AGENDA TITLE: In the matter of altering and/or combining certain voter precincts within Spokane County.

BACKGROUND (Attach separate sheet(s) if necessary): In the matter of altering and/or combining certain voter precincts within Spokane County.

RECOMMENDATION: The County Auditor has recommended the following:

1. Alteration of three (3) voting precincts. The City of Spokane has annexed the Greenfield Estates. This action moves approximately 42 voters from Precinct 4014 to Precinct 4100. Moving these voters into Precinct 4100 will create a non-compact or contiguous precinct but will increase the voter total and hide the one vote currently voting in Precinct 4100. A legal description and boundary correction to Precinct 4015 and 4014 to better align with current school district boundaries. No voters affected by the realignment.
