A RESOLUTION of the Board of Directors of St. John School District No. 322-JT 401, Whitman and Spokane Counties, Washington, providing for the submission to the voters of the District at a special election to be held on February 13, 2024, of a proposition authorizing an excess tax levy to be made annually for two years commencing in 2024 for collection in 2025 of $345,605 and in 2025 for collection in 2026 of $354,245, for the District’s Capital Projects Fund to support the construction, modernization and remodeling of school facilities; designating the Secretary to the Board and special counsel to receive notice of the ballot title from the Auditor of Whitman County, Washington; and providing for related matters.

BE IT RESOLVED BY THE BOARD OF DIRECTORS OF ST. JOHN SCHOOL DISTRICT NO. 322-JT 401, WHITMAN AND SPOKANE COUNTIES, WASHINGTON, as follows:

Section 1. Findings and Determinations. The Board of Directors (the “Board”) of St. John School District No. 322-JT 401, Whitman and Spokane Counties, Washington (the “District”), takes note of the following facts and makes the following findings and determinations:

(a) Calendar year 2024 is the last year of collection of the District’s current two-year Capital Projects Fund tax levy, which was authorized pursuant to Resolution No. 22-3, adopted by the Board on November 22, 2021, and approved by the voters at a special election held and conducted within the District on February 8, 2022.

(b) The existing condition of school facilities requires the District to continue to support the construction, modernization and remodeling of school facilities by making certain health, safety and facilities improvements, all as more particularly defined and described in Section 2 herein (collectively the “Projects”).

(c) With the expiration of the District’s current two-year Capital Projects Fund tax levy, it appears certain that the money in the District’s Capital Projects Fund will be insufficient to permit the District to pay costs of the Projects, and that it is necessary that a replacement excess tax levy of $345,605 be made in 2024 for collection in 2025 and $354,245 be made in 2025 for collection in 2026 for the District’s Capital Projects Fund to provide the money required to pay those costs.

(d) The proposed two-year Capital Projects Fund tax levy authorized in this resolution will replace the District’s expiring two-year Capital Projects Fund tax levy.

(e) Pursuant to Article VII, Section 2(a) of the Washington Constitution and Revised Code of Washington (“RCW”) 84.52.053, the District may submit to its voters at a special election, for their approval or rejection, a proposition authorizing the District to levy annual excess property taxes to support (i.e., pay or finance) costs of the Projects.
(f) The best interests of the District’s students and other inhabitants require the District to carry out and accomplish the Projects.

Section 2. Description of the Projects. The Projects to be paid for with the excess property taxes authorized herein are more particularly defined and described as follows:

(a) Make health, safety and facilities improvements at St. John School, including, but not limited to: (1) replacing deteriorating playground equipment (including slide, playground rings, and plastic/metal components that are cracked or damaged), adding underlayment under playground equipment, and improving the Preschool playground play area, all to increase student safety; and (2) continuing to make improvements to the buildings and grounds to meet state and federal energy efficiency requirements, all as determined necessary and advisable by the Board.

(b) Make other capital improvements to support the construction, modernization or remodeling of school facilities, all as determined necessary and advisable by the Board.

(c) Acquire, construct and install all necessary furniture, equipment, apparatus, accessories, fixtures and appurtenances in or for the foregoing, all as determined necessary and advisable by the Board.

(d) Pay incidental costs incurred in connection with carrying out and accomplishing the Projects. Such incidental costs constitute a part of the Projects and include, but are not limited to: (1) payments for fiscal and legal costs; (2) costs of establishing and funding accounts; (3) necessary and related engineering, architectural, planning, consulting, permitting, inspection and testing costs; (4) administrative and relocation costs; (5) site improvement costs; (6) demolition costs; (7) costs related to demolition and/or deconstruction of existing school facilities to recycle, reclaim and repurpose all or a portion of such facilities and/or building materials; (8) costs of on and off-site utilities and road improvements; and (9) costs of other similar activities or purposes, all as determined necessary and advisable by the Board.

The Projects, or any portion or portions thereof, shall be acquired or made insofar as is practicable with available money and in such order of time as shall be determined necessary and advisable by the Board. The Board shall determine the application of available money between the various parts of the Projects so as to accomplish, as near as may be, all of the Projects. The Board shall determine the exact order, extent and specifications for the Projects. The Projects are to be more fully described in the plans and specifications to be filed with the District.

Section 3. Calling of Election. The Auditor of Whitman County, Washington, as ex officio Supervisor of Elections (the “Auditor”), and the proper officer of the county to which the District belongs pursuant to chapter 28A.323 RCW, is requested to call and conduct a special election in the manner provided by law to be held in the District on February 13, 2024, for the purpose of submitting to the District’s voters, for their approval or rejection, the proposition authorizing a replacement Capital Projects Fund excess property tax levy on all of the taxable property within the District (the assessed value of such representing 100% of true and fair value unless specifically provided otherwise by law) to be made annually for two years commencing in 2024 for collection in 2025 of $345,605, the estimated dollar rate of tax levy required to produce such an amount being $1.29 per $1,000 of assessed value, and in 2025 for collection in 2026 of $354,245, the estimated
dollar rate of tax levy required to produce such an amount being $1.29 per $1,000 of assessed value, all in excess of the maximum tax levy allowed by law for school districts without voter approval. The exact tax levy rate may be adjusted based upon the actual assessed value of the taxable property within the District at the time of the tax levy.

Section 4. Use of Taxes. If the proposition authorized by this resolution is approved by the requisite number of voters, the District will be authorized to levy the excess property taxes provided in this resolution to pay costs of the Projects, all as may be authorized by law and determined necessary and advisable by the Board. Pending the receipt of those taxes, the District may issue short-term obligations pursuant to chapter 39.50 RCW or contract indebtedness pursuant to RCW 28A.530.080. Upon receipt, the District may use those taxes to repay such short-term obligations or indebtedness, all as may be authorized by law and determined necessary and advisable by the Board.

Section 5. Sufficiency of Taxes. If the excess property taxes authorized herein are more than sufficient to carry out the Projects, or should state or local circumstances require any alteration in the Projects, the District may apply such taxes to other capital purposes, or reduce or eliminate the excess property tax levies authorized herein, all as the Board may determine by resolution and as permitted by law.

If the Board determines that it has become impractical to accomplish the Projects or any portion thereof by reason of state or local circumstances, including changed conditions or needs, regulatory considerations, incompatible development or costs substantially in excess of those estimated, or for any other reason determined by the Board, the District will not be required to accomplish such Projects and may apply the excess property taxes authorized herein or any portion thereof to other capital purposes of the District, or reduce or eliminate the excess property taxes authorized herein, all as the Board may determine by resolution and as permitted by law. In the event that the excess property taxes, plus any other money of the District legally available therefor, are insufficient to accomplish all of the Projects, the District may use the available money for paying the cost of that portion of the Projects that the Board determines most necessary and in the best interests of the District.

Notwithstanding anything in this resolution to the contrary, the excess property taxes authorized herein may be used only to support the construction, modernization or remodeling of school facilities.

Section 6. Form of Ballot Title. Pursuant to RCW 29A.36.071, the Whitman County Prosecuting Attorney, as the county prosecuting attorney of the county within which the majority area of the District is located, is requested to prepare the concise description of the aforesaid proposition for the ballot title in substantially the following form:
