- 2022 Funding Round Categories
- Crisis Stabilization Overview
- Model Ordinance
- Funding Opportunity Information
- Summary of Spokane Projects by Biennium

Context and Program Information

Behavioral Health Transformation

- Governor's plan calls for more community-based treatment
- Experts favor efficacy of community-based care
- State Hospitals becoming forensic centers of excellence
- Integrated physical and behavioral healthcare

Commerce BHF-funded facility in Brush Prairie, WA

General Program Information

- **Eligible Applicants**

- City/town, county, special purpose district, tribe, hospital, nonprofit, for-profit business

- **Projects must increase capacity for specific behavioral health service types**

- **Grants may reimburse capital costs:**

- Construction / Renovation
- Capitalized equipment
- Acquisition of buildings and land

General Program Information (Continued)

- 15 year commitment period
- Applicant must meet all applicable licensing, certification, and construction review requirements
- Organizations must consult with regional entities that administer the purchasing of services, including their BH-ASO

Crisis Stabilization Overview

Crisis Stabilization Facilities Overview

- Inpatient Crisis Stabilization
- Inpatient Crisis Triage
- 23-Hour Outpatient Crisis Stabilization
- Inpatient Crisis Stabilization for Youth

Behavioral Health Model Ordinance

Model Ordinance

- Commerce is working with BERK Consultants to develop a model ordinance for cities and counties
- Provides clear, tested language for jurisdictions to use to site community-based treatment facilities
- Includes a communications toolkit
- Final version released in June 2021

Commerce BHF-funded facility in Spokane Valley, WA

Communications Toolkit

- Goal is to educate and raise awareness of behavioral health issues and city planning processes
- Provides strategies for local governments and behavioral health facility developers in anticipation of community concerns
- Shares resources and real-world examples to leverage in communications

Toolkit Formats:

- [Web-Based Toolkit](#)
- [Downloadable PDF](#)
