Behavioral Health Facilities Program

Tanya Mercier
COMMUNITY PROJECTS SUPERVISOR,
DEPARTMENT OF COMMERCE
JUNE 16, 2022
Topics We Will Discuss

• Context and Program Information

• CSU/Triage Facilities Funded in the Spokane Region

• 2022 Funding Round Categories

• CSU/Triage Facilities Overview

• Model Ordinance

• Funding Opportunity Information
Behavioral Health Transformation

- Governor’s plan calls for more community-based treatment
- Experts favor efficacy of community-based care
- State Hospitals becoming forensic centers of excellence
- Integrated physical and behavioral healthcare
General Program Information

• **Eligible Applicants**
  - City/town, county, special purpose district, tribe, hospital, nonprofit, for-profit business

• **Projects must increase capacity for specific behavioral health service types**

• **Grants may reimburse capital costs:**
  - Construction / Renovation
  - Capitalized equipment
  - Acquisition of buildings and land
General Program Information (Continued)

- Awardees must commit to maintaining and operating the funded project for a 15 year commitment.

- Awardees must work with regional entities that administer the purchasing of services, including their BH-ASO and MCO (if applicable) and state entities who may provide operating or service funding such as HCA or DSHS (if applicable).

- Awardees must meet all applicable licensing, certification, and construction review requirements through DSHS, DCYF, DOH and local jurisdictions.
CSU/Triage Facilities Funded in the Spokane Region

• Adams, Ferry, Lincoln, Pend Oreille and Stevens Counties
  • No csu/triage specific projects funded but the BHF program has funded IBHTF, 90/180-day LTCC, E&T and SWMS facilities

• Spokane County
  • 17-19 DA, 19-21 DA and 19-21 Trueblood awards to Spokane County for Spokane Mental Health Crisis Stabilization Facility; $6,270,000 awarded for 48 beds. Facility opened in 2021.
    • 17-19 Competitive award to Spokane Treatment and Recovery for STARS Integrated Health; $1,950,000 for 16 beds. Project is in pre-contracting.
    • 20-23 Competitive Premera award to Multicare NW Foundations for Deaconess Hospital CSU; $1,000,000 for 22 beds outpatient. Project is in pre-contracting.
  • Other IBHTF, 90/180-day LTCC, E&T and SWMS facilities

</tr>
</tbody>
</table>
Crisis Stabilization

• A Place to go
  • Walk-in and crisis stabilization services are accessible and provide all individuals with a no-wrong door access to mental health and substance use care and crisis stabilization services.
  • Allow for police drop-offs and holds, “emergency custody,” up to 12 hours per RCW 71.05.

• Facility Types
  • “Crisis Stabilization” – short term stay usually up to 14 days where a person can go to work their crisis in a safe and calm environment.
  • 23-hour facility – Called “Crisis Triage” or Drop-in facilities where a person can go to receive short term services with the goal of arranging a follow up before the person leaves.
  • Hybrid – a facility with both services to address the needs for the person.
Model Ordinance

• Commerce is working with BERK Consultants to develop a model ordinance for cities and counties
• Provides clear, tested language for jurisdictions to use to site community-based treatment facilities
• Includes a communications toolkit
• Final version released in June 2021
Communications Toolkit

• Goal is to educate and raise awareness of behavioral health issues and city planning processes
• Provides strategies for local governments and behavioral health facility developers in anticipation of community concerns
• Shares resources and real-world examples to leverage in communications

Toolkit Formats:
• Web-Based Toolkit
• Downloadable PDF
