

Spokane County Auditor's Office Seeking Volunteers for Drafting of Ballot Measure Positions for Special Election

SPOKANE COUNTY, December 19, 2022 — The Spokane County Auditor's Office – Elections Division is seeking volunteers to write arguments on the following ballot measures appearing on the February 14, 2023 Special Election ballot to be printed in the Local Voters Pamphlet:

- Spokane Valley Fire Department Statements *For* and *Against* the Proposition of a Maintenance and Operations Excess Levy

According to [Revised Code of Washington 29A.32.280](#), districts proposing the measures are responsible for appointing committees to write arguments for and against each measure. The districts have not appointed all committees to write arguments on the measures, so the County Auditor is seeking individuals to serve on those committees.

The Special Election Local Voters' Pamphlet includes official ballot titles, explanatory statements, arguments "for" and "against" each measure, and rebuttals.

Committee members are required to be residents of the district in order to draft arguments and at least one person must be willing to be named in the voters' pamphlet as a member of the committee.

Interested parties should contact the Elections Division by 12:00 p.m. (noon), December 23, 2022. Please email pamphlet@spokanecounty.org or call 509-477-6390 if interested. Arguments are due by 1:00 p.m., December 23, 2022.

Resolutions submitted by the districts for each measure can be found on the Spokane County Auditor's website at: <https://www.spokanecounty.org/5301/2023-Ballot-Resolutions>

The format for writing arguments can be found at:
