What we're asking:
 If there is an established level of service
 Current capacities of schools
 A forecast of future needs for schools (new or expanded) and locations (to 2037 or as available)
 Any facility planning documents, including financing plans if they are available

School District	Contact Name	Email Address	Phone Number	Contact Notes	Contact Notes (regarding sending a letter back to Scott about LOS)	Responses	Capital Facilities Plan	Capacity	Future Needs?
Central Valley	John Parker, Superintendent and Jay Rowell	jparker@cvsd.org & rowell@cvsd.org	509-558-5406	Emailed on 7/28/22. Voicemail on 8/22/22. Left msg w/ Matthew Knott on 9/9/22. Left voicemail on 9/28/22. Lauren left voicemail with Jay on 10/24/22 to check in about our proposed LOS (has talked to Jay multiple times through this process). Lauren emailed on 10/26/22 about proposed LOS & hearing date.	Lauren emailed 11/28/22.	see response email	Only short term plan document located for 2021-22. Does not appear to have long-term strategic docs. See https://www.cvsd.org/apps/pages/DistrictGrowth	by phone: Capacity for Elementary: 7,200 Capacity for Middle School: 3,800, Capacity for High School: 5,300.	Enrollment is projected to increase by over 3,000 students by 2029. CVSD will sell the existing administrative property on Cataldo Avenue and buy two new facilities: a Learning and Teaching Center in Liberty Lake and District Operations Center in Spokane, as well as construct a Transportation Center near Ridgeline High School.
Cheney	Rich Brown	rbrown@cheneysd.org	509-559-4939	Emailed on 7/28/22. Voicemail on 8/22/22. Called again on 9/7/22, no luck. Left voicemail 9/28/22. Lauren emailed on 10/26/22 about proposed LOS & hearing date. AQ called to clarify capacity and future needs on 1/20/23	Bill emailed 11/23/22. Responded with signed letter.	see response email	They appear to have studies completed but no links on website work. See response email	By phone: 5106 enrollment, 5000 capacity + 28 additional portable classrooms (30 kids each) = 5840	Approximately 60 acres are in reserve for siting 2 future schools to serve Airway Heights and the West Plains area.
Deer Park	Travis Hanson, Superintendent or Steve Howard, Facilities Director	travis.hanson@dpsdmail.org or steve.howard@dpsd.org	509-464-5500	Emailed on 7/28/22. Voicemail on 8/22/22. Left voicemail 9/28/22. Lauren emailed on 10/26/22 about proposed LOS & hearing date. AQ left VM on 1/20/23	Lauren emailed 11/28/22. Travis sent signed letter back.	Their 2021-2025 Medium/Large Scale Capital Projects plan includes a Transportation Facility, renovations to HS sports complex, cafeteria expansion at middle school and at Arcadia, a portable replacement at Arcadia Elementary and Home Link, and a FFA Building/Barn/Storage.	2016-2025 plan provided	Web search: 2,605 enrollment	Transportation facility High school sports complex renovations Cafeteria expansions Portable Replacements FFA building/barn
East Valley	Brian Talbott, Superintendent	talbott@cvsd.org	509-924-1830	Emailed on 7/28/22. Left message with office on 8/22/22. Left message with Mark Nelson on 9/7/22. Left voicemail for Neil on 9/29/22. Lauren emailed on 10/26/22 about proposed LOS & hearing date.	Lauren emailed 11/28/22.	See response. Current enrollment is 3438. Going through declining enrollment. Capacity is 6300. A lot of the district is outside of urban growth boundaries - so as those boundaries move that will help enrollment. Has extra land for future growth but still is quite a few years off. Starting a strategic plan.	Cannot locate anything online.	By phone: 3,438 enrollment, 6300 capacity	No Future Needs Identified
Freeman	Randy Russell, Superintendent or Kirk Lally, Facilities Director	rrussell@freemansd.org or klally@freemansd.org	509-291-3695	Emailed on 7/28/22. Voicemail on 8/22/22. Voicemail on 9/7/22 to Kirk Lally. Talked with office and left a voicemail for superintendent. Lauren emailed on 10/26/22 about proposed LOS & hearing date. AQ spoke with Kirk and followed	Lauren emailed 11/28/22. Randy responded saying he is sending the letter back.	Freeman intends to embark on a 10-year plan in the future. Portable units are being utilized to address current capacity issues until such time as funding is secured, such as through a bond, for school facility expansions identified within the pending 10-year plan. Jodi said that Great Northern is a District of 40 students. Capital facilities needs are likely pretty minimal. They'd like thing like a gym, etc but she is not aware of any plan for expansion. Said she has seen some sort of "building improvement plan" floating around and will try to find it.	Nothing online.	By phone: 875 enrollment / at capacity for middle and elementary school	potential for 2027 bond / additional portable units may be needed in the interim
Great Northern	Brett Baum, Superintendent	bbaum@gnsd.k12.wa.us	509-747-7714	Emailed on 7/28/22. Voicemail on 8/22/22. Talked to Jodi on 9/7/22, admin asst. Lauren emailed on 10/26/22 about proposed LOS & hearing date.	Lauren emailed 11/28/22.	Nothing online, see response.	Nothing online, see response.	Web search: Approx. 40 enrollment	
Liberty	Jarrad Jeske, Superintendent	jjeske@libertysd.us	509-624-4415	Emailed on 7/28/22. Voicemail on 8/22/22. Lauren emailed on 10/26/22 about proposed LOS & hearing date. AQ left VM on 1/23/23	Lauren emailed 11/28/22. Jarrad responded saying he will send the letter back to Scott.	Spoke w/ Super on 9/7/22. He is tracking down a plan or will try to provide use with some documentation.	Nothing online, see response.		
Mead	Ned Wendle	ned.wendle@mead354.org	509-465-6014	Emailed on 7/28/22. Lauren emailed on 10/26/22 about proposed LOS & hearing date.	Bill emailed 11/23/22.	25 year facilities plan and a 10 year population projection attached. Bill summarized "expecting to grow by about 1,700 students over the next 10 years". "I have been planning for over 10 years and think that the growth will dictate a new Middle School in the next 5 years. We purchased 70 acres (35 usable acres) on Hatch road out north of Biddwell water park with this school in mind. I think that a new High School could be warranted in another 10 years. I have been looking for 60 acres to the south end of our district to accommodate all of the new apartment units that are coming to that area. The property ownership is pretty tight and we don't consider any of them sellers. Depending on what happens with the new Mead Works project that Greenstone is building we could need an elementary there. There are multiple projects in various states of completion and or planning that could have an effect on school site placement. If UGA grows to the north or north east this could change our thinking."		By phone: 10,275 enrollment. Desired capacity is 600 per elementary school, 800 per Middle School and 1,800 per high school. Total desired capacity district wide is 12,000	Mead School District 25 year facilities plan and a 10 year population projection anticipates capacity issues and provides facility planning to accommodate projected increase of 1,768 students from 2019 to 2024. Additional increases of 1200 students are projected to 2030, 2036, and 2042 respectively.
Medical Lake	Timothy Ames, Superintendent and Chad Moss, Director of Finance & Operations	tames@milsd.org or cmoss@milsd.org	509-565-3100	Emailed on 7/28/22. Voicemail on 8/22/22. Left msg w/ Matt Leenhouts 9/7/22 - Maintenance Supervisor. Left message with Chad Moss on 9/8/22. 10/4/22 talked with front desk, left voicemail for Maintenance Director for capacity. Lauren emailed on 10/26/22 about proposed LOS & hearing date. AQ emailed Chad on 10/26	Lauren emailed 11/28/22.	See response email	Nothing online.	Web search: 1,807 enrollment	
Nine Mile	Jeff Baerwald, Superintendent or Claire Olson, Director of Business	jbaerwald@9mile.org or colson@9mile.org	Jeff: 509-340-4300 or Claire: 509-340-4306	Emailed on 7/28/22. Voicemail on 8/22/22. Voicemail with Claire on 9/9/22. Lauren emailed on 10/26/22 about proposed LOS & hearing date.	Lauren emailed 11/28/22.	"We currently have four school buildings in our district -- only one is in Spokane County. At this building, we currently have an HVAC renovation in progress. Student capacity in this building is roughly 298 students. We do expect growth in this building over the next 10 years; however, based on projections, the current building should be able to handle this growth. If not, we have a portable attached to the main building and have built our HVAC system to handle an expansion of the building where the current portable sits. Additionally in Spokane county, we have our district office and our Transportation Building/bus yard. There are no projects happening in these buildings."	See response email	By phone: 1,416 enrollment Capacity of Spokane county school building is 298. Current building not anticipated to reach capacity in next 10 years.	

Orchard Prairie	Joseph Beckford, Superintendent or Heather Roark, Administrative Assistant	jbeckford@orchardprairie.org or hroark@orchardprairie.org	509-467-9517	Emailed on 7/28/22. Talked on phone 8/22/22 with more questions via email sent.	Lauren emailed 11/28/22.	The school being used was built in 1894. Code issues come into play when buildings are that old. Looking to get a bond passed for a new building. (Lauren sent all questions to J Beckford via email on 8/22/22 so he could get more answers than what he could share on the phone.		By phone: 74 enrollment, 85 capacity	Looking to get a bond passed for a new building.
Riverside	Ken Russell, Superintendent	ken_russell@rsdmail.org	509-464-8201	Emailed on 7/28/22. Left message with office on 8/22/22. No luck on 9/7/22. Lauren left voicemail 10/4/22. Lauren emailed on 10/26/22 about proposed LOS & hearing date. AQ emailed Ken on 1/27/23. AQ Followed up via email on 2/13/23	Lauren emailed 11/28/22.	none	Nothing online.	By phone: 1,548 enrollment, 2500 capacity Elementary - 115-120 sf/pupil Middle School - 135-145 sf/pupil High School - 150-165 sf/pupil	
Spokane	Bob Turner, Director of Facilities or Greg Forsyth, Director of Capital Projects and Planning	roberttu@spokaneschools.org or gregoryf@spokaneschools.org	509-354-5900	Emailed on 7/28/22. Talked with office and they are very busy with the opening of two schools in the next couple of weeks. Will follow up via email. Lauren emailed on 10/26/22 about proposed LOS & hearing date.	Lauren emailed 11/28/22. Greg responded with letter back to Scott. AQ inquired about capacity info 2/21. Greg followed up 2/23/23 and is to provide capacity info	Running about another \$400 million 6-year bond in 2024 which would result in 7-10 major renovations. For what the last bond looked like see https://www.spokaneschools.org/Page/1020 . Greg Forsyth going to try and email something soon (I emailed him on 9/7/22).	"Spokane Public Schools describes their current level of service standard as, "educate all children who wish to attend public schools, between the ages of five years and 21 years who have not received a high school diploma or equivalent [and] educate handicapped children between the ages of three and five years." For elementary schools, more specific level of service standards include: 500 to 625 students per school, 5 or more acres of land per school, and a student/teacher ratio in K-3 of 25 to 1 and a ratio of 28 to 1 in 4-6. The standard student/teacher ratio for middle and high school is 30:1. Students who live more than a mile from school may travel to school on district-approved buses. Bus service is also provided to those students whose school route has been declared unsafe by the district safety office or who participate in after-school activities" --- taken from City of Spokane Capital Facilities Plan	By phone: 28,500 enrollment 10% additional capacity overall. Spokane elementary schools contain 500 to 625 students per school, 5 or more acres of land per school, and a student/teacher ratio in K-3 of 25 to 1 and a ratio of 28 to 1 in 4-6. The standard student/teacher ratio for middle and high school is 30:1	7-10 major renovations under consideration and subject to bond approval slated for 2024.
West Valley	Superintendent or George Castor, Director	kyle.rydell@wvsd.org or george.castor@wvsd.org	509-924-2150	vici.branum@wvsd.org. Lauren emailed on 10/26/22 about proposed LOS & hearing date.	Lauren emailed 11/28/22. Letter saved in file.	Kyle said they will follow up since they are working on a facilities plan to include some work following the 2024 Levy & Bond campaigns.	See response email	By phone: 3,458 enrollment Facilities plan pending.	None identified at this time

District	General Location	Plan?	Notes	PRR?	5-day Response Due
Cheney	Cheney, WA		Email sent 3/28/23 to admin, no reply	Sent PRR to admin contacts 3/30/23	Received response 4/5/23

Carolyn and Jessica,

Cheney Public Schools is in receipt of your public records request dated March 30, 2023.

Attached, you will find a property list by parcel to identify all properties owned by Cheney Public Schools. In addition, a capital facilities presentation by Teater Crocker, Inc. that provides enrollment projections, capacity vs. enrollment information, building capacity and utilization information, and the functional adequacy of each school site.

Cheney Public Schools is in the process of creating a long-term facilities plan and it should be complete no later than June of 2023. Once complete, the District will be able to share the anticipated future growth need in terms of facilities expansion or new builds for the district and the funding plans and needs the District will have to address the anticipated future growth. Feel free to reach back out at that time if you would like this information.

Please contact me if you have any questions on the information provided. If you feel as though I may have missed records, please contact me directly. This public records request is considered to be complete. Thank you.

Subject: PUBLIC RECORDS REQUEST PURSUANT TO CHAPTER 42.56 RCW

Importance: High

Good afternoon,

Spokane County needs to compile information from school districts in order to plan under the Growth Management Act (RCW 36.70A.070(3)) on local school district capital facilities planning/growth planning. For this reason – I would like to make **a public records request** for the following information:

- An inventory of existing capital facilities owned by public entities, showing the locations and capacities of the capital facilities; (b) a forecast of the future needs for such capital facilities;
To elaborate/in other words:
 - What is the current capacity of each school in the District in terms of how many students they currently have versus how much growth can the current school facilities accommodate?
 - What is the anticipated future growth need in terms of facilities expansion or new builds for the District?
 - What funding plans and needs does the District have to address anticipated future growth?
- If your District has no formal plan, and nowhere this information is being compiled, please state this in writing.

-
-
I thank you for your time and request that you send your response to both myself and Jessica Pilgrim (jpilgrim@spokanecounty.org) as I will be out on maternity leave in the near future and may therefore not timely receive your response if it is sent solely to my email.

Sincerely,

Carolyn Lutzenhiser (she/her/hers) – Paralegal

RE: PUBLIC RECORDS REQUEST PURSUANT TO CHAPTER 42.56 RCW

To Whom it may concern,

The current facilities within the Great Northern School district include the school building itself, a single garage for bus storage and a pump house for the well and filters.

At this time, the district has not formed a forecast of the future facility needs. The current school enrollment in grades K-6 is 39 students with a projection of approximately 47 students for the 2023-24 school year. The school has functioned with as many as 55 students at times in the past so we are not near capacity at this time. While future growth within our district is certainly possible, the district is in the early stages of studying facility needs for the future. At this time there are no capital project levies or bonds that are planned to be put out to the voters for facility expansion. We have applied for grants to update current facilities in the areas of HVAC and safety.

At this time, the Great Northern School District has no formal plan for facilities growth or formal process collecting data related to facility growth needs.

This letter completes the items requested in the Public Records Request. Please let me know if there is additional information needed.

A handwritten signature in blue ink that reads "Brett Baum". The signature is fluid and cursive.

Subject: Records Request Response

Good Afternoon,

The following information is the District's final response to the records request made on Thursday, March 30, 2023.

What is the current capacity of each school in the District in terms of how many students they currently have versus how much growth can the current school facilities accommodate?

- Medical Lake High School has 142,550 square feet with 37 classrooms. Overall capacity estimated to be 888, current enrollment is 461.
- Medical Lake Middle School has 91,000 square feet with 35 classrooms. Overall capacity estimated to be 840, current enrollment is 380.

- Michael Anderson Elementary School has 75,000 square feet with 33 classrooms. Overall capacity estimated to be 825, current enrollment is 393.
- Hallett Elementary School has 61,500 square feet with 24 classrooms. Overall capacity estimated to be 528, current enrollment is 486.

Disclaimer: These are based on our best estimates for capacity.

What is the anticipated future growth need in terms of facilities expansion or new builds for the District?

- Hallett Elementary School, potentially needs an additional 6 classrooms built.

What funding plans and needs does the District have to address anticipated future growth?

- A capital levy or bonds would be needed to fund the projects.

Carolyn,

Per your public records request, I am attaching information that we have readily available.

We currently have four school buildings in our district -- only one is in Spokane County. At this building, we currently have an HVAC renovation in progress. Student capacity in this building is roughly 298 students. We do expect growth in this building over the next 10 years; however, based on projections, the current building should be able to handle this growth. If not, we have a portable attached to the main building and have built our HVAC system to handle an expansion of the building where the current portable sits.

Additionally, in Spokane county, we have our district office and our Transportation Building/bus yard. There are no projects happening in these buildings.

3 attachments have been included to support your requested information.

Thank you,

Jeff Baerwald
Superintendent
Nine Mile Falls School District

9 MILE PROUD

In the Nine Mile Falls School District

...each student will succeed

...effective instruction is paramount

...quality leadership matters

...reflection improves our practice

...we are each other's best resource

...positive relationships are foundational to our success

We continue to act in a way that matches our beliefs.

Good afternoon,

Spokane County needs to compile information from school districts in order to plan under the Growth Management Act (RCW 36.70A.070(3)) on local school district capital facilities planning/growth planning. For this reason – I would like to make **a public records request** for the following information:

- An inventory of existing capital facilities owned by public entities, showing the locations and capacities of the capital facilities; (b) a forecast of the future needs for such capital facilities;

To elaborate/in other words:

- What is the current capacity of each school in the District in terms of how many students they currently have versus how much growth can the current school facilities accommodate?
 - What is the anticipated future growth need in terms of facilities expansion or new builds for the District?
 - What funding plans and needs does the District have to address anticipated future growth?
- If your District has no formal plan, and nowhere this information is being compiled, please state this in writing.

I thank you for your time and request that you send your response to both myself and Jessica Pilgrim (jpilgrim@spokanecounty.org) as I will be out on maternity leave in the near future and may therefore not timely receive your response if it is sent solely to my email.

Sincerely,

Carolyn Lutzenhiser (she/her/hers) – Paralegal

DEER PARK SCHOOL DISTRICT
Medium/Large Scale Capital Projects: 2016 - 2021

(Based on work of Facilities Committee - 2015)

Project	Description	Approximate Cost	Timeline
Land Acquisition (acquire land for transportation facility)	Research sites and purchase property for future transportation facility. Work through any zoning changes	\$150,000 - \$175,000 Capital Funds	Research potential sites in 2015; complete acquisition by summer 2016.
DPMS Portable Replacement - Design Development	Initiate RFI/RFQ to identify an architectural firm to help develop concepts and preliminary cost estimates for permanent classrooms at DPMS	\$100,000 Capital Funds	Publish RFI in spring/summer 2016; select architectural firm in fall 2016 and begin design phase (completion of design in 2017-18 school year)
DPMS Portable Replacement - Design/Construction	Final design and construction of facility. Construction may need to be phased over several years because of funding stream.	\$3,150,000 Capital Funds (yearly contribution goal is \$250,000)	Goal to begin construction – 2021
Arcadia & DPMS Roof replacement	Existing roof membranes at both Arcadia and DPMS may need replacement with the next 5 years.	Approx. \$500,000 per building	Maintenance will continue to implement minor repairs to extend the life of the roofs, but replacement is imminent.

Medium/Large Scale Capital Projects: 2021 - 2025

Project	Description	Approximate Cost	Timeline
Transportation Facility	New facility that provides covered parking for buses, shop, and maintenance area, administrative space, restrooms, showers, lunch room/meeting room, and lockers.	\$2,250,000 – \$3,000,000	District bond debt will be paid in 9 years (Dec. 2025), which will provide an opportunity to propose a bond measure for the transportation facility as well as a number of other small to medium projects...see below
Renovations to HS sports complex	See 2014 design work completed by Bernardo Wills	See phased plan as rendered in architectural drawing	
Cafeteria Expansion @ Middle School	Add 1000 sf to the north of current stage and redesign main entry	\$300,000 - \$400,000	
Cafeteria Expansion @ Arcadia	Add new 4000 sf space Remodel kitchen, relocate utilities	\$1,400,000 - \$1,900,000	
Portable Replacement	Arcadia Elementary 4 classrooms / 4 restrooms	\$750,000 - \$1,000,000	
Portable Replacement	Home Link 4 classrooms / 2 restrooms	\$750,000 to \$1,000,000	
FFA Building/Barn/Storage	Steel frame building with concrete floor, CMU walls , restroom, fenced area , 2000 sf. Parking, fire lane etc.	\$225,000 - \$300,000
