SPOKANE COUNTY FIRE PROTECTION DISTRICT NO. 13
RESOLUTION NO. 2023-5
RESOLUTION PROVIDING FOR THE SUBMISSION OF LEVY PRIMARY ELECTION

A RESOLUTION OF THE BOARD OF COMMISSIONERS OF SPOKANE COUNTY FIRE PROTECTION DISTRICT NO. 13 PROVIDING FOR THE SUBMISSION TO THE QUALIFIED ELECTORS OF THE DISTRICT AT AN ELECTION TO BE HELD WITHIN THE DISTRICT ON AUGUST 1, 2023, IN CONJUNCTION WITH THE STATE PRIMARY ELECTION TO BE HELD ON THE SAME DATE, OF A PROPOSITION RESTORING THE DISTRICT'S PROPERTY TAX LEVY RATE TO $1.40 PER $1,000.00 OF TRUE AND ASSESSED VALUATION AND ESTABLISHING A LIMIT FACTOR OF SIX PERCENT OR LESS SUBJECT TO OTHERWISE APPLICABLE STATUTORY LIMITATIONS FOR THE FOLLOWING FIVE YEARS.

Background: WHEREAS, it is the judgment of the Board of Commissioners of the District that it is essential and necessary for the protection of the health and life of the residents of the District that the fire and emergency medical services be provided by the District.

WHEREAS, The Board of Commissioners has determined that the accelerated demands for, and increasing costs of, providing services will necessitate the expenditure of revenues for maintaining and/or improving fire protection operations, replacing apparatus and equipment, firefighter recruitment and training and maintaining emergency medical service levels in excess of those which can be provided by the District's regular tax revenue levied at the current rate of approximately $0.79 per $1,000.00 of assessed valuation of taxable property within the District as limited by the 101% limitation, not to exceed 1% maximum increase per year.

WHEREAS, The District experiences annual cost increases affecting its operations that reflect standard inflationary indices and that consistently exceed the statutory 101% limitation on tax levy increases.

WHEREAS, The District has previously levied at the $1.40 rate in 2017.

WHEREAS, The District believes that it is reasonable to adopt a growth factor for years 2-6 of the levy lid lift period designed to allow the District to keep pace with inflation and has determined that a maximum limit of six (6) percent will allow the District to keep pace with inflation.

WHEREAS, The Board of Commissioners has determined that it is in the best interest of the District that the maximum allowable levy in the sixth year of the levy authorized by this Resolution serve as the levy base for purposes of applying the limit factor established by RCW 84.55.010 in subsequent years.
Resolution: NOW, THEREFORE BE IT RESOLVED by the Board of Commissioners of Spokane County Fire Protection District No. 13, Spokane County, Washington as follows:

Section 1. In order to meet increased call volumes, maintain and/or improve the level of fire protection, prevention, emergency medical services and the protection of life and property in the District, it is necessary for the District to operate and maintain emergency fire and medical service vehicles and improve station and other capital facilities and/or improve the service delivery model to retain properly trained firefighters equipped with proper firefighting and emergency medical equipment.

Section 2. In order to provide the revenue adequate to pay the costs of maintaining and providing the services described in Section 1 and to assure the continuation and improvement of such services the District shall, in accordance with RCW 84.55.050, remove the limitation on regular property taxes imposed by RCW 84.55.010, and levy beginning in 2023 and collect beginning in 2024, pursuant to RCW 52.16.130, RCW 52.16.140 and RCW 52.16.160, a general tax on taxable property within the District at a rate of $1.40 per $1,000.00 of assessed valuation subject to otherwise applicable statutory limits.

Section 3. In order to provide the revenue adequate to pay the costs of providing adequate life protection services and facilities as described in Section 1 and to maintain reserve funds sufficient to assure the continuation of such services beyond 2024, the District has determined that the limit factor for the five succeeding years shall be six (6) percent or less. Such percentage shall be used to determine the actual levy rate, subject to the maximum statutory rate of $1.50 per $1,000.00 of assessed valuation, in 2024-2028 for collection in 2025-2029.

Section 4. The maximum allowable levy in 2028, for collection in 2029, shall serve as the District’s tax levy base for purposes of applying the limit factor established by RCW 84.55.010 in subsequent years.

Section 5. There shall be submitted to the qualified electors of the District for their ratification or rejection, at an election on August 1, 2023, in conjunction with the state primary election to be held on the same date, the question of whether or not the regular property tax levy of the District should be restored to $1.40 per $1,000.00 of true and assessed valuation and be adjusted by six (6) percent or less for the following five years, subject to otherwise applicable statutory limitations. The Board of Commissioners hereby requests the auditor of Spokane County, as ex-officio Supervisor of Elections, to call such election, and to submit the following proposition at such election, in the form of a ballot title substantially as follows:

PROPOSITION NO. 1
(Multiple Year Levy Lid Lift)

SPOKANE COUNTY BALLOT ISSUE EXPLANATORY STATEMENT

(175 Word Limit)

Your elected Board of Commissioners of Spokane County Fire Protection District No. 13 have determined that the funding of fire protection and emergency medical services to our citizens require more stable and consistent funding.

If approved by the voters, this proposition will authorize the District to restore its regular real property tax levy rate to $1.40 per $1,000 of assessed valuation in 2023 for collection in 2024 and will establish an annual growth rate of up to six percent for the following five years in order to keep up with inflation. The District’s current tax levy rate is approximately $0.79 per $1,000 of assessed valuation.

The District Board has determined that the tax levy and the revenue it will produce is necessary to maintain the current level of services, fire fighter staffing, equipment and facilities and to purchase additional equipment and apparatus to continue to improve services for the protection of life and property in the District and to enhance public safety.
