

Public Works Department

Spokane County, Washington

Notice of Application Optional DNS Process

Project Name: Spokane County Connor Road Bridge #4404 Replacement

Date of notice of application: July 29, 2022

Comment due date: August 12, 2022

Agency Contact: Beth DeBoer, edeboer@spokanecounty.org, 509-703-2259

Description of proposal: Spokane County Public Works is proposing to remove the weight restricted timber bridge and pilings and replace with a modular steel bridge and steel piles.

Location of proposal: Bridge #4404 is located on E Connor Rd, approx. 100' west of Sands Rd in Valleyford, WA. Section 32 Township 24N Range 44E WM (Spokane County, WA).

Project Applicant: Matt Zarecor, 509-477-3600, mzarecor@spokanecounty.org

SEPA Environmental Review: Spokane County has reviewed the proposed project for probable adverse environmental impacts and expects to issue a Determination of Nonsignificance (DNS). This determination is based on the following findings and conclusions:

Environmental Review of this project has shown no potential for significant negative impacts as a result of construction. Best Management Practices will be used on site to mitigate minor impacts from construction. Spokane County will obtain all required permits from local and state agencies and comply with any conditions associated with these permits.

The optional DNS process in WAC 197-11-355 is being used. **This may be your only opportunity to comment on the environmental impacts of the proposed project.**

Agencies, tribes, and the public are encouraged to review and comment on the proposed project and its probable environmental impacts. **Comments must be submitted by the date noted above to Beth DeBoer at edeboer@spokanecounty.org or 509-703-2259 or Spokane County Public Works, 1026 W Broadway Ave, Spokane, WA 99260**

Required Permits: The following local, state and federal permits/approvals are needed for the proposed project: Fish and Wildlife HPA, Army Corps 404 & Dept of Ecology 401 Water Quality

Required Studies: None

Existing Environmental Documents: None

Preliminary determination of the development regulations that will be used for project mitigation and consistency: Other agency evaluations, approvals, permits and mitigation as necessary.
