How would payroll handle this if it is changed to Percentage employee (subject broached in the previous negotiation meeting, but it was not included in the minutes the County posted)?

Each Union shall provide the County with the name of their designated representative and alternate. The committee members will be appointed by the Human Resources Director and will serve for a one (1) year term in order to provide consistency in the decision-making process. The County will accept all donated leave, but will provide donated time to the recipient as needed, but not to exceed one (1) pay period at any one time. Additional time will be awarded per pay period as needed until all donations have been used or Shared Leave is no longer needed. In the event additional Shared Leave is still needed additional requests will be made. Unused donations will be returned to the donator. ~~7.5 In no event shall an employee receive more money than what they would receive if they had been working by combination of any benefit plans.~~

~~7.6 The employee must provide timely information and periodic medical verification necessary for the processing of the LTD application and continuation of eligibility to receive Shared Leave. Failure to do so could result in the discontinuation of Shared Leave payments.~~

Non-Economic Proposal #21

Appendix "7" - CLASSIFICATION/REORGANIZATION

Union Cannot Consider Changes to Appendix 7 Until The County's Economic Proposals Are Received

15.3 The Employers agree to follow the Spokane County Classification Plan as referenced below in the following articles and the Salary Range Table as found in Appendixes 1-4.

15.3 Positions and Classification Specifications:

15.3.1 Position: Single job. A specific aggregate of duties and responsibilities assigned by department management to be performed by one employee within the Department.

15.3.2 Classification: One or more positions that are sufficiently alike with respect to duties and responsibilities to warrant using the same title, qualification requirements, descriptions/class specifications, job code number and pay grade as listed in Appendixes 1-4. Different positions within a classification may use different selection factors and recruitment processes.

15.3.3 The County agrees to update the classification specifications when requested by a department in a timely manner and provide written notice to the applicable local union. **If the County makes updates to a classification specification, the County will provide the Union fourteen (14) days notice prior to the implementation of the revised specification.** The Union will have 20 working **fourteen (14)** days from receipt of the notice to negotiate **discuss** the impact of changes to the existing classifications. The parties may extend the time frames by mutual agreement.

15.3.4 Creation of New Classifications: When the Department wishes to create a new classification within the bargaining unit, the following procedure shall apply:

15.3.4.1 A Job Analysis Request form shall be submitted by the Department to Human Resources for evaluation.

15.3.4.2 Human Resources, in collaboration with the Department, will evaluate job duties and responsibilities of a proposed classification. If it is deemed appropriate, a new classification will be designated by Human Resources. If the duties and responsibilities fit within an existing classification, it will be designated as such. Written notification will be sent to the local union of such action.

15.3.4.3 After Human Resources designates the new classification and salary, the Union shall have twenty (20) working days following receipt thereof to review the determination, and during this period request to negotiate the salary and the impact of implementation.

~~In the event that no agreement is reached, the union shall have the right to submit the issue to Step 3 (arbitration) of the grievance procedure.~~

~~15.3.4.4 Newly created positions shall be posted in accordance with specific labor agreements or supplemental agreements if applicable.~~

15.3.5 Out of Class Pay: Supplemental Agreements for out of class pay for temporary out of class assignments.

15.3.5.1 Out of class pay will not be authorized in any case if there is no position in the department/division in the classification for which out of class pay is being requested.

15.3.5.2 An employee who has been assigned by management or their immediate Supervisor to perform the essential duties of a higher job classification for more than one-half (1/2) of a day and requests out-of-class pay on his/her time card shall be paid for all such work at the higher rate of pay. ~~Written/verbal~~ approval shall be obtained from management or the immediate supervisor prior to working out of class and shall be signed off on the employee's timecard.

15.3.5.3 The employee must meet the minimum requirements of the higher classification in order to be assigned the out of class, essential functions of the higher job classification. In the event the out of class assignment is expected to be temporary but is expected to exceed six (6) months, out of class assignments will be offered to employees based on seniority and ability. If no employee wants the assignment, management will assign the work in inverse order of seniority. It will be made clear to those performing the work that the assignment is temporary and what the expected duration will be. If the selected employee is a current bargaining unit member, that employee's seniority within the bargaining unit will be continuous, un-interrupted and will continue to accrue during the time of the temporary assignment.

~~15.3.5.4 If the employee works continuously in the higher classification for nine (9) months, the position may be submitted by Human Resources, Department Management or the employee for reclassification consideration in accordance with Section 15.3.6 of this Article.~~

15.3.5.5 If the reason for the continuous higher classification work is due to the regularly assigned employee being on leave due to an extended injury or illness, the parties will meet to discuss the issue.

~~**15.3.6 Reclassifications:** Employees shall have the right to request re-evaluation utilizing the following procedures. In any case, an employee cannot be reclassified if they do not meet the minimum requirements of a position to which they are requesting reclassification to.~~

~~15.3.6.1 Requests for reclassification may be the result of either a nine (9) month or greater assignment working out of class, or a significant change in duties and~~

~~responsibilities. All requests shall be submitted on a Job Analysis Request form. An employee or the employer may file a request.~~

~~15.3.6.2 Positions submitted for reclassification consideration, related to a nine (9) month out-of-class assignment must have the Elected Official, Department Head or designee's signature concurring with the request for reclassification consideration. The Elected Official, Department Head or designee shall have 10 working days to respond in writing to the request and/or forward request to Human Resources.~~

~~15.3.6.3 Regarding positions submitted for reclassification consideration due to a significant change in job duties, the employee or department must detail those duties that are contained within a different class specification or are not contained within the employee's current class specification. Additionally, the requester must specifically detail how long they have been performing the duties for more than 50% of their work time as well as how long that type of assignment is expected to continue. Such requests must also have the Elected Official, Department Head or designee's signature concurring with the request for reclassification consideration. The local union shall be forwarded a copy of the request. The Elected Official, Department Head or designee shall have ten (10) working days to respond in writing to the request and or forward the request to Human Resources.~~

~~15.3.6.4 If there is no concurring signature from the Elected Official, Department Head or designee in either case described in 15.3.6.2 or 15.3.6.3 above, the employee must discontinue performing the out of class duties that formed the basis for the request. Additionally the Elected Official, Department Head or designee must assure there is no assignment of out of class duties.~~

~~15.3.6.5 If the employee and Elected Official, Department Head or designee agree on the body of work and the work continues to be assigned but there is disagreement on the proper classification the reclassification request may be submitted to step 2 of the grievance procedure.~~

~~15.3.6.6 If agreed to and approved, and the employee has been receiving out of class pay, the effective date of the reclassification shall be the tenth (10th) working day after the request was submitted by the employee to the Elected Official, Department Head or designee.~~

~~15.3.6.7 If there is disagreement between the employee and the Elected Official, Department Head or designee regarding the content of the information on the Job Analysis Request, the reason for the disagreement will be discussed with the employee and the Union. The employee and Union will have ten (10) working days to address and revise the area(s) of disagreement. If the revised request is received by the end of the ten (10) working days, and if agreed to and approved, the effective date of the reclassification shall be the tenth (10th) working day after the request was initially submitted by the employee to the Elected Official, Department Head or designee.~~

~~15.3.6.8 If a revised request is not received by the end of the ten (10) working days, the effective date of the reclassification shall be the tenth (10th) working day after any subsequent submissions have been agreed to and approved by the Elected Official, Department Head or designee.~~

~~15.3.6.9 Once Human Resources has received the reclassification request, they will respond within thirty (30) working days as to their determination of reclassification. The parties may mutually agree to extend the thirty (30) working days.~~

~~15.3.6.10 If there is no concurring signature from the Elected Official, Department Head, designee or Human Resources after attempts are made to resolve the disagreements, the employee may submit the reclassification request to step 2 of the grievance procedure.~~

~~15.3.6.11 No employee shall be allowed to request reclassification consideration if it has been less than one year from the date of the last reclassification determination.~~

~~15.3.6.12 Reclassified positions with no incumbent shall be posted in accordance with specific labor agreements or supplemental agreements if applicable.~~

~~**15.3.7 Wage/Range Adjustments for Existing Classifications:** In the event there is a recruitment or retention problem indicating the relative market value of the classification may need reviewing, the Department, or Human Resources may request a job analysis and/or salary survey be conducted to determine the appropriateness of the salary even when there is no significant change in duties and responsibilities or there is no nine-month out of class assignment. In the event the results of that study indicate the salary needs adjusting, the parties agree to negotiate the salary and the impact of the adjustment on the affected employees.~~

15.3.8 Administration of Rates of Pay:

~~Administration of rates of pay shall be as follows:~~

~~No employee shall be paid at a rate of pay less than the minimum nor more than the maximum salary range established for his/her job classification as set forth in the pay plan. All pay rates in the pay plan are based upon full time employment at the normal working hours for the position.~~

15.3.9 Calculating Hourly Wage:

~~15.3.9.1 For the purposes of calculating the hourly rate of pay for employees who are paid on the basis of a monthly salary, hourly wages shall be determined by the following formula:~~

~~Annual Salary divided by weekly hours worked divided by 52 weeks = Standard Hourly Rate.~~

~~15.3.9.2 The above formula is used to calculate the Standard Hourly Rate for determining overtime pay, sick leave payout, and vacation leave payout.~~

15.3.10 Starting Rate Upon Initial Employment:

~~15.3.10.1 New employees to Spokane County shall be appointed at a step within the pay range, not to exceed step three (3), in effect for the particular classification or position to which the appointment is made.~~

~~15.3.10.2 Advance step placement of new hires may surpass current employees' step placement in that classification only after the following have been considered: Work History—the candidate has performed the work either as a long-term intern or in a like-kind position.~~

~~A) Salary History—paying a salary commensurate with what a candidate is earning (or has earned) while working in a like-kind position.~~

~~B) Recruitment Difficulties—the scarcity of qualified applicants, number of rejected job offers and the turnover rate for a position. An individual who possesses skills~~

difficult to find in the labor market may be in higher demand and therefore may warrant consideration for advance step placement.

C) Department Budget — the requesting department must demonstrate their ability to pay the salary of the advance step placement. The placement must not result in additional budgetary impacts within the department.

D) Existing Employees — the candidate's work history and skill shall be compared to current employees in the same classification whose wages would be surpassed by the candidate.

15.3.10.3 The decision of advance step placement shall be at the HR Director or designee's discretion and that decision shall be final and binding. Such decisions shall not be subject to the grievance process.

15.3.10.4 The HR Director or designee shall notify the Union Business Representative of the Department's advance step placement when received and notify the Union Business Representative when a decision on the request has been made.

15.3.10.5 Advanced step placement shall not surpass current employees step placement in that classification.

15.3.10.6 Upon successful completion of a minimum six (6) months (975 or 1040 hours worked) probation period, the new employee will receive one (1) step increase. Subsequent step increases shall be at twelve (12) month intervals from the date of the 6 month increase, until the top step is achieved.

15.3.11 Pay Rate Upon Promotion: A current regular employee who is promoted shall be paid at the step in the new range which represents at least a MINIMUM OF 5.12% over the rate of pay received immediately prior to the promotion or at the minimum step of the new range, whichever is greater, provided that such increase does not exceed the maximum step of the new range. If the promotion is a result of a competitive recruitment for a new or vacant position, the employee will receive a step increase six (6) months after the effective date of beginning the new job assignment. Subsequent step increases shall be at twelve (12) month intervals until the top step is achieved.

15.3.12 Pay Rate Upon Reclassification:

15.3.12.1 Reclassification to a higher classification:

If an individual position is reclassified with an incumbent employee in the classification and there is no competitive recruitment process, the employee shall be placed at the lowest step in the new range that provides at least a 5.12% over the rate of pay received immediately prior to the reclassification or at the minimum step of the new range, whichever is greater. The resulting increase cannot exceed the maximum step of the new range. The employee will receive a step increase twelve (12) months after the effective date of the reclassification. Subsequent step increases shall be at twelve (12) month intervals until the top step is achieved.

15.3.12.2 Reclassification to a lower classification:

If an individual position is reclassified with an incumbent employee in the position, the employee shall be "Y" rated. "Y" rating shall be defined as follows: An employee shall continue to receive compensation at their current rate if that rate is higher than that provided for their new classification/position. The

~~employee will be considered ineligible for an increase in pay until an adjustment in the salary structure or a promotion to a classification with a higher salary range brings the employee's rate of pay within the established range for the position.~~

15.3.13 Pay Rate Upon Wage/Range Adjustments: Classifications which are adjusted to a higher salary range shall have those affected retain their individual step to a maximum of ten percent (10%). Further, the affected employees shall retain their current step date unless otherwise negotiated and agreed to in writing.

- Wage adjustment does not result in a change in steps
- Promotion – adjustment of step at six months and then annually after the step increase
- Reclassification – step increase after one year from effective date then annually

15.3.14 Pay Rate Upon Demotion or Reduction:

15.3.14.1 An employee who is demoted/reduced shall be paid in the range for the lower classification at a rate that is closest to their rate prior to the demotion without exceeding the prior rate. Upon demotion, the existing anniversary date shall be eliminated and the date of such demotion shall be used to calculate the new anniversary date.

15.3.14.2 An employee who returns to their former classification during their probationary period following promotion shall receive the same step date in the lower pay range as held before promotion, provided that adjustments shall be made to take into account any step increases which would have occurred had the employee not been promoted.

15.3.14.3 An employee who accepts a demotion/reduction or bidding to a lower classification or a previous classification shall be placed in the step that causes the employee the least amount of financial loss. If the employee is still a probationary employee, they will be placed at the step they held prior to the promotion

15.3.15 Pay Rate Upon Transfer: An employee who transfers from one position to another within the same classification or different classification within the same salary range, shall continue to receive the same rate of pay as before the transfer and retain their current step increase date.

15.3.16 Adjustments to the Anniversary Date (Step Adjustment Date): In addition to the provisions of 15.3.11, Pay Rate Upon Promotion, 15.3.12, Pay Rate Upon Reclassification, and 15.3.13, Pay Rate Upon Wage/Range Adjustment, the anniversary date for a step increase for an employee shall be adjusted under the following circumstances:

15.3.16.1 If an employee is returned to his/her former classification within a promotion probation period, the anniversary date held prior to such promotion shall be re-established.

Non-Economic Proposal #22

Appendix "8" - Seven Tests of Just Cause - Union Rejects - Spokane County Labor Relations proposed this language after the Union expressed an interest last negotiations.

~~**Reasonable Rule or Work Order.** Is the rule or order reasonably related to the orderly, efficient, and safe operation of the business?~~

- ~~• Is the rule or instruction straightforward and stated in language that is easy to understand?~~
- ~~• Have you been consistent and unbiased in applying the rule or standard? Is it applied consistently throughout your department?~~
- ~~• What is your department's discipline record for violation of this rule or standard?~~

~~**Notice.** Did the employee receive adequate notice of the work rule or performance standard and the possible consequences of failure to comply?~~

- ~~• Is the violated work rule or performance standard published? Is it up to date and relevant to the business needs of your unit?~~
- ~~• How was the employee made aware of it (department orientation, bulletin board, desk manual, staff meeting notes, prior oral or written communication, employee's job description, written standards)?~~
- ~~• What evidence do you have that the employee is aware of it, and understands it (new employee orientation, signature on a routing slip, signoff page)?~~
- ~~• Have you reviewed the employee's personnel file?~~
- ~~• Has this issue been raised in performance appraisals or previous disciplinary actions? If so, how recently?~~

~~• Prior notice may not be necessary in cases of serious misconduct such as theft, insubordination, or job abandonment.~~

~~**Sufficient Investigation.** Did you conduct an investigation before making a decision about taking disciplinary action?~~

- ~~• Why do you suspect that a work rule violation or performance discrepancy occurred?~~
- ~~• Can the employee perform the task? Is there a history of successful performance, or could the employee need additional training?~~
- ~~• Are there witnesses other than you? List others who may have knowledge of the issue through involvement or as witnesses (supervisors, employees, clients).~~

~~Interview them and take notes.~~

- ~~• Are there written records pertinent to the case in your department or elsewhere on campus? Should in-house records be secured under lock and key during the investigation?~~
- ~~• Are there written processes or procedures which have a bearing on the case? • —Is there equipment that should be examined by you or experts?~~
- ~~• Do you need to call Internal Audit or the Campus Police? If you suspect misappropriation of University resources, you should immediately contact Internal Audit and your E/LR Consultant. Your own investigation will proceed, but other offices may provide information which becomes part of your evidence.~~

~~**Fair Investigation.** Was your investigation fair and objective?~~

- How long ago did the alleged infraction occur? (Unnecessary delays may send a message that you don't consider the infraction to be serious.)
 - If you think you already know what happened, have you looked only for evidence to support your theory?
 - Should you conduct the investigation, or are you too close to what happened to be objective?
 - Should the employee remain on the work site during the investigation? (Do you fear sabotage, or is the employee a threat to others?)
 - Have you made every effort to reconcile conflicting statements or other conflicting evidence? Are you prepared to discard what you cannot validate?
 - Have you given the employee a chance to appear (with a representative if applicable), to tell their side of the story and respond to the evidence you have gathered?
- Proof.** During your investigation, did you find proof of misconduct or of a performance discrepancy?
- What conclusions are clearly supported by the evidence you gathered?
 - Remember that evidence must be truly substantial, not flimsy or slight, to form a basis for taking disciplinary action.
- Equal Treatment.** Have you dealt with your employees equally, without discrimination?
- Are work rules applied consistently?
 - Are all employees held accountable for the performance standards established for their positions?
 - Have similarly situated employees (similar records and infractions) received the same discipline?
 - What is your department's record for taking disciplinary action for this type of infraction? What is the campus' record? (Explore this with your E/LR Consultant.)
- Appropriate Discipline.** How do you decide what's appropriate?
- Is the discipline you propose to take reasonably related to the seriousness of the problem? (Did the violation pose serious safety problems or create work flow disruptions for the department?)
 - Is it reasonably related to the employee's record (length of service and overall performance)? Is this violation part of a pattern?
 - Do you have the authorization to take this action, or should you have it reviewed by the next level of management?
 - A minor infraction does not merit harsh discipline unless it is a repeat occurrence by the employee.
 - Given the same violation for two or more employees, their respective records of service provide the only basis for administering different disciplinary actions without being subject to a charge of discrimination.
 - What personnel program is the employee part of (Union contract, CCS)?
- Consult your E/LR Consultant.
