Step increases will be in increments of 2 steps if initial hire into County was prior to 7/15/14 or 1 step if initially hired after 7/15/14. Commencing January 1, 2019 step increases after the first step increase after hire will be in two step increments (5.12%) until the top step is achieved. —

**04/11/22 – Union proposes the above edits in red to Section 14.7.**

**14.8 Pay Rate Upon Reclassification:**

14.8.1 Reclassification to a higher **paying** classification:

If an individual position is reclassified with an incumbent employee in the classification and there is no competitive recruitment process, the employee shall be paid at the step in the new range which represents at least a ~~5%~~ **5.12%** increase, but not to exceed a 10.24% increase, over the rate of pay received immediately prior to the reclassification or at the minimum step of the new range, whichever is greater. The resulting increase cannot exceed the maximum step of the new range. **Upon completion of six (6) months, the reclassified employee will advance one step on the wage table. Subsequent step increases (two (2) step increments) shall be at twelve (12) month intervals until the top step is achieved.**

~~The employee will receive step increase in increments of 2 steps if initial hire into County was prior to 7/15/14 or 1 step if initially hired after 7/15/14. Commencing January 1, 2019 step increases will be in two step increments (5.12%) until the top step is achieved. The next step increase will be twelve (12) months after the effective date of the reclassification and subsequent step increases shall be at twelve (12) month intervals until the top step is achieved.~~

**04/11/22 – Union proposes the above edits in red to Section 14.8.**

14.8.2 Reclassification to a lower **paying** classification:

If an individual position **and/or job classification** is reclassified with an incumbent employee in the position, the employee shall be "Y" rated. "Y" rating shall be defined as follows: An employee shall continue to receive compensation at their current rate if that rate is higher than that provided for their new classification/position. The employee will be considered ineligible for an increase in pay until an adjustment in the salary structure

or a promotion to a classification with a higher salary range brings the employee's rate of pay within the established range for the position.

**04/11/22 – Union proposed the above edits on 03/15/22, so we can TA Section 14.8.2.**

14.10.2 An employee who returns to their former classification during their probationary period following promotion shall receive the same step date in the lower pay range as held before promotion, provided that adjustments shall be made to take into account any step increases which would have occurred had the employee not been promoted.

14.10.3 An employee who accepts a demotion/reduction or bidding to a lower classification or a previous classification shall be placed in the step that causes the employee the least amount of financial loss.

**04/11/22 – Union proposes the above edits in red to Section 14.10.**

**14.11 Pay Rate Upon Transfer:** An employee who transfers from one position to another within the same classification or different classification within the same salary range, shall continue the same rate of pay as before the transfer and retain their current step increase date.

**Upon Reclassification and 14.9 Pay Rate Upon Wage/Range Adjustments** the anniversary date for a step increase for an employee shall be adjusted under the following circumstances:

- 14.12.1 If an employee is returned to his/her former classification within a promotion probation period, the anniversary date held prior to such promotion shall be re-established.
- 14.12.2 When an employee returns from layoff and is reemployed in the same classification as originally held, the original anniversary date will be adjusted in accordance with County policies and procedures.
- 14.12.3 When an employee returns from layoff and is reemployed in a classification other than that originally held, the reemployment date shall be used to calculate the new step and longevity dates.
- 14.12.4 Unless protected by law, step dates and longevity dates will be adjusted for unpaid leave.
- 14.12.5 Step dates and longevity dates shall not be adjusted for paid leave.

Non-Economic Proposal #13

**ARTICLE 21 - GENERAL CONDITIONS**

**21.1 Work Rules:**

The parties may extend the time frame by mutual agreement.**

**04/11/22 – Union proposes the above edit in red to 21.1.**

**21.2 Personnel Files:**

21.2.1 Maintenance: One (1) personnel file shall be maintained and located at the Human Resources Department **and/or Civil Service (Sheriff employees only)** and one (1) at the individual Departments. Those files shall contain employment-related documents. On request, employees may review their personnel file(s). Employees may receive one (1) copy per year of all documents in their personnel **file(s)**.

21.2.2 Review and Release: The employees shall be given a copy of and have an opportunity to review any and every disciplinary or performance related document prior to it being placed in their personnel file. Any documentation created concerning the employee's performance that is placed in the employee's personnel file shall be placed in the file in a timely fashion from the date of occurrence(s).

21.2.3 Removal of Documents:

A. and

2. The employee submits a written request for removal.

C. Records of disciplinary actions involving reductions-in-pay, suspensions or demotions, will be automatically removed after (5) years from the date the employee received the disciplinary action, if;

1. There has been no subsequent discipline of a similar or like nature;  
and

2. The employee submits a written request for removal.

**04/11/22 – Union agreed on 03/15/22 to TA the joint collaborative edits as outlined above in 21.2.**

### **21.3 Information Requests:**

The Employer agrees to provide the Union, upon written request **by the Union Staff Representative and/or Local Union President**, access to materials and information necessary for the Union to fulfill its statutory responsibility to administer this agreement. When the Union submits a request for information that the Employer believes is unclear or unreasonable, or which requires the creation or compilation of a report, the Employer will contact the Unions Staff Representative and the parties will discuss the relevance, necessity and possible costs associated with the request.

**04/11/22 – Union agreed on 03/15/22 to TA the joint collaborative edits as outlined above on 21.3.**

### **21.4 Dress Code:**

Employees shall generally be allowed to choose their individual manner of dress: However, the Employers may require reasonable dress standards commensurate with the job.

**04/11/22 – Union previously agreed on 03/01/22 to TA the County's proposal to delete this language in 21.4 from the Contract.**

### **21.5 Uniforms and Protective Clothing:**

21.5.1 If any employee is required to wear an uniform, protective clothing or any type of protective device as a condition of employment such uniform, protective clothing or protective device shall be furnished, replaced as necessary and repaired by the Employer.

## **21.6 Personal Property:**

21.6.1 The Employers will repair or replace clothing, eyeglasses and personal property if damaged in an accident not to exceed actual cash value of such property that is damaged or destroyed in the line of duty. Nothing in this section is meant for the Employers to repair or replace damaged or destroyed property if the payment can be secured by the Court.

**03/29/22 – Union agrees to keep the current Contract language as outlined above in 21.5 and 21.6.**

## **21.7 Mileage:**

21.7.1 Employers **The County** agrees to furnish employees' transportation necessary to perform their official duties. In the event **County** the Employer's automobiles are not available, employees using their own automobiles shall be compensated in accordance with IRS provision for all **business** miles driven. ; or at a rate specified by Spokane County Code, whichever is greater, by mutual agreement between the Union and the County.

**04/11/22 – As previously discussed, the Union still believes this “economic” proposal needs further discussion. Specifically how is the County going to handle the issue that employees in the Assessor’s office are currently required to use their own personal vehicles to conduct County business and the IRS business mileage is not appropriate compensation for these employees given the wear and tear on their personal vehicles.**

## **21.8 In-House Services:**

All County Departments which provide services for other Departments shall be afforded an opportunity to bid on the requested job and/or service prior to an outside bid being considered. The County and the Union recognize that contracting out bargaining unit work is negotiable.

**04/11/22 – Union agrees to keep the current Contract language as outlined above in 21.8.**

## **21.9 Reasonable Suspicion Substance Abuse Testing:**

Reasonable suspicion testing for alcohol (Breath Alcohol Content – BAC), marijuana (THC) or controlled substances (Urine Analysis – UA, employee may request a blood test) may be directed by the Employer for any employee when there is reason to suspect that alcohol, marijuana (THC) or controlled substance usage may be adversely affecting the employee's job performance or that the employee may present a danger to the physical safety of the employee or another. The employee and Union representation shall meet with Employer/Supervisor to assess the situation before any testing is warranted. Reasonable cause that an employee is under the influence of a drug and/or alcohol will be based on specific facts and/or reasonable inferences derived from those facts.

If Employee, Employer and Union representative are unable to resolve the situation and reasonable suspicion exists, employees must submit to alcohol, marijuana (THC) and/or controlled substance testing when requested by the Employer. A refusal to test is considered the same as a positive test. When an employee is referred for testing, he/she will be timely transported to an authorized testing facility by the Employer. The cost of transportation and reasonable suspicion testing, including the employee's salary will be paid by the Employer.

An employee who has a positive alcohol and/or positive controlled substance test may be subject to disciplinary action, up to and including termination.

**04/11/22 – Union rejects the County's proposal. Why because the County needs to involve the Union and have a Union Rep. be involved in the reasonable suspicion testing assessment/process. Further the language in 21.9 spell out the basic BAC and UA reasonable suspicion testing parameters.**

**21.9 Nothing in this agreement or any supplemental agreement shall be construed to diminish the County's right to have non-represented employees, and/or supervisors, or other non-represented employees from performing bargaining unit work for the purpose of instruction, experimentation, correcting work difficulties, relieving employees for short periods of time (e.g. 30 calendar days or less or up to 60 calendar days if the particular Local 1553-S position is still unfilled), emergency situations, or in the interest of productivity, efficiency, and quality. The County will not, however, use non-bargaining unit employees to replace or supplant Local 1553-S bargaining unit employees.**

**04/11/22 – Union agreed on 03/15/22 to TA the joint collaborative edits as outlined above in 21.9.**

Non-Economic Proposal #14

**ARTICLE 22 - LOCKOUTS AND STRIKES**

**22.1 Lockouts:**

No lockouts of employees shall be instituted by the Employers during the term of this Agreement.

**22.2 Strikes:**

No strikes, slow down or disruptions of work of any kind shall be caused or sanctioned by the Union during the term of this Agreement. At no time, however, shall employees be required to act as strike breakers or to go through picket lines.

**22.1** The parties agree that there shall be no lock out or suspension or disruption of work through any complete or partial stoppage of work, boycott, concerted action, demonstration, picketing, bannering, refusal to do reasonably assigned work, shutdown, slowdown, or any other similar actions or conduct whatsoever which causes, might cause, or results in interference with or in any way disturbs the normal operation of any Spokane County owned location.

**22.2** The County shall have the right to discharge or discipline any employee participating in any activity in contravention of this Article, including any strike, slowdown or other suspension of work; and the Union agrees not to oppose such action. However, it is understood that the Union shall have recourse to the Grievance Procedure as to matters of fact in the alleged action of such employee.

**22.3** In the case of any activity in violation of 22.1 of this Article, including strike, slowdown or other suspension of work not authorized by the International Union, the Local Union, or any of their officers, the County agrees that neither the International Union, the Local Union, nor their officers shall be liable for damages, provided that the Union shall promptly and in good faith uses every reasonable means at its disposal and in good faith use every reasonable means at its disposal to bring about an immediate end to the conduct.

**04/11/22 – Union rejects the County's proposal.**

## Non-Economic Proposal #20

### Appendix # - Normal (Lag) Pay System

- NEW The employees shall be paid in accordance with the County's payroll schedule. The County will implement a County wide lag pay system no earlier than January 1, 2023 or December 31, 2023. A six (6) month notice will be provided to the bargaining unit prior to implementation.
- If implemented on January 1, 2023, the first pay period will be as follows: Start January 1 through pay end date January 14, 2023. Employees will be paid on January 20, 2023. (a one-time, 7 day delay in pay checks being issued)
  - If implemented on December 31, 2023, the first pay period will be as follows: Start December 31, 2023 through pay end date January 13, 2024. Employees will be paid on January 19, 2024 (a one-time, 5 day delay in pay checks being issued).
  - Once the lag pay system is implemented, employees will be paid bi-weekly on every other Friday.
  - Pay periods will always be a 14 day period.
  - The number of yearly pay periods will be changed from 24 pays to 26 pays.
  - In recognition that this change could have an impact on employees, options that may be offered to the employees to bridge this delay will be:
    - o The ability to do a one-time cash out of accrued Vacation or Comp time up to forty (40) hours.
    - o Ability to take out a 0% interest loan out that will be repaid during the course of their employment or upon separation.
    - o If any other options are developed at the time of implementation, the options will be offered to the members of this bargaining unit.
  - If there is a delay or change in the implementation for this bargaining unit, at least 60 days notice will be given.

**04/11/22 – During a negotiation session on 02/15/22 the County (as outlined above) verbally contradicted some of the elements of their own lag pay proposal. So the County's proposal needs additional clarification from the County. Therefore we are still waiting for the County to present us with a "revised" lag pay proposal for our consideration.**
