Subject: Withdrawal of the SVFD Levy Lid Lift Proposal for the November Ballot

As you know our Levy Lid Lift Proposal unofficially passed on the August 2, 2022 Primary Ballot; and as of today, it has officially passed and has been certified.

While it was unknown whether it would pass on or not on the August 2nd ballot, we decided to re-submit the proposal on the November 8, 2022 General Election Ballot.

Therefore, due to today's official certification of our passing Levy Lid Lift, I am officially requesting to pull/remove our Levy Lid Lift Proposal submitted for the November 8, 2022 ballot.

Thank you!

Respectfully,
