Sick leave may be taken for the following reasons:

- 8.2.1 Injury or illness of the employee. The total amount of sick leave accumulated by the employee may be taken, if required.
- 8.2.2 Injury, illness or death of a member of the immediate family requiring the presence of the employee.
- 8.2.3 Immediate family shall be defined as: spouse, state registered domestic partner, parent, step-parent, child (biological, adopted, step or foster) regardless of age or dependency

status, sibling, grandparent, grandchild, father-in-law, mother-in-law, brother-in-law, sister-in-law, daughter-in-law, son-in-law or a more distant relative if living as a member of the employee's immediate family.

8.3 Utilization – Incremental Use

8.3.1 Any employee who for any reason must take sick leave shall as soon as possible notify his/her immediate supervisor or Department/Division Head. Persons in a supervisory capacity or a Department/Division Head. Persons in a supervisory capacity or a Department head/Division Head will be responsible for ensuring that employees follow the appropriate notification procedures when utilizing sick leave.

8.3.2 In the event of sickness, disability, medical or dental appointments or death in the immediate family requiring the presence of the employee, he/she shall be granted sick leave with pay.

8.3.3 Under no circumstances will sick leave be taken instead of annual leave.

8.3.4 Employees accrue and may use sick leave during the review period.

8.4 Sick Leave covers those situations in which an employee is absent from work due to circumstances such as:

8.4.1 An employee's mental or physical illness, injury, or health condition;

8.4.2 Preventative care such as medical, dental or optical appointments and/or treatment;

8.4.3 Care of a family member with an illness, injury, health condition and/or preventative care such as medical, dental or optical appointment;

8.4.7 If the employee or the employee's family member is a victim of domestic violence, sexual assault or stalking.

8.5 The County may require a medical note for leave of more than three (3) days. All employee requests for verification may not result in an unreasonable burden or expense on the employee.

8.6 The County may also request a physician's written release for an employee to return to work. Per RCW 49.46.201(g)(I), 49.46.200 and 49.46.210, and all applicable rules, do not preclude an employer's ability to verify when an employee may return safely to work (requires a "fitness for

8.8 Any employee who is laid off, discharged, or separated from the service of the employer for dishonesty or misconduct shall not be compensated for unused sick leave. If any employee is in unpaid status for a full month, he/she shall not accrue sick leave benefits. 8.9 Scheduled vs. Unscheduled Sick Leave

8.9.1 Scheduled sick leave absences are those sick leave absences associated with medical appointments, planned surgeries, annual physicals or other foreseeable medical/dental appointments; these types of absences require prior written approval. Scheduled sick leave absence requests should be submitted for approval as soon as the employee schedules the appointment with the Health Care provider. If the need for paid sick leave is foreseeable, the Employer requires advance notice from the employee. The employee must provide notice at least ten days, or as early as practicable.

8.9.2 Unscheduled sick leave absences are those sick leave absences which are not preplanned or foreseeable. The employee must notify his/her Supervisor, Department Head/Elected Official (or designee) as soon as reasonably possible, in accordance with departmental notification procedures. It is best to communicate directly with the supervisor so an anticipated return to work can be discussed. If the employee gets voicemail, they should provide a call back number for the supervisor and use other means of communication to contact an individual regarding their absence.

8.10 The following may be used to determine needed appropriate action at the supervisor’s discretion and may result in progressive discipline:

8.10.1 Zero balance account: when an employee is absent from work and the employee’s sick leave account is depleted.

8.10.2 Job abandonment: when an employee fails to follow procedures notifying his/her supervisor of an absence (for example: leaving work during assigned shift without notice, failure to report to work without notice, failure to follow-up/update supervisor of ongoing absence). These types of absences are considered an abandonment of one’s job and may justify sever discipline (suspension/termination).

8.11 Employees may roll over a maximum of 75 sick days or prorated equivalent per calendar year.

8.11.1 Employees hired prior to June 1, 1989: Unless the employee selected LTD plan, an employee hired before June 1, 1989, may roll over a maximum of 180 sick days or prorated equivalent. Upon retirement or death, accrued sick leave will be paid at 50% of

accrued leave balance (max 130 days) at the employee's final pay rate to a maximum of 65 days.

8.12 The number of sick leave hours available are not intended to establish a guideline for acceptable service.

8.13 Any discrimination or retaliation against an employee for lawful exercise of paid sick leave rights is not allowed. Employees will not be disciplined for the lawful use of paid sick leave.

8.14 On-the-Job Injury or Illness – Worker's Compensation

8.14.1 Any employee suffering an injury or illness on the job arising out of this work which, in the opinion of their supervisor, renders him or her unable to continue work, shall receive pay for the balance of the shift on which the injury or illness occurred. The employee shall not be required to use sick leave for that day or fraction thereof.

8.14.2 Any employee who is eligible for compensation for time off due to an on-the-job injury shall at the request of the employee be paid accumulated sick leave in the amount of the difference between their regular pay and that other compensation for the first three (3) days of absence. The amount paid the employee by the insurance fund for the first three (3) days shall be credited to Spokane County from money due the employee in the next payroll period. The prorated part of sick leave as determined by the ratio of regular sick leave and accident compensation, shall be charged to the employee for time off the job.

8.15 Leave Sharing Program

Employees meeting eligibility requirements may receive donated leave time in accordance with the provisions of the Leave Sharing Program, as attached in this Agreement.
