SPECIAL EVENTS

FEE

Spokane County is very supportive of and endeavors to accommodate special requests from the public to reserve usage of certain Spokane County Park Properties/Facilities to conduct community oriented events (i.e. dogs show, car show, day camp, etc.). Requests for events and other organized park usage are reviewed by the Director or designee on a case-by-case basis to determine whether they require a Special Event Permit. Generally, uses that require a Special Event Permit may include: group off-season park use that requires an organizer to provide restrooms or other services, events that require a portion of the park for exclusive use (e.g. wedding), organized sporting events, commercial use, using a park or facility for a use not typically allowed (e.g. boy scout archery range or car show) and / or organized group use of over 100 people.

The Parks Director shall utilize her/his discretion as to determining whether or not a specific Special Event is an appropriate match for a specific Spokane County Park Property/Facility. Submittal of a special event reservation request form does not guarantee that an event will be authorized for the desired facility due to limiting factors such as available services, staff and resources as well as the limited capacity of the facility.

Unless otherwise directed by the Board of Spokane County Commissioners, additional fees above and beyond the Special Event permit fees shall be charged on a case-by-case basis in an amount that will recoup actual costs associated with accommodating said Special Event as determined by the Parks Director. Sponsors of Special Events may be asked to provide additional support services, security, proof of acceptable liability insurance, and proof of additional permits/approvals as required by law and/or determined appropriate by the Parks Director and/or the Risk Manager.

NOTE: EXTRA EVENT DAYS		Maximum of 4 extra event days per event unless authorized by the Director as part of a K-12 Student Event

INSURANCE REQUIREMENT

Event insurance may be required on a case-by-case basis as determined by the Risk Manager depending on the type of activity, rental and whether alcohol is planned to be consumed at the event. Event organizers are responsible for obtaining and providing adequate proof of insurance (when required as a condition of the event / rental) that meets Spokane County Risk Management’s minimum coverage requirements at their sole expense in a timely manner. Failure to obtain and provide acceptable proof of insurance to the Risk Manager prior to an event may lead to event / rental cancellation and forfeiture of entire permit / rental fee exclusive of any additional fees that may have been charged (e.g. Liberty Lake Group Entry Fee Charge). *Applies to all applicable sections herein Exhibit A.*

FACILITY DAMAGE

Damage attributed to the renter / event organizer (beyond normal wear and tear) to a park / facility will be billed to the renter / event organizer to recover actual repair costs. *Applies to all applicable sections herein Exhibit A.*

SPECIAL EVENT FOOD AND ALCOHOL

If food and/or beverage is planned to be served or sold at the event, sponsor shall obtain all necessary permits and Spokane County Parks reserves the right to require the renter / event organizer to provide proof / copies of such permits to Spokane County Parks. Failure to provide copies of necessary permits upon request may lead to event / rental cancellation and forfeiture of entire permit / rental fee exclusive of any additional fees that may have been charged (e.g. Liberty Lake Group Entry Fee Charge). *Applies to all applicable sections herein Exhibit A.*

SPECIAL EVENT CANCELLATION POLICY

- If notification of a cancellation is received from the Event Sponsor days or more prior to the event date, a \$50 cancellation fee will be retained by Spokane County and all other funds will be returned.
- If notification of a cancellation is received from the Event Sponsor less than 14 days prior to the event date, Spokane County will retain 50% of the special event permit fee and all other funds will be returned.

Please note: “Special Event Permit Fee” is the Level I, II, or III event base rate and additional event day(s) rate (if applicable) only and does not include additional fees such as the Alcohol Endorsement.

SPOKANE COUNTY CANCELLATION

Spokane County reserves the right to cancel an event at any time, for any reason. If this should occur, a full (100%) refund maybe provided. Factors that could trigger a County Cancellation may include but are not limited to: “acts of god,” natural disasters; vandalism; or facility breakdowns. When feasible, Spokane County will work with an Event Sponsor to find a different location with the County Parks System to offer as an alternative to cancellation. If a different location is offered by the County, and accepted by the Event Sponsor, no refund will be provided. *Applies to all applicable sections herein Exhibit A.*

CANCELLATION POLICY – DIRECTOR’S DISCRETION

The Director may utilize his/her discretion to deviate from the cancellation policies contained herein on a case-by-case basis as circumstances may dictate. *Applies to all applicable sections herein Exhibit A.*

TANGIBLE BENEFIT EVENTS

The Director may utilize his/her discretion to reduce or waive special event permit fees and short-term rental fees and other fees (e.g. Liberty Lake entry fees) for events that benefit a Parks facility in a direct, tangible way (e.g. major volunteer clean-up event). *This policy does not apply to Aquatic Facilities.*

CO-SPONSORED EVENTS

The Director may utilize his/her discretion to reduce or waive special event permit fees and short-term rental fees and other fees (e.g. Liberty Lake entry fees) for events which are sponsored or co-sponsored by Spokane County. *This policy does not apply to Aquatic Facilities.*

MISCELLANEOUS FEES**FEE**

Film Permit 1 (Per Day) \$500.00

Spokane County Parks' facilities provide scenic backdrops and a variety of locations to shoot commercials, TV shows, and movie scenes. It is recognized that these events fall outside of a typical special event, as filming often requires exclusive use of a facility with the ability to prevent the public from walking onto a "set." Film Permit 1 typically includes commercial filming that significantly impacts the public's use of the site and / or excludes the public in a significant way by reserving a large portion of the park for filming.

Film Permit 2 (Per Day) \$250.00

Film Permit 2 typically includes commercial filming that does not significantly impact the public's use of the site and / or does not exclude the public in a significant way by reserving a small portion of the park for filming.

Metal Detector Permit \$10.00

This permit is good for one year from date of purchase.

FIELD & COURT RENTALS**FEE**

The Director may establish Field and Court rental fees / rates and a departmental policy for scheduling such use of ball fields and sport courts within the County Park system, for those ball fields and sport courts not otherwise included as part of an established agreement or otherwise incumbered. In and of themselves, ball field and sport court rentals shall not be considered a Special Event (*See above for more info on "Special Events"*). If interested in renting a ball field or sport court, please contact (509) 477-4730 for more info.
