Completely fill in the oval to the left of your choice. Use a dark blue or black pen.

Unless specifically allowed by law, more than one vote for a ballot measure will be an overvote and no votes for that ballot measure will be counted.

If you need to make a correction or mismarked your ballot, draw a line through the entire response. You then have the option of making another choice.

In order for your ballot to be counted, it must either be postmarked or deposited at a designated deposit site no later than 8:00 p.m. on Election Day (April 26, 2022).
