AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF CHENEY, WASHINGTON, PROVIDING FOR THE FORM OF THE BALLOT PROPOSITION AND SPECIFYING CERTAIN OTHER DETAILS CONCERNING SUBMISSION TO THE QUALIFIED ELECTORS OF THE CITY AT A SPECIAL ELECTION TO BE HELD THEREIN ON AUGUST 1, 2023, OF A PROPOSITION FOR THE ISSUANCE OF ITS GENERAL OBLIGATION BONDS IN THE AGGREGATE PRINCIPAL AMOUNT OF NOT TO EXCEED $13,000,000, OR SO MUCH THEREOF AS MAY BE ISSUED UNDER THE LAWS GOVERNING THE INDEBTEDNESS OF CITIES FOR THE PURPOSE OF PROVIDING FUNDS TO FINANCE OUTDOOR AQUATIC IMPROVEMENTS, AND LEVY EXCESS PROPERTY TAXES TO PAY THE BONDS.

WHEREAS, the City of Cheney, Washington (the “City”) is a city duly organized and existing under and by virtue of the Constitution and the laws of the state of Washington;

WHEREAS, the City Council of the City (the “Council”) desires to provide for governmental services and finance a new outdoor aquatic facility, together with related improvements for the enjoyment and benefit of the City (the “Project”);

WHEREAS, in order to pay the costs of financing all or a portion of the costs of the Project, it is deemed necessary and advisable by the Council that the City issue and sell one or more series of its unlimited tax general obligation bonds in the principal amount of not to exceed $13,000,000 (the “Bonds”); and

WHEREAS, the Constitution and laws of the State of Washington provide that the question of whether such Bonds may be issued and sold for such purposes, and taxes levied to pay such Bonds, must be submitted to the qualified electors of the City for their ratification or rejection;

THEREFORE, THE CITY COUNCIL OF THE CITY OF CHENEY, WASHINGTON DO ORDAIN AS FOLLOWS:

Section 1. Findings. The Council hereby finds that the best interests of the residents of the City require the City to construct, develop, equip, upgrade, acquire, and improve the City’s recreation facilities, including the construction of the Project, as it has been outlined in the Swimming Pool Feasibility Study, dated March 20, 2023.

The Project costs are estimated to be up to $13,000,000 and will be paid from proceeds of the Bonds (as defined in Section 2) authorized herein and, if necessary, other available funds of the City.
The cost of all necessary appraisals, negotiation, closing, architectural, engineering, project management, financial, legal and other consulting services, inspection and testing, demolition, administrative and relocation expenses, permitting, mitigation, construction, and other costs incurred in connection with the foregoing capital improvements shall be deemed a part of the capital costs of such Project. Such Project shall be complete with all necessary real property, equipment and appurtenances.

The Council shall determine the exact specifications for the Project, and the components thereof, as well as the timing, order and manner of completing the components of the Project. The Council may alter, make substitutions to, and amend such components as it determines are in the best interests of the City and consistent with the general descriptions provided herein. The Council shall determine the application of moneys available for the various Project so as to accomplish, as nearly as may be, all of the Project.

If the Council shall determine that it has become impractical to design, construct, improve, obtain permits, renovate, acquire, develop, or equip all or any component of the Project by reason of changed conditions, incompatible development, costs substantially in excess of the amount of Bond proceeds or tax levies estimated to be available, or acquisition by or dependence on a superior governmental authority, the City shall not be required to provide such component or components. If all of the Project have been constructed or acquired or duly provided for, or found to be impractical, the City may apply remaining proceeds of the Bonds authorized herein (including earnings thereon) or any portion thereof to other park, recreation and open space capital purposes or to the redemption of the Bonds as the Council, in its discretion, shall determine.

In the event that the proceeds from the sale of the Bonds, plus any other money of the City legally available for such purpose, are insufficient to accomplish all of the Project, the City shall use the available funds for paying the cost of those portions of the Project deemed by the Council most necessary and in the best interest of the City.

Section 2. Authorization of Bonds. For the purpose of providing all or a portion of the funds necessary to finance and/or refinance debt previously issued by the City to finance the costs of the Project, together with incidental costs and costs of issuance of the Bonds, the City shall issue and sell its unlimited tax general obligation bonds in the aggregate principal amount of not to exceed $13,000,000 (the “Bonds”). The Bonds shall be issued in an amount not exceeding the amount approved by the electors of the City and not exceeding the amount permitted by the Constitution and laws of the State of Washington. The balance, if any, of the cost of the Project shall be paid out of any other legally available funds. The Bond proceeds (and earnings thereon) shall be used to finance and refinance the costs of the Project, together with incidental costs and costs related to the sale and issuance of the Bonds, and shall not be used for the replacement of equipment or for a purpose other than a capital purpose.

Section 3. Details of the Bonds. The Bonds provided for in Section 2 hereof shall be issued in such amounts and at such time or times as deemed necessary and advisable by the Council and as permitted by law. The Bonds may be issued in one or more series and shall bear interest payable at a rate or rates authorized by the Council. The Bonds shall mature in such amounts and at such times within a maximum term of up to 29 years from date of issue of a series, all as authorized by the Council and as provided by law. The Bonds shall be unlimited tax general obligations of the City and, unless paid from other sources, both principal of and interest on the Bonds shall be payable out of annual tax levies to be made upon all the taxable property within the City without limitation as to rate or amount and in excess of any constitutional or statutory tax limitations. The exact date, form, terms, maturities, covenants and manner of sale of the Bonds shall be as hereafter fixed by ordinance or ordinances of the Council.
In anticipation of the issuance of the Bonds, the City has issued and may issue additional short-term obligations as authorized by chapter 39.50 RCW. Such obligations may be paid or refunded with proceeds of the Bonds. The proceeds of the Bonds may also be used to reimburse the City for expenditures previously made for such Projects.

Section 4. Bond Election. It is hereby found that the best interests of the inhabitants of the City require the submission to the qualified electors of the City of a proposition authorizing the City to issue Bonds for the purposes of funding the Project, at an election to be held on August 1, 2023. The City Council has determined that the excess levy would be eligible for exemptions and deferrals as allowed under RCW 84.36.381. The Spokane County Director of Records and Elections, as ex officio supervisor of elections in Spokane County, Washington, is hereby requested to assume jurisdiction of and to call and conduct the election to be held within the City and to submit to the qualified electors of the City the proposition hereinafter set forth. Such election shall be conducted by mail.
