MANAGED CARE ORGANIZATIONS (MCO), BEHAVIORAL HEALTH - ADMINISTRATIVE SERVICE ORGANIZATION (BH-ASO), PHYSICAL AND BEHAVIORAL HEALTH PROVIDERS, REGIONAL TRIBAL AUTHORITIES, AND OTHER ENTITIES SERVING THE SPOKANE COUNTY REGIONAL SERVICE AREA (RSA), EFFECTIVE DECEMBER 1, 2021.**

BACKGROUND: *(Attach separate sheet(s) if necessary):*

The purpose of this Spokane County Regional Interlocal Leadership Structure (SCRILS) charter is to form a leadership structure for the Spokane County Regional Service Area (RSA) that will plan, design, and implement the integrated managed care model, to assure behavioral health clients are at the center of care delivery and the system supports integrated delivery of physical and behavioral health care at the provider level. Membership includes Adams, Ferry, Lincoln, Pend Oreille, Spokane, and Stevens County Authorities, and will include inviting the HCA, selected regional MCOs, and the BH-ASO as members. The planned advisory members include representatives from the Washington State Governor's Office, Better Health Together (Spokane Regional Service Area's Accountable Community of Health Service organization), physical and behavioral health providers, regional tribal authorities, and other entities.

In accordance with Second Engrossed SHB 1388, last provision of Section 4062 on page 119, the SCRILS and its existing charter is scheduled to expire on December 1, 2021, unless approved for continuation by the local leadership for the Spokane RSA. Based on feedback from behavioral health providers in the community and other local authorities, the SCRILS membership is looking to extend the charter through December 31, 2024.
