Date Work to Start:	Number of days required for completion of work:			

DISCLAIMER AND SIGNATURE

Applicant agrees to perform the work in strict compliance with the current version of the Pavement Cut Policy for Spokane County. It is further agreed that if any part of this installation interferes with the future use of the highway by the general public, it must be removed or relocated as designated by the County Engineer at the expense of the applicant or his successor in interest. Traffic control signing and barricades shall be furnished by Permittee in strict conformance with "Manual on Uniform Traffic Control Devices".
