

Exhibit C - 2016 Conservation Futures Prioritized Acquisition List

Please Note: Final Recommendation: The Land Evaluation Committee took into account the results of the evaluation criteria along with public input, their experience on each nominated site and the Staff Recommendation, which took into account title reports, review of existing legal agreements affecting properties, potential funding sources, and other factors. ***Administrative Acquisition:** Nominations identified for Administrative Acquisition will be pursued by staff utilizing the process described in the 2016 Program Overview pending availability or satisfaction of contingencies as described below to solve critical existing issues related to the access and management of existing public parklands.

Status Update	Nomination Name	Ranking	Future Ownership	Property Description	Ranking Notes / Contingencies
	Liberty Lake 19-16	*Administrative Acquisition	City of Liberty Lake	23.1 acre property inside the City of Liberty Lake	Considering the real potential to provide and preserve a critical public access connection to Saltese Uplands Conservation Area from the City of Liberty Lake and to address current trespassing issues, this property is to be pursued through the Administrative Acquisition Process <u>contingent</u> upon the City of Liberty Lake obtaining all public trail easements or property necessary to physically connect this nomination to Saltese Uplands C.A. The City of Liberty Lake is asking for 50% of the purchase price to be reimbursed by Conservation Futures.
Under Contract	Beacon Hill 02-16	1	Spokane County	70 acre property adjacent to John C. Shields Park in Beacon Hill area.	"Banta Property" / Contingent Upon Grant Funding
