Q. 1 – Fit with Public Access Goals
Q. 1 – Fit with Public Access Goals
Q. 1 – Fit with Public Access Goals

- Dedicated Fishing Dock
- Integrated Accessible Launch Facility
- Swimming Area

- ADA Kayak Launch Kit
- ADA Transfer Bench
- SUP Rack

Turn-around/staging access area for ADA kayak launch access

6 ft. x 30’ aluminum ramp; hinges to end of path; rolls on dock
Q. 1 – Fit with Public Access Goals
Q. 2 – Project Need

Limited Public Access
Q. 2 – Project Need

- Improve Equity of Parks, Trails, and Conservation Lands

“The outdoor program is currently unable to expand to outdoor adaptive paddling due to a lack of adequate infrastructure at existing lake access points.” -- Chris Hoppe – Eastern Washington University Associate Director Campus Recreation / Outdoor Programs
Q. 2 – Project Need

- Project contained in an approved public access recreational plan / education

Spokane County 2020
Parks, Recreation & Open Space Plan

Adopted: January 14th, 2020
Q. 2 – Project Need

- Sustain Our Legacy – Renovate facilities to meet today’s recreation needs
Q. 3 – Sustainability for Public Access

WDFW Boat Launch

Limited Public Access
